Paul for Everyone ,2015 **The Pastoral Epistles and the New Perspective on**

Paul Daniel Wayne Roberts,2021-08-31 The so called New Perspective on Paul has become a provocative way of understanding Judaism as a pattern of religion characterized by covenantal nomism which stands in contrast to the traditional Lutheran position that argues that the Judaism against which Paul responded was legalistic This new perspective of first century Judaism has remarkably changed the landscape of Pauline studies but it has done so in relative isolation from the Pastoral Epistles which are considered by most critical scholarship to be pseudonymous Because of this lack of interaction with the Pastoral Epistles this study seeks to test the hermeneutic of the New Perspective on Paul from a canonical perspective This study is not a polemic against the New Perspective on Paul but an attempt to test its hermeneutic within the Pastoral Epistles Four basic tenets of the New Perspective on Paul taken from the writings of E P Sanders N T Wright and James D G Dunn are identified and utilized to choose the passages in the Pastoral Epistles to be studied to test the New Perspective s hermeneutic outside undisputed Paul The four tenets are as follows Justification Salvation Law and Works Paul s View of Judaism and the Opponents Based on these tenets the passages considered are 1 Tim 1 6 16 2 3 7 2 Tim 1 3 8 12 and Titus 3 3 7 *Handbook on Acts and Paul's Letters (Handbooks on the New Testament)* Thomas R. Schreiner,2019-11-05 Leading biblical scholar Thomas Schreiner provides an easy to navigate resource for studying and understanding the Acts of the Apostles and the Pauline Letters This accessibly written volume summarizes the content of each major section of the biblical text to help readers quickly grasp the sense of particular passages This is the first volume in the Handbooks on the New Testament series which is modeled after Baker Academic s successful Old Testament handbook series Series volumes are neither introductions nor commentaries as they focus primarily on the content of the biblical books without getting bogged down in historical critical questions or detailed verse by verse exegesis The series will contain three volumes that span the entirety of the New Testament with future volumes covering the Gospels and Hebrews through Revelation Written with classroom utility and pastoral application in mind these books will appeal to students pastors and laypeople alike **The Scriptures, the Cross and the Power of God** Tom Wright,2006-01-01 This collection of nine meditations from renowned biblical scholar and Anglican Bishop Tom Wright carries Holy Week from its solemn beginnings to the dramatic conclusion on Good Friday and Easter I hope that these addresses Wright says in his preface will contribute both to the enriched understanding and also to the empowered living out of the vital and inexhaustible events at the heart of Christian faith The writings for Palm Sunday through Maundy Thursday morning as well as the Easter Vigil focus on texts from the Gospel of Matthew Maundy Thursday evening Good Friday and Easter morning focus on texts from the Gospel of John **God and the Faithfulness of Paul** Christoph Heilig,J. Thomas Hewitt,Michael F. Bird,2017-04-01 N T Wright s magnum opus Paul and the Faithfulness of God is a landmark study on the history and thought of the apostle Paul This volume brings together a stellar group of international scholars to critically assess an array of issues in Wright s work Essays in Part I set Wright in the context of other Pauline theologies Part II addresses methodological issues in Wright s approach

including critical realism historiography intertextuality and narrative In Part III on context scholars measure Wright s representation of early Judaism Greek philosophy paganism and the Roman Empire Part IV turns to Wright s exegetical decisions regarding law covenant and election the New Perspective justification and redemption Christology Spirit eschatology and ethics Part V at last speaks to the implications of Wright s work for the church s theology sacraments and mission and for global responsibility in a postmodern age The volume includes a critical response from Wright himself

Beyond the Evangelical Gender Roles Gridlock Paul J. Palma, 2024-11-30 Present day Evangelicalism represents a microcosm of broader tensions over male and female gender roles with some denominations carefully delimiting women leadership roles especially the female pastor and many others supporting them The letters attributed to Paul the Apostle contain several divisive passages on the meaning of manhood and womanhood Dated and dubious readings of these have led some Christians and non Christians alike to conclude that Paul wrote with misogynistic intent Others quote them to justify Christian patriarchalism *Beyond the Evangelical Gender Roles Gridlock* Reimagining Paul s Views on Women Marriage and Ministry reassesses what Paul said about women reinterpreting his claims on marriage and ministry leadership in light of his first century worldview This book proposes a nuanced theological egalitarian approach with significant implications for renewing twenty first century congregations homes and society *Apostle on the Edge* Michael R. Cosby, 2009-10-20 Author and teacher Michael R Cosby provides a wonderful guide to Paul s letters helping students relate them to their own cultural setting and figure out for themselves what they mean Irreverent entertaining engaging and fun yet grounded in sound theology Cosby s textbook full of pictures questions and insights is certain to be a most popular educational tool **1 & 2 Timothy and Titus** N. The Message of Discipleship Peter Morden, 2018-11-15 Soon after Jesus began his public ministry he called his first disciples He would teach and train them and then after his death and resurrection commission and empower them to go to the nations to make more followers The risen Jesus is still calling and sending people today If we heed his call the result can be just as transformative and exciting as it was for the first disciples While there are no explicit occurrences of the term disciple outside the Gospels and Acts with only two further biblical references to followers of Jesus it is Peter Morden's conviction that we need the entire Bible if we are going to be whole life disciples He reflects on Scripture and asks How do we live as committed disciples of Jesus today He explores the foundations resources and practice of discipleship in a range of Old and New Testament texts The result is a well rounded and satisfying picture of Christian discipleship one that is wonderfully attractive as well as deeply challenging With a fully integrated study guide suitable for both individuals and groups *The Message of Discipleship* will help you to see how the Bible's unified teaching on this vital theme can impact your life today The Bible Speaks Today series covers every book of the Old and New Testaments as well as Bible themes that run through the whole of Scripture

Introducing Paul Michael F. Bird, 2014-06-18 Michael F Bird suggests that if the Paul we claim to know looks and sounds a lot like us it's probably a sign that we don't know him as well as we think In this book Bird offers an animated and penetrating survey of Paul's life and teaching including the principal issues and themes in Paul's theology

Jesus, Judaism, and Christian Anti-Judaism Paula Fredriksen, Adele Reinhartz, 2002-01-01 Current scholarship in the study of ancient Christianity is now available to nonspecialists through this collection of essays on anti Judaism in the New Testament and in New Testament interpretation While academic writing can be obscure and popular writing can be uncritical this group of experts has striven to write as simply and clearly as possible on topics that have been hotly contested The essays are arranged around the

historical figures and canonical texts that matter most to Christian communities and whose interpretation has fed the negative characterizations of Jews and Judaism A select annotated bibliography also gives suggestions for further reading This book should be an excellent resource for academic courses as well as adult study groups **Light on the Epistles** John L. McKenzie, 2009-01-01 The Epistles for all their disarming simplicity do not make easy reading even in crisp modern translations they pose a problem for the ordinary reader no matter how interested and concerned The exciting findings of modern biblical research compound the problem Scholars know more with each passing year and the knowledge gap grows wider This unique reader's guide is ideally suited to close that gap between the contemporary Christian and the Epistles Written by the most distinguished Catholic scripture scholar of his day and designed to be read in conjunction with the New Testament it provides lucid and expert commentary and explanation With a guide like John L McKenzie and the option of setting your own pace the difficult suddenly becomes not only possible but pleasurable **Constructing Paul** Luke Timothy Johnson, 2020-03-05 First of a two volume work providing a framework for understanding the life and thought of the apostle Paul In this methodological tour de force Luke Timothy Johnson offers an articulate clear and thought provoking portrait of the life and thought of the apostle Paul Drawing upon recent developments in the study of Paul Johnson offers readers an invitation to the Apostle Paul Rather than focusing on a few of Paul's letters Johnson lays out the materials necessary to envision the apostle from the thirteen canonical letters of Paul and the Acts of the Apostles Constructing Paul thus provides a framework within which an engagement with Paul's letters can take place Johnson demonstrates the possibility of doing responsible and creative work across the canonical collection without sacrificing literary or historical integrity By bringing out the facets of the apostle from the canonical evidence Johnson shows the possibilities for further and better inquiry into the life and thought of Paul This first volume imagines a plausible biography for Paul and serves as an introduction to the studies in the second volume Constructing Paul addresses all the pertinent questions related to the study of Paul Johnson uses the canonical material as building blocks to make a case for why Paul ought to be heard today as a liberating rather than oppressing voice
