The Family Trade Charles Stross, 2010-04-01 A bold fantasy in the tradition of Roger Zelazny's Chronicles of Amber The Merchant Princes is a sweeping new series from the hottest new writer in science fiction Miriam Beckstein is happy in her life She's a successful reporter for a hi tech magazine in Boston making good money doing what she loves When her researcher brings her iron clad evidence of a money laundering scheme Miriam thinks she's found the story of the year But when she takes it to her editor she's fired on the spot and gets a death threat from the criminals she has uncovered Before the day is over she's received a locket left by the mother she never knew the mother who was murdered when she was an infant Within is a knotwork pattern which has a hypnotic effect on her Before she knows it she's transported herself to a parallel Earth a world where knights on horseback chase their prey with automatic weapons and where world skipping assassins lurk just on the other side of reality a world where her true family runs things The six families of the Clan rule the kingdom of Gruinmarkt from behind the scenes a mixture of nobility and criminal conspirators whose power to walk between the worlds makes them rich in both Braids of family loyalty and intermarriage provide a fragile guarantee of peace but a recently ended civil war has left the families shaken and suspicious Taken in by her mother's people she becomes the star of the story of the century as Cinderella without a fairy godmother As her mother's heir Miriam is hailed as the prodigal countess Helge Thorold Hjorth and feted and feasted Caught up in schemes and plots centuries in the

making Miriam is surrounded by unlikely allies forbidden loves lethal contraband and most dangerous of all her family Her unexpected return will supercede the claims of other clan members to her mother s fortune and power and whoever killed her mother will be happy to see her dead too Behind all this lie deeper secrets still which threaten everyone and everything she has ever known Patterns of deception and interlocking lies as intricate as the knotwork between the universes But Miriam is no one s pawn and is determined to conquer her new home on her own terms Blending the creativity and humor of Roger Zelazny the adventure of H Beam Piper and Philip Jose Farmer and the rigor and scope of a science fiction writer on the grandest scale Charles Stross has set a new standard for fantasy epics At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied *The Trade of Queens* Charles Stross,2010-04-01 A dissident faction of the Clan the alternate universe group of families that has traded covertly with our world for a century or more have carried nuclear devices between the worlds and exploded them in Washington DC killing the President of the United States Now they will exterminate the rest of the Clan and keep Miriam alive only long enough to bear her child the heir to the throne of their land in the Gruinmarkt world The worst and deepest secret is now revealed behind the horrifying plot is a faction of the US government itself preparing for a political takeover in the aftermath of disaster There is no safe place for Miriam and her Clan except perhaps in the third alternate world New Britain which has just had a revolution and a nuclear incident of its own Charles Stross s Merchant Princes series reaches a spectacular climax in this sixth volume Praised by Nobel laureate Paul Krugman as great fun this is state of the art cutting edge SF grown out of a fantastic premise At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied Merchant Prince Alan Del Monte,2019-07-02 Nathan son of Eli is a Jewish prince a member of the Sadducees the Jewish ruling council of Israel A brief conversation with Jesus forces Nathan to realize how important his wealth is to him When disaster strikes Nathan is forced to seek refuge in the desert among Arabs to escape the wrath of Rome To survive Nathan will no longer be able to rely on the power of the wealth he has always enjoyed His only hope is to seek out the apostles of Jesus to gain knowledge of this new faith known only as the way But first he must face many trials if he is to achieve the prize of the kingdom Jesus promised **The Revolution Business** Charles Stross,2009-04-14 The fifth novel in the continuing saga of the Merchant Princes SF adventure at its finest **Merchant Princes** Leon A. To Be A Merchant Prince Judith Williams,2010-09-01 It is 1248 and King Louis mighty French Crusade is about to sail for the Holy Land in a fleet hired from Pietrasanta that proud city republic where Donato Seresini s adored father the Lord Matteo is Podest and Merchant Prince Donato and his friend Gianni sail with the galleys learning their trade under the tutelage of a commander whose bitter resentment and overwhelming ambition drive him far beyond mere intrigue and fraud The story sweeps Donato to the heart of King Louis Court to the mud blood and slaughter of war to the depths of degradation and despair and beyond It snatches Chiara who loves him from her home and family to the harems of Egypt Through their

adventures and perils Donato Gianni and Chiara each eventually discover their individual adult personalities their values and where they truly belong in their world The fascinating narrative of the Crusade the charismatic characters of King Louis his Queen and his brother the Count of Artois the political fireworks between King Knights Templar Barons and Princes of Outremer even the gory details of the conditions in war torn Egypt all have authenticity derived from the immortal chronicle of Jean de Joinville Seneschal of Champagne written to glorify King Louis his Lord Pietrasanta can be easily identified through its thin disguise The reader can still walk its familiar streets But its genuine inhabitants and true history are somehow less satisfying than the careers and achievements of the splendid and all too human Seresini The Venetians: Merchant Princes Thomas Caldecot Chubb,1968 *The Traders' War: The Merchant Princes Books 3 and 4* Charles Stross,2013-05-01 Includes Book 3 The Merchants War and Book 4 The Clan Corporate For one ex journalist the nightmare has just begun Miriam Beckstein has said goodbye to her comfort zone and the transition from journalist to captive in an alternative timeline was challenging to say the least As was discovering her long lost family the Clan were world skipping assassins Now civil war rages in her adopted home she is pregnant with the heir to their throne and a splinter group want her on their side of a desperate power struggle But as a leader or figurehead Meanwhile unknown to the Clan the US government is on to them and preparing to exploit this knowledge But it hadn't foreseen a dissident Clan faction carrying nuclear devices between worlds with the US President in their sights The War on Terror is about to go transdimensional But Mike Fleming CIA agent knows the most terrifying secret of all His government's true intentions *From Peddlers to Merchant Princes* Penrose Scull,Prescott C. Fuller,1967 **The Life of Roger Mowbray, Merchant Prince of England and Member of Parliament. [A Tale.]** Alexander SOMERVILLE,1853 **Gentle Janus, Merchant Prince** Reinout Vos,2022-07-04 The Janus face of the Dutch East Indies Company representing a merchant on one side and a prince on the other has long puzzled historians How could a commercial enterprise firmly rooted in a tradition of free trade turn into a powerful monopolistic empire the moment its ships rounded the Cape of Good Hope This book based on Company archives and Malay historical material offers a reconstruction of the VOC's double role in the complex world of eighteenth century Malay court politics It describes the successes and failures of the VOC's political trade system as practised in its tin trade in the Straits of Malacca from 1740 to 1800 Careful consideration is given to the Company's relations with the sultanates of Palembang and Johore and the position of the VOC with respect to its English and Chinese competitors The author's main thesis is that the VOC's political mode of operation far from being a deviation from its proper merchant's role was an essential means to achieving success trade privileges were bought by rendering political support to indigenous princes Contrary to popular opinion however the system was not based on forced deliveries the merchant prince's iron hand When this resulted in stable and friendly alliances gentle Janus's system could bear fruit even in the difficult years of the late eighteenth century **The Making of an Indian Metropolis** Prashant Kidambi,2007-01-01 This book investigates the

social history of colonial Bombay in the late Victorian and Edwardian eras Drawing together strands that have hitherto been treated separately and based on a wide range of untapped archival sources this book offers the first systematic analytical account of historical change in a modernizing colonial city In highlighting the colonial experience of historical processes that have attracted considerable attention in recent scholarship it restores the much neglected global dimension to a comparative discussion of these themes At the same time the volume demonstrates the manner in which the globalizing forces unleashed by European imperialism were appropriated and transformed in the colonial context
