*Methodist Union Catalog, Pre-1976 Imprints* Kenneth E. Rowe, 1975      **Methodist Union Catalog** Kenneth E. Rowe, 1975      **A History of the Methodist Church in Great Britain, Volume Four** Rupert E. Davies, A. Raymond George, Gordon Rupp, 2017-06-14 With this volume the publication of *A History of the Methodist Church in Great Britain* comes to its appointed end. The project of writing it was initiated by the Methodist Conference of 1953 and the lapse of time since then has made it possible to include at appropriate points the results of the continuing research into the origins and nature of Methodism but the chance and changes of this mortal life which are bound to impinge on the progress of so complex an enterprise together with the heavy involvement of all the contributors in ecclesiastical, ecumenical and academic affairs have made this period much longer than the General Editors would have wished. From the Preface      *Historical Dictionary of Methodism* Jennifer Woodruff Tait, Christopher J. Anderson, 2024-11-05 Methodism originally founded in the eighteenth century has grown into a large and influential Protestant denomination. As of 2016 it claimed around 50 million adherents in 80 churches in more than 150 countries. Its history illuminates our understanding of modern culture, ethics, literature, politics, Christian mission, women's studies and many related topics. *Historical Dictionary of Methodism* Fourth Edition contains a chronology, an introduction and an extensive bibliography. The dictionary section has more than 700 cross-referenced entries on important institutions, events, doctrines and people who have contributed to the movement and to broader society in the three centuries since it was founded. This book is an excellent resource for students, researchers and anyone wanting to know more about Methodism as a global movement.      *Historical Dictionary of Methodism* Charles Yrigoyen Jr., Susan E. Warrick, 2005-03-16 In 2003 Methodists celebrated the 300th anniversary of the birth of their founder John Wesley. Today there are more than 300 Methodist denominations in 140 nations. Covering the activities of this group that plays an important role in the ecumenical movement through its many social and charitable activities in world affairs, this book offers more than 400 entries that describe important events, doctrines and the church founders, leaders and other prominent figures who have made notable contributions. It also includes a list of commonly used acronyms, chronology of historical events, introductory essay on the history of Methodism, 15-page black and white photo spread, bibliography listing of important libraries and depositories of Methodist materials. The impressive list of contributors includes more than 60 specialists who are academics, administrators, pastors and theologians.      **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office, 1977      *The A to Z of the Holiness Movement* William Kostlevy, 2010-04-01 It is much harder to define a religious movement than it is to define a religion or denomination. That applies especially when that movement almost defies definition as the Holiness Movement does. The Holiness Movement is a Methodist religious renewal movement that has over 12 million adherents worldwide. Perhaps the most familiar public manifestation of the holiness movement has been its urban holiness missions and the Salvation Army, noted for its service ministries among poor and

people suffering the dislocations that accompany war and disaster is the most notable example The A to Z of the Holiness Movement relates important new developments in the Holiness Movement such as the widely discussed Holiness Manifesto are thoroughly discussed and the content has also been expanded to include information on figures from Asia and Africa to reflect the continued growth of the Holiness Movement With a chronology an introductory essay a bibliography and over 400 cross referenced dictionary entries this reference has information that cannot be found elsewhere **T&T Clark**

**Companion to Nonconformity** Robert Pope, 2013-11-21 Protestant Nonconformity the umbrella term for Congregationalists Presbyterians Baptists Methodists and Unitarians belongs specifically to the religious history of England and Wales Initially the result of both unwillingness to submit to the State s interference in Christian life and a dissatisfaction with the progress of reform in the English Church Nonconformity has been primarily motivated by theological concern ecclesial polity devotion and the nurture of godliness among the members of the church Alongside such churchly interests Nonconformity has also made a profound contribution to debates about the role of the State to family life and education culture in general trade and industry the development of philanthropy and charity and the development of pacifism In this volume for the first time Nonconformity and the breadth of its activity come under the expert scrutiny of a host of recognised scholars The result is a detailed and fascinating account of a movement in church history that while currently in decline has made an indelible mark on social political economic and religious life of the two nations Methodist Union Catalog, G-HAZ Kenneth E.
