Judaism Wayward Shamans Silvia Tomšková, 2013-05-03 Wayward Shamans tells the story of an idea that humanity's first expression of art religion and creativity found form in the figure of a proto priest known as a shaman Tracing this classic category of the history of anthropology back to the emergence of the term in Siberia the work follows the trajectory of European knowledge about the continent's eastern frontier The ethnographic record left by German natural historians engaged in the Russian colonial expansion project in the 18th century includes a range of shamanic practitioners varied by gender and age Later accounts by exiled Russian revolutionaries noted transgendered shamans This variation vanished however in the translation of shamanism into archaeology theory where a male sorcerer emerged as the key agent of prehistoric art More recent efforts to provide a universal shamanic explanation for rock art via South Africa and neurobiology likewise gloss over historical evidence of diversity By contrast this book argues for recognizing indeterminacy in the categories we use and reopening them by recalling their complex history *Books In Print 2004-2005* Ed Bowker Staff, Staff Bowker, Ed, 2004 **The Environment of Compassion** Cia Sautter, 2025-05-09 The Environment of Compassion explores questions of what it means to be in relationship to nature if and how it is a religious experience and how understanding humans as part of nature alters theology The book offers a performance perspective that looks at ritual dance and theatre as a means of presenting discussion of sacred values in the public realm The premise is that performance may serve as an effective means for developing human sacred values that recognize the more than human world as it increases intersubjective awareness to address issues of social and environmental justice The author investigates religion and theatre as a means of better understanding how eco consciousness requires an aesthetic of the sacred Rather than separate religion culture and nature the book presents an aesthetic looking at the relationship between them It considers how an embodied theatrical story might develop an inclusive community of compassion Weaving the chapters together is an account of The Garden A Refuge an eco centered play based on the biblical book of Job Ecotheology aesthetics and embodiment theories are examined throughout with scholarship and examples drawn largely from the Jewish tradition The book is relevant to scholars of religion and theology particularly those with an interest in the environment as well as theatre dance and performance studies *Magic and Ritual in the Ancient World* Paul Allan Mirecki, Marvin W. Meyer, 2002 This volume contains a series of provocative essays that explore expressions of magic and ritual power in the ancient world The strength of the present volume lies in the breadth of scholarly approaches represented The book begins with several papyrological studies presenting important new texts in Greek and Coptic continuing with essays focussing on taxonomy and definition The concluding essays apply contemporary theories to analyses of specific test cases in a broad variety of ancient Mediterranean cultures Paul Mirecki Th D 1986 in Religious Studies Harvard Divinity School is Associate Professor of Religious Studies at the University of Kansas Marvin Meyer Ph D 1979 in Religion Claremont Graduate School is Professor of Religion at Chapman University Orange California and Director of the Coptic Magical Texts Project of the Institute for Antiquity and

Christianity *Books in Print Supplement* ,2002 *American Book Publishing Record* ,2003 *T&T Clark Handbook to the Historical Paul* Ryan S. Schellenberg, Heidi Wendt, 2022-05-05 The *T T Clark Handbook to the Historical Paul* gathers leading voices on various aspects of Paul's biography into a thorough reconsideration of him as a historical figure. The contributors show how recent trends in Pauline scholarship have invited new questions about a variety of topics including his social location, his mode of subsistence, his cultural formation, his place within Judaism, his religious experience and practice, and his affinities with other religious actors of the Roman world. Through careful attention to biographical detail, social context, and historical method, it seeks to describe him as a contextually plausible social actor. The volume is structured in three parts. Part One introduces sources, methods, and historiographical approaches, surveying the foundational texts for Paul and the early Pauline tradition. Part Two examines key biographical questions pertaining to Paul's bodily comportment, the material aspects of his career, and his religious activities. Part Three reconstructs the biographical portraits of Paul that emerge from the letters associated with him, presenting a series of micro biographies pieced together by leading Pauline scholars.
