Occasional Papers The Jesuits The Gran:

Occasional Paper University of Minnesota. Library, 1961 *The Jesuits* John W. O'Malley, Gauvin Alexander Bailey, Steven J. Harris, T. Frank Kennedy, 2016-01-28 In recent years scholars in a range of disciplines have begun to re-evaluate the history of the Society of Jesus Approaching the subject with new questions and methods they have reconsidered the importance of the Society in many sectors including those related to the sciences and the arts They have also looked at the Jesuits as emblematic of certain traits of early modern Europeans especially as those Europeans interacted with the Other in Asia and the Americas Originating in an international conference held at Boston College in 1997 the thirty five essays here reflect this new historiographical trend Focusing on the Old Society the Society before its suppression in 1773 by papal edict they examine the worldwide Jesuit undertaking in such fields as music art architecture devotional writing mathematics physics astronomy natural history public performance and education and they give special attention to the Jesuits interaction with non European cultures in North and South America China India and the Philippines A picture emerges not only of the individual Jesuit who might be missionary diplomat architect and playwright over the course of his life in the Society but also of the immense and many faceted Jesuit enterprise as forming a kind of cultural ecosystem The Jesuits of the Old Society liked to think they had a way of proceeding special to themselves The question Was there a Jesuit style a Jesuit corporate culture is the thread that runs through this interdisciplinary collection of studies **Geological Survey Professional Paper** Geological Survey (U.S.), 1959 *General Catalogue of Printed Books* British Museum. Department of Printed Books, 1968 **Iberian Empires and the Roots of Globalization** Ivonne del Valle, Anna More, Rachel Sarah O'Toole, 2020-01-15 Through interdisciplinary essays covering the wide geography of the Spanish and Portuguese empires *Iberian Empires and the Roots of Globalization* investigates the diverse networks and multiple centers of early modern globalization that emerged in conjunction with Iberian imperialism *Iberian Empires and the Roots of Globalization* argues that Iberian empires cannot be viewed apart from early modern globalization From research sites throughout the early modern Spanish and Portuguese territories and from distinct disciplinary approaches the essays collected in this volume investigate the economic mechanisms administrative hierarchies and art forms that linked the early modern Americas Africa Asia and Europe *Iberian Empires and the Roots of Globalization* demonstrates that early globalization was structured through diverse networks and their mutual and conflictive interactions within overarching imperial projects To this end the essays explore how specific products texts and people bridged ideas and institutions to produce multiple centers within Iberian imperial geographies Taken as a whole the authors also argue that despite attempts to reproduce European models early Iberian globalization depended on indigenous agency and the agency of people of African descent which often undermined or changed these models The volume thus relays a nuanced theory of early modern globalization the essays outline the Iberian imperial models that provided templates for future global designs and

simultaneously detail the negotiated and conflictive forms of local interactions that characterized that early globalization The essays here offer essential insights into historical continuities in regions colonized by Spanish and Portuguese monarchies

Geological Survey Professional Papers ,1959 **Library of Congress Catalogs** Library of Congress,1980 *U.S. Geological Survey Professional Paper* ,1959 **The Role of the Jesuits in the Westerization [sic] of Russia 1596-1656** Jan Joseph Santich,1992 **Monographic Series** Library of Congress, **SMRC Newsletter** ,1989 The New International Encyclopædia Daniel Coit Gilman,Harry Thurston Peck,Frank Moore Colby,1902 *The New International Encyclopaedia* Daniel Coit Gilman,Harry Thurston Peck,Frank Moore Colby,1906 **Frank Leslie's Illustrated Newspaper** ,1897 **The Bibliographer's Manual of English Literature, Containing an Account of Rare, Curious, and Useful Books, Published in Or Relating to Great Britain and Ireland, from the Invention of Printing ... and the Prices at which They Have Been Sold in the Present Century** William Thomas Lowndes,1858 Italy Karl Baedeker (Firm),1869 **Subject Index of Modern Books Acquired** British Museum,1956 **The New International Encyclopæia** Daniel Coit Gilman,Harry Thurston Peck,Frank Moore Colby,1909 **Bookseller's catalogues** George Harding (ltd.),1884 **The New International Encyclopædia** Frank Moore Colby,Talcott Williams,1917
