Scarred George Molho, 2013-10-02 In 1978 seven-year-old George Molho was kidnapped by his own father For a year he survived mental and physical abuse to the point of torture He found it easier to get used to hell than to hope that heaven was around the corner George eventually escaped but surviving the aftermath proved to be much more difficult This memoir weaves past and present together to connect the pieces of Molho's childhood and adult life that shaped the man he would become It explores the adage love conquers all revealing the inner workings that we all seek to understand George was lucky to learn how to love from his family before his abduction before his father's cruel version of love was inflicted upon his young body and psyche Later in life love compels him to divulge all that happened on the mountainside where he left his innocence as a boy It's not about how hard we get hit it's about how much we can take and keep moving forward *Scarred* is a memoir written by a survivor intended to empower and embolden all who have suffered have survived and are ready to be set free This will be known as the book that set the literary genre of memoir free *Scarred* reads like fiction while shattering the facade of make-believe Molho becomes the victor of his past and his triumph is contagious Andrea Afra Free Press Houston
