Richard Prince - Free Love, 2018 **Richard Prince** Richard Prince, 2011 Conceived by the artist this book gathers unpublished images and well known works using T Shirts as a medium Richard Prince recycles found materials from American popular culture most often images from advertisement and magazine photography which he re photographs silkscreens overpaints frames enlarges or arranges in collages playing with their somehow empty meaning Citation d tournament appropriation any possible treatment of these clichés is explored and played with Brilliantly laid out and composed the book is full of wit humour and surprising encounters Published on the occasion of Prince's exhibition at Salon 94 New York **Richard Prince**, 1988 Richard Prince Lisa Phillips, Richard Prince, Whitney Museum of American Art, San Francisco Museum of Modern Art, Museum Boijmans Van Beuningen (Rotterdam, Netherlands), 1992 Working with such media as painting artist's books assisted readymades and photography Prince extracts images from a small selection of parallel worlds the worlds of advertising celebrity biker gangs and low comedy among others Cover Richard Prince Sadie Coles HQ., 2005 Prince's upstate New York Second House makes a home literally for the increasingly physical work of an artist once best known for his studio photographs of magazines The Second House documents his ranch style gallery the long grass around it and the 1973 Plymouth Barracuda parked in the yard and commemorates the Guggenheim's purchase of the site which they pledge to open to the public for ten years Fugitive Artist Michael Lobel, Richard Prince, 2007 **Richard Prince** Nancy Spector, Richard Prince, 2007 Text by Nancy Spector Glenn O'Brien Jack Bankowsky Richard Prince Richard Prince, Kate Linker, 1983 **Richard Prince** Richard Prince, 2008 Ilse Zhalina is the daughter of one of Melnek's more prominent merchants She has lived most of her life surrounded by the trappings of wealth and privilege Many would consider hers a happy lot But there are dark secrets especially in the best of families Ilse has learned that for a young woman of her beauty and social station to be passive and silent is the best way to survive When Ilse finally meets the older man she is to marry she realizes he is far crueler and more deadly than her father could ever be Ilse chooses to run This choice will change her life forever And it will lead her to Raul Kosenmark master of one of the land's most notorious pleasure houses and who is as Ilse discovers a puppetmaster of a different sort altogether Ilse discovers a world where every pleasure has a price and there are levels of magic and intrigue she once thought unimaginable She also finds the other half of her heart Passion Play is Beth Bernobich's first novel **Richard Prince** Richard Prince, 2001 By manipulating the means and products of mass media Richard Prince gives his viewers a glimpse of American culture as directed toward middle class consumers His appropriations of living rooms watches and sophisticated couples and individuals turn the informative nature of the original advertisement into cultural indicators of borrowed and fictional representation This book assembles together the

photographs that initiated Prince's exploration of authorship and the original ideas that were prevalent in the critical discourse of the late 70s and are perhaps even more so today *Richard Prince : High times* Richard Prince, 2018 Recent essays by Richard Prince reprints of historical texts by Eve Babitz Joan Didion and Kim Gordon and a new essay by Rachel Kushner Exhibition Gagosian West 24th Street New York USA 01 11 19 12 2018 [The Unauthorised Collection of John Kaldor](#) David De Boer, 2012-06-06 When I was asked by the non profit gallery FELT Space in Adelaide Australia to propose an exhibition for their space I began thinking about other people who collect artwork and how their collections acquire cultural and financial significance through personal stories exhibition histories and auctions to name a few This led me to the John Kaldor Family Collection of contemporary art that was donated to the Art Gallery of New South Wales in Australia I marvel at John Kaldor's persistence and dedication to contemporary art but I also wondered if I could develop significance in my own versions of his artworks if I had them re created by the painting fabrication company I work with in China and organized my own exhibition of artworks from the Kaldor Collection With this as my focus I developed a catalog with images of the artworks and essays by artist Joey G Cruz and art historians Andrea Bronte and Mary Coyne to give context and value to my re made artworks **100 Artistes Contemporains** Hans Werner Holzwarth, 2009 100 Contemporary Artists brings together the most outstanding influential and therefore most important artists from 10 years of the highly successful TASCHEN series Art Now Formative figures of that time feature alongside prominent representatives of a younger generation which is blazing in its own trials **Art on Paper** , 2006 **Richard Prince** , 1996
