

SECRET BABYLON

The background of the entire image is a dark, atmospheric landscape. In the upper half, a glowing blue and white horizon line separates a dark sky from a dark, silhouetted land. Below the horizon, a winding path or road curves through the darkness, illuminated by a bright, glowing blue and white light source in the lower left corner, creating a strong lens flare effect.

in the entertainment industry where celebrities sell their soul to the devil for fame and fortune For what shall it profit a man if he shall gain the whole world and lose his own soul Mark 8 36 How is it possible to lose your soul Well according to the Bible Every man is tempted when he is drawn away of his own lust and enticed James 1 14 so how do we avoid the traps of the enemy We will explore these questions and the connection between the spirit soul and body You will also learn how precious your soul is to God and how fragile or easily damaged it can become Rescue my soul from their destructions my precious life from the lions Psalms 35 17 You will learn to destroy the works or schemes of the enemy For they intended evil against thee they imagined mischievous device which they are not able to perform Psalm 21 11 and call heaven the designs or plans of God to earth to fulfill your divine purpose Finally you will pray like David in the book of Psalms a prophetic book to deliver your soul from captivity I have highlighted key Scriptures throughout the text to use in your meditations and prayers

Behold a White Horse Cisco Wheeler,2009 My people are destroyed for lack of Knowledge Hosea 4 6 This book is not meant for those who refuse to step out of their box but instead cling onto their blinders believing that the world is exactly as they have always been taught it is Rather it is specially written for those who discern that things are not exactly as they seem and are dedicated to the pursuit of truth and knowledge For we wrestle not against flesh and blood but against principalities

against powers against the rulers of the darkness of this world against spiritual wickedness in high places Ephesians 6 12 Behold a White Horse is a roller coaster ride engaged in a myriad of related topics The reader will be taken all the way back to ancient Babylon the foundation of all secret societies and continue on through Egypt and Rome Other topics covered are ceremonial magick kundalini power and evil spirits the Talmud Kabbalah the apostasy of the Christian church today alchemy Papal Rome and the Catholic church false prophets of the world televangelists wolves in sheep s clothing pagans in the pulpit Who changed the truth of God into a lie and worshipped and served the creature more than the creator who is blessed forever Amen Romans 1 25 This work is spiritually based using many scriptures It is the prayer of the author that through careful reading of these pages the reader can connect the dots into a whole new level of discernment to help guard against demon traps and the many devices of Satan Knowledge is power and the truth really does set you free The Secrets of Revelation Sekhar Reddy Vasa,2017-01-31 Dear readers God had created Adam and had installed him as the guardian of the Garden of Eden and from his side bone he had created the woman Though Adam was not aware of the fruit of a tree that was pertinent to the destruction of humans which was existed in the garden itself God himself had informed Adam that the destruction of man would take place for sure through the eating of that fruit But Adam and Eve both were subjected to the preaching of the serpent they had consumed that forbidden fruit and had received death and the punishment from the God Later during the period of Noah God had chosen Noah and his family and had made them build the ark for one hundred and twenty years During that period through Noah God had revealed about the disastrous floods and the destruction of the world through that flood well in advance But there was not any repentance in the humans The result was the great disastrous floods Later during the period of Moses as God had intended to get the Israelis from the slavery he had chosen their leader Through Moses he had intimated about the destruction that was going to take place in Egypt to the Pharaoh the ruler and his province But the result was just the destruction Even though God had revealed them in advance about the destruction In this way God had been warning people about the upcoming destruction through the prophets well in advance The reason is his ambitioning that they would repent for their sins and would come into his protection The citizens of Nineveh are those who had given up their mistakes and had repentance These through the preaching of Jonah had realized their mistakes they repented for their sins and had received the protection of God In this way God himself had revealed about the deeds of destruction that he was about to perform through the preaching of the people that he had chosen and if they do not repent for their sins he had been destroying them Similarly Lord Christ has foretold about the incidents that are going to happen at the end of world to his beloved disciple John This would have been taken place two thousand years ago Those who had learnt all the incidents that would take place by the period of Doomsday from the period of Jesus Christ and had acquired repentance had been protected since then But those had not repented had not been sentenced yet But the treatise of Revelation is full of mysteries secrets and arcana The multitudes opine that this treatise is a tough nut to crack for the

ordinary people God warns that the destruction is inevitable It is the ambition of God that each and every one must know the secrets of his coming because God is not the one who performs the deeds secretly He would reveal it well in advance through his prophets he would give them some time and if they do not acquire repentance he would destroy them As a part of that he had chosen us he had bestowed us the divine wisdom and instigated us to write in a simple way that each and every one would easily understand the secrets of revelation that explains the reason and the ways the world is going to end and through this book he is giving a warning to the citizen of the entire world So I plead you as the messenger of the Father Son and Holy Sprit to repent and live a life that is worthy of God Otherwise the end of world is inevitable inevitable inevitable Let the Grace of the Lord be with his servants Amen

Beware of False Religions & Pagan Traditions Part 2 Helene Fulton,2015-01-11 There are only two roads one leads to heaven and one leads to hell This is a spiritual fact without change or compromise there is no middle road and no chance to sit on the fence There are numerous false religions operating in the world today falsely broadcasting themselves as truth or as God s truth for that matter These religions may on the contrary be the foundation of lifelong poverty family breakdown mental derangement physical illness or varying manifestations of bizarre behavior in the lives of people These individuals have either turned their back on the true God completely or by their actions have allowed some of these pagan and false religious practises to creep into there every day lives By clinging to these pagan traditions we inadvertently give Satan a foothold in our lives In these books these false religions have been measured up against the word wisdom and knowledge of God The word of God says that His word is like fire and is a hammer that breaks rocks into pieces
