Memories From The Heart:

Memories of the Heart Yvonne Woolfolk Britton, 2014-06-20 The purpose of this publication is to pass on to future generations reflections of the past How times can change and yet remain the same How you can survive regardless of hard times Also the desire to inspire those that come after me is important A wise person once said that gratitude is the memory of the heart My memories enrich my life as the days and years go by I recall treasured memories that continue to enrich my soul I choose to review my memory bank with gratitude Recalling the kindness of others brings a smile to my face and lifts my spirits I appreciate the people who have shared this life with me My memories of good times and good people reveal the light of God that shines unceasingly on us all As I look back with gratitude for the loved ones and opportunities that have brought me great joy and fulfillment I also enjoy the fullness of this present moment Right now I am making memories for the years to come I hope to leave the world a better place because of my living in it to love and be loved to do good and show respect to act justly and fairly to care well for the earth in my small patch of the planet **From the Heart** Melinda

Morris, 2025-09-30 My poems come to me at different times sometimes at night I will wake up with things on my mind and it starts pouring out I keep a pen and pad by my bed to write it down so that I don't forget it Not all of it comes at once Sometimes I get bits and pieces of it so I write it down and then it all comes together It's about my feelings about what has happened to me and others and the feeling I feel It's like I feel my pain and their pain or their joy It's very hard to explain I just write what I feel Memories of the Heart Garborgs Heart N Home, **The Heart's Code** Paul P.
