**The Disney Middle Ages** T. Pugh,S. Aronstein,2012-12-10 For many the middle ages depicted in Walt Disney movies have come to figure as the middle ages forming the earliest visions of the medieval past for much of the contemporary Western and increasingly Eastern imagination The essayists of The Disney Middle Ages explore Disney s mediation and re creation of a fairy tale and fantasy past not to lament its exploitation of the middle ages for corporate ends but to examine how and why these medieval visions prove so readily adaptable to themed entertainments many centuries after their creation What results is a scrupulous and comprehensive examination of the intersection between the products of the Disney Corporation and popular culture s fascination with the middle ages

**The Machiavellian's Guide to Insults** Nick Casanova,2008-06-23 Have you ever wanted to lash out at someone but lacked the appropriate putdown The Machiavellian s Guide to Insults takes a humorous approach to dealing with such annoying personalities as the drama queen the wealth flaunter the self proclaimed brain the temperamental twit and the talkaholic Recommended insults range from the subtle and seemingly unintended to

the outright declaration of war Both have a place in your arsenal Had Machiavelli written a book on insults this is the book he would have written He would have suggested calmly wounding your enemy with a tailor made barb without coming across as if you ve been wounded yourself Often the best putdown is a comment which seems on the surface to be well intentioned And ham handed attempts to relate or sympathize can be the most effective ways of underlining your opponent s weaknesses These are far more humiliating than any angry outburst could ever be Learn how to eviscerate the proud homeowner the would be tough guy the bully the boastful parent the second guesser and many others Machiavelli would also have suggested having these insults ready beforehand since despite the old clich revenge tastes best when it is a dish served piping hot
