Ponyville Confidential Sherilyn Connelly, 2017-03-28 Beloved by young girls around the world Hasbro's My Little Pony franchise has been mired in controversy since its debut in the early 1980s Critics dismissed the cartoons as toy advertisements and derided their embrace of femininity The 2010 debut of the openly feminist My Little Pony Friendship Is Magic renewed the backlash as its broad appeal challenged entrenched notions about gendered entertainment This first comprehensive study of My Little Pony explores the history and cultural significance of the franchise through Season 5 of Friendship Is Magic and the first three Equestria Girls films The brand has continued to be on the receiving end of a sexist double standard regarding commercialism in children's entertainment while masculine cartoons such as the Transformers have been spared similar criticism *Report of the Committee Appointed by the President of the Board of Agriculture and Fisheries Great Britain. Ponies, Committee on Improvement of Mountain and Moorland Breeds of*, 1912 **Social Media Discourse, (Dis)identifications and Diversities** Sirpa Leppanen, Elina Westinen, Samu Kytola, 2016-12-08 This volume serves as an in depth investigation of the diversity of means and practices that constitute dis identification and identity construction in social media Given the increasing prevalence of social media in everyday life and the subsequent growing

diversity in the types of participants and forms of participation the book makes the case for a rigorous analysis of social media discourses and digital literacy practices to demonstrate the range of semiotic resources used in online communication that form the foundation of dis identification processes Divided into two major sections delineating between the dis identification of the self across various social categories and the dis identification of the self in relation to the other the book employs a discourse ethnographic approach to highlight the value of this type of theoretical framework in providing nuanced descriptions of identity construction in social media and illuminating their larger long term societal and cultural implications This volume is a key resource for researchers and students in sociolinguistics discourse studies computer mediated communication and cultural studies
