Ill Met By Moonlight Mercedes Lackey, Roberta Gellis, 2005-03-01 GOD AND ELFLAND SAVE THE QUEEN Peace reigns in Elfland Incredibly King Oberon and his exquisite but willful queen Titania are at peace with one another But still the FarSeers of the Selieghe Court are uneasy They fear trouble is coming to the mortal world of England which is close to Elfhome Avalon King Henry VIII is ageing but the futures shown when the FarSeers lift the great crystal lens are unchanged The rule of the son Great Harry finally succeeded in begetting will bring gray lives and a misery of dull oppression to England Worse will come if his eldest daughter comes to the throne a queen warped by fanaticism who might easily summon the Inquisition to rule by torture and fire burning out heresy and every bright aspect of life The prize at the end of the rainbow is the possibility of a red haired queen with lion gold eyes brilliant with interest and curiosity welcoming the blossoming of art music and literature But now the last image is flickering edged in a dark menace Years before Prince Vidal had tried to seize the child Elizabeth and replace her with a simulacrum who would soon die Vidal had been wounded almost to death in the attempt but so also had Denoriel Elizabeth s principal protector Denoriel is now healing but so unbeknownst to those of the Bright Court is Vidal And when Vidal wakes to himself his determination to hurl England into a new dark age is fiercer than ever fueled by his fury over his defeat and injury Also his Dark Court feeds on human suffering and dark emotions To ensure his own power he must at all costs prevent Elizabeth from coming to the throne To gain this goal Vidal has set in motion a plan of which Denoriel and his comrades are dangerously unaware At the publisher s request this title is sold without DRM Digital Rights Management

Fermor: An Adventure Artemis Cooper, 2013-10-15 Patrick Leigh Fermor's enviably colorful life took off when in 1934 at the age of eighteen he decided to walk across Europe In just over a year he had trekked through nine countries and taught himself three languages and his enthusiasm and curiosity for every kind of experience made him equally happy in caves or country houses among shepherds or countesses At the outbreak of war he left his lover Princess Balasha Cantacuzene in Romania and returned to England to enlist Commissioned into the Intelligence Corps he became one of the handful of Allied officers supporting the Cretan resistance to the German occupation In 1944 he commanded the Anglo Cretan team that abducted General Heinrich Kreipe and spirited him away to Egypt A journey to the Caribbean stays in monasteries and explorations all over Greece provided the subjects for his first books It was not until he and his wife had moved to southern Greece that he returned to his earliest walk In these books which took many years to write he created a vision of a prewar Europe which in its beauty and abundance has never been equaled Artemis Cooper has drawn on years of interviews and conversations with Leigh Fermor and his closest friends and has had complete access to his archive Her beautifully crafted biography portrays a man of extraordinary gifts no one wore their learning so playfully nor inspired such passionate friendship
