Raindrops And Orange Juice:

Raindrops and Orange Juice Jaclyn M. Costello,2001-08-28 He was an aspiring basketball star She the resident scholar Shawn and Harley Randall had grown close over the years mostly because of the way their father s job tended to drag them all over the continent But this time it was different and no one can understand why Even ocean front property that boasted a breathtaking view of Pacific sunrises and sunsets couldn t lift the smothering confusion and anxiety that troubled both of them nor did Jack Randall s short fuse help Somehow the brother and sister pair must find a way to adjust to this seemingly perfect world while sorting through the pages of adolescence to find peace again with a little help from their friends

Reflections on Raindrops Jeanie T. Roberts,2017-02-02 Be careful what you pray for The first week in January 2005 a familys prayers for direction were answered Reflections on Raindrops by Jeanie T Roberts is the memoir of a couple in their sixties who delay retirement dreams to care for parents with dementia With only eighteen years between their ages Jeanie and her mother had grown up together It was natural that Jeanette should surrender her battle with the advancing stages of Alzheimers disease to her daughter and son in law Their story is often painful sometimes humorous and authentically coupled with survival tips learned during their on job training Gene and Jeanie were aware that dealing with the mental and physical deterioration accompanying her mothers fight with Alzheimers disease would be difficult but they had not recognized the challenges arising from her step fathers advancing vascular dementia As her parents regressed from familiar functioning adults into childlike strangers Gene and Jeanie drew on strategies learned while teaching and coaching sometimes reluctant teens The story of their ten years together is enriched by poems Jeanie wrote during times of mounting stress along with scripture references that would help them mold their struggles into victories **The Costs and Effects of Chronic**

Subcommittee on the Environment and the Atmosphere,1976 **The Reconstructed School** Francis Bail Pearson,1919 *Meteorology* ,1971 Movie Maker ,1983 **Raindrops from the Laundromat** Dominique Camm, An unexpected trip to the laundromat a night of passion he cannot forget and undying loyalty set the stage for the awakening destruction and rebirth of Levon Jones In this modern coming of age journey Levon returns to his small southern hometown and desperately tries to avoid the entanglement and specter of sirens A former standout athlete in the sleepy suburbs of Bacon s Castle he is jolted out of his cynical existence onto a rollercoaster ride If he can survive unpredictable intrusions from his partners in crime insane rolls of the dice and the trial of his life there is the potential of redemption His sifting between conflicting loyalties long standing secrets and unforeseeable twists adds spice to his journey As Levon narrates his consciousness and exposes his uphill battles the fates conspire against him This fictional suspense was inspired by real events and encompasses contemporary realities and tragedy that are often overlooked This modern social critique of America feels all too familiar to some and may be a wake up call to others *Vicissitudes* Kim Green,2021-02-01 Vicissitudes

confronts the transformative power of love in black romance and relationships when we dare to question conventional ideas about gender and sexuality and who we consider worthy of our love and commitment Narrated through various character perspectives Vicissitudes explores the intricacies and complexities of being black queer and trans and boldly confronts the barriers within and without that we face when we dare live to love with authenticity dignity and integrity Kim Green challenges readers to reconsider the meaning of love struggle and liberation in a world that clings to labels out of fear of change and the unexpected Exceedingly relevant for today s rapidly changing world this morality play of trial and triumph shines a bright light on the enormous power of love to transform us anew and reinvent the world **Through the Rain** Paul Richards,2016-12-26 The news is often replete with horror stories of lost children especially boys who it seem are destined for failure by nothing more than the fact that they were born in an inner city community Through the Rain takes an open honest look at an average boy from an average family who in spite of the odds makes it out of two such communities and makes a success of his life The story is much about growing up as it is about family friendship and overcoming challenges in spite of the odds However it is mostly about hard work perseverance and what can happen when ordinary people choose to live lives of decency courage and faith Told in a refreshingly candid and good natured way the author hopes his story will inspire those ordinary people whose stories unfortunately go untold *Vito D'Angelo: Dark Mafia Romance* Alessa Steel,2024-08-02 Veiled in shadows she stalks the night her identity concealed behind a mask The Black Shadow a deadly assassin feared by all who cross her path With a cold calculating gaze and a heart hardened by a lifetime of pain and betrayal she is an enigma a merciless killer with an untraceable reputation But when a powerful mafia boss demands a meeting she finds herself drawn into a dangerous game of cat and mouse Vito D Angelo is a man shrouded in mystery his icy blue eyes and chiseled features promising both exquisite pleasure and untold suffering As the head of the most ruthless crime syndicate his very presence commands respect and instills terror Drawn to each other s darkness an intense and forbidden attraction ignites As they engage in a sensual dance of dominance and submission neither can deny the addictive pull between them But with deadly rivals and unforgiving enemies at every turn surrendering to this feeling could prove not only dangerous but fatal Can the Black Shadow let down her guard long enough to trust the Mafia King
