*Political Uses of the Past* Jacques Revel, Giovanni Levi, 2002 A group of leading historians and thinkers discuss questions of collective identity and representation in relation to the fluctuating concept of past and its changing relevance Political Uses of the Past Giovanni Levi, Jacques Revel, 2014-04-08 This work addresses political and historiographical uses of history A group of leading historians and thinkers discuss questions of collective identity and representation in relation to the fluctuating concept of Past and its changing relevance Among the topics are Greek historiographical questions Balkan history the Armenian problem and the Palestine historical narrative A Reader in Themed and Immersive Spaces Scott A.

Lukas, 2016 Themed spaces have at their foundation an overarching narrative symbolic complex or story that drives the overall context of their spaces Theming in some very unique ways has expanded beyond previous stereotypes and oversimplifications of culture and place to now consider new and often controversial topics themes and storylines Publisher's website

**Armenia, the Regional Powers, and the West** A. Mirzoyan, 2010-04-12 This work represents the first systematic study of Armenia's foreign policy during the post independence period between 1991 and 2005 It explores four sets of relationships with Armenia's major historical partners Russia Iran Turkey and the West Europe and the United States

*Catholicism and Nationalism* Madalena Meyer Resende, 2014-10-03 This book addresses the adaptation of nationalism to the sharing of sovereignty with other nations in supranational arrangements beyond the state or with nations and nationalities within the state It compares two cases Poland and Spain where the outcome of this processes of transformation differed whereas in Spain a unified right wing partially reconciled Spain with the Catalan Basque and Galician nationalisms in Poland the right wing was structured around two opposed conceptions of Polish nationalism and their relation to other nations The book relates the transformation of nationalism in Poland and Spain where the national and religious identity was closely interconnected with the interaction between the Catholic Church and the political regimes in the second part of the 20th century Catholicism and Nationalism argues that the decision of the Polish hierarchy to mobilize National Catholicism as a political identity in the early years of democracy had a lasting impact on the shape of the right wing and ultimately also on the consolidation of an introverted nationalism skeptical of European integration **Stirring the Greek**

**Nation** Ioannis Stefanidis, 2016-12-05 This work examines the background to Greek nationalist politics and its effects on public opinion towards international events and territorial claims from the end of the Second World War to the collapse of constitutional rule in 1967 It explains how intermittent public mobilisation on various foreign policy issues created a political culture that combined elements of nationalism religion race and stereotypes about the national Self and the Other The book challenges widely held assumptions that Greek irredentism was all but dead and buried in the aftermath of the Asia Minor catastrophe of 1922 and that anti Americanism was the product of US support for the Colonels regime of 1967-74 and its condoning of the Turkish occupation of northern Cyprus It begins with an examination of the revival of irredentism in

connection with Greek national claims after 1945 and the two campaigns for the union of Cyprus with Greece during the 1950s and 1960s The second part of the study reveals anti Americanism to be largely the result of failed post war Greek territorial ambitions particularly the frustration of the Enosis claim rather than the actual intervention of the United States in Greek affairs Drawing on a huge variety of sources including the Greek press records of the Greek Parliament the US and British National Archives as well the archives of numerous individuals this book provides a fascinating account of Greek political culture and national self image at a crucial time in the country s political development Ours Once More Michael Herzfeld,2020-06-16 When this work one that contributes to both the history and anthropology fields first appeared in 1982 it was hailed as a landmark study of the role of folklore in nation building It has since been highly influential in reshaping the analysis of Greek and European cultural dynamics In this expanded edition a new introduction by the author and an epilogue by Sharon Macdonald document its importance for the emergence of serious anthropological interest in European culture and society and for current debates about Greece s often contested place in the complex politics of the European Union

*The Political Anatomy of Domination* Béatrice Hibou,2017-03-22 Rereading Marx Weber Gramsci and more recently Foucault B atrice Hibou tackles one of the core questions of political and social theory state domination Combining comparative analyses of everyday life and economics she highlights the arrangements understandings and practices that make domination conceivable bearable even acceptable or reassuring To carry out this demonstration Hibou examines authoritarian situations especially comparing the paradigmatic European cases of fascism Nazism and Soviet socialism and those of contemporary China or North and Sub Saharan Africa **Antiquity and Enlightenment Culture** ,2020-03-31 This volume represents the first move towards a comprehensive overview of the place of antiquity in Enlightenment Europe Eschewing a narrow focus on any one theme it seeks to understand eighteenth century engagements with antiquity on their own terms focusing on the contexts questions and agendas that led people to turn to the ancient past The contributors show that a profound interest in antiquity permeated all spheres of intellectual and creative endeavour from antiquarianism to political discourse travel writing to portraiture theology to education They offer new perspectives on familiar figures such as Rousseau and Hume as well as insights into hitherto obscure antiquarians and scholars What emerges is a richer more textured understanding of the substantial eighteenth century engagement with antiquity *Iberian Worlds* Gary W. McDonogh,2009 A vivid reading of globalization through centuries of Iberian peoples places and encounters Cultural Encounters in Contemporary Spain Debra Faszler-McMahon,2010-07 Previous critical studies have focused on feminist approaches to Janes s oeuvre This study seeks to expand those discussions through an analysis of the aesthetics of cultural otherness rather than simply gendered otherness within Janes s prolific literary production **Books on Turkey** ,2005

*Contesting History* Jeremy Black,2014-03-13 Contesting History is an authoritative guide to the positive and negative applications of the past in the public arena and what this signifies for the meaning of history more widely Using a global non

Western model Jeremy Black examines the employment of history by the state the media the national collective memory and others and considers its fundamental significance in how we understand the past Moving from public life pre 1400 to the struggle of ideologies in the 20th century and contemporary efforts to find meaning in historical narratives Jeremy Black incorporates a great deal of original material on governmental social and commercial influences on the public use of history This includes a host of in depth case studies from different periods of history around the world and coverage of public history in a wider range of media including TV and film Readers are guided through this material by an expansive introduction section headings chapter conclusions and a selected further reading list Written with eminent clarity and breadth of knowledge *Contesting History* is a key text for all students of public history and anyone keen to know more about the nature of history as a discipline and concept

**Sword of Luchana** Adrian Shubert,2021-08-13 The *Sword of Luchana* is the first full length biography of Baldomero Espartero the most important figure in Spain s modern history

**The Legacy of the Filibuster War** Marco Cabrera Geserick,2019-06-24 The *Legacy of the Filibuster War* National Identity and Collective Memory in Central America analyzes the development of the Filibuster War as a symbol of Costa Rican national identity and presents several challenges to traditional theories of modernization and the creation of nationalism By focusing on the development of cultural features defined by the transformation of collective memory Marco Cabrera Geserick argues that national identity is a dynamic process defined according to local national and international contexts Modernization theories connect the creation of symbols of official nationalism with the period of consolidation of the nation state yet the Filibuster War started its rise to Costa Rican national identity years later Cabrera Geserick analyzes the threats to sovereignty and imperialist advances that served to promote the memory of the Filibuster War while local social transformations such as the abolition of the army the rise of popular forces and internal political conflict have continued to force drastic changes on the interpretation of the war

**The Engaged Historian** Stefan Berger,2019-04-01 On the surface historical scholarship might seem thoroughly incompatible with political engagement the ideal historian many imagine is a disinterested observer focused exclusively on the past In truth however political action and historical research have been deeply intertwined for as long as the historical profession has existed In this insightful collection practicing historians analyze reflect on and share their experiences of this complex relationship From the influence of historical scholarship on world political leaders to the present day participation of researchers in post conflict societies and the Occupy movement these studies afford distinctive humane and stimulating views on historical practice and practitioners

**Storia della storiografia** ,2008

**Schooling in Modernity** Paola Bonifazio,2014-05-27 Between 1948 and the end of the 1950s Italian and American government agencies and corporations commissioned hundreds of short films for domestic and foreign consumption on topics such as the fight against unemployment the transformation of rural and urban spaces and the re establishment of democratic regimes in Italy and throughout Europe In *Schooling in Modernity* Paola Bonifazio investigates the ways in which these sponsored films

promoted a particular vision of modernization and industry and functioned as tools to govern the Italian people. The author uses extensive archival research and various theoretical approaches to examine the politics of sponsored filmmaking in postwar Italy. Among the many topics explored are target audiences and audience response, sources of funding, censorship, debates on cinematic realism, and the connections and differences between American and Italian strategies and styles of documentary filmmaking. *Insightful and richly detailed*, *Schooling in Modernity* shows the importance of these underappreciated films in the postwar modernization process, the transition from Fascism to democracy, and Italy's involvement in the Cold War.

*Theoretical Discussions of Biography* Hans Renders, Binne De Haan, 2014-04-17

*Theoretical Discussions of Biography: Approaches from History, Microhistory, and Life Writing* offers comprehensive overviews by 14 academic scholars of the actual state of the field of Biography Studies. In the volume edited by biography scholars Hans Renders and Binne de Haan, specifically the connections between biography and the fields of microhistory, journalism, and Life Writing illuminate key challenges and problems in studying individual lives. Different perspectives are provided on the ways in which biography contributes to scholarship in the humanities in general and academic historiography in particular. The contributing authors are academic experts in these fields and include Richard D. Brown, Carlo Ginzburg, Nigel Hamilton, Marlene Kadar, Giovanni Levi, Sabina Loriga, Matti Peltonen, and James Walter.

*Transmediterranean* Joseph Pugliese, 2010

This book offers a unique mapping of Mediterranean cultures and histories in transnational contexts. A diverse collection of diasporic scholars stage a critical examination of transmediterranean subjects across a broad spectrum of geopolitical spaces that encompasses India, Greece, Palestine, Sudan, Australia, the Netherlands, Italy, and Libya. Focusing on the transnational dispersions and heterogeneous embodiments of Mediterranean cultures, this book examines how these cultures, geopolitical spaces, and subjects are caught within flows of exchange, contestation, and reconfiguration. Working in the interstices of global formations, the essays in this volume proceed to articulate transmediterranean affiliations that challenge the borders and limits of the nation state.
