Politics And Feminist Standpoint Theories:

Politics and Feminist Standpoint Theories Sally Jane Kenney, Helen Kinsella, 1997 Four scholars explore current debates surrounding the feminist standpoint theories as developed by Nancy Hartsock in her 1983 *Money Sex and Power Toward a Feminist Historical Materialism* Hartsock herself contributes an essay on standpoint theories for the next century Also published as *Woman and Politics* v 18 no 3 1997 Paper edition 0366 X 19 95 Annotation copyrighted by Book News Inc Portland OR [The Feminist Standpoint Theory Reader](#) Sandra G. Harding, 2004 First Published in 2004 Routledge is an imprint of Taylor Francis an informa company [Politics and Feminist Standpoint Theories](#) Sally Jane Kenney, Helen Kinsella, 1997 In 1983 Nancy Hartsock published her landmark work *Money Sex and Power Toward a Feminist Historical Materialism* which defined her powerful construction of the feminist standpoint Now 15 years later four scholars share with you their analyses in *Politics and Feminist Standpoint Theories* to build on Hartsock's pioneering venture and further examine the current debates surrounding feminist standpoint theories Through reading it you'll bypass scholarly misuse and mischaracterization of the feminist standpoint and join the scholars who since the early 1990s have been defending the standpoint's relevance and importance Addressing feminist issues involving epistemology identity and politics *Politics and Feminist Standpoint Theories* provides a comprehensive account of how feminist theorists have used and developed Hartsock's feminist standpoint Some of the theory you'll encounter includes the contributions of Dorothy Smith Patricia Hill Collins and Sandra Harding Specifically you'll explore such topics as new shifts in Nancy Hartsock's feminist standpoint epistemology standpoint theory's refutation of empiricist accounts of knowledge identity race class gender sex and nation as a political and interpretive category weaknesses in postmodern critiques of standpoint theory the standpoint's future Whether you're an advanced undergraduate or graduate student a researcher looking for a top of the line feminist theory reference or a women's studies faculty member wanting to augment your library *Politics and Feminist Standpoint Theories* expands upon and subjects to critical scrutiny the familiar categories of empiricist standpoint and postmodern as ways to group feminist theorists into epistemological categories **Philosophical Perspectives on Power and Domination**, 2021-09-20 The essays in this volume explore in detail many of the ways power structures our daily personal political and intellectual lives and evaluate the workings of power using a variety of theoretical paradigms from Hobbesian liberalism to Foucauldian feminist postmodernism Taken as a whole the book aims towards an end to unjust and destructive uses of power and the flowering of an encouraging educated empowerment for all human beings in a pluralistic world Section I offers a progressive chain of arguments that moves from the acceptance of domination through the rejection of domination and finally to a new vision of power based on equality and mutual respect Section II explores the questions how is the philosophical self that is our very understanding of who we are implicated in the web of power and domination Section III responds to political realism as it explores morally ideal solutions to the global problems of poverty war and hunger Section

IV discusses ways in which our thought and practice in both public and private life are bound up in hierarchies of domination

Nietzsche, Feminism and Political Theory Paul Patton, 2002-09-11 Are you visiting women Do not forget your whip Thus Spoke Zarathustra the democratic movement is a form assumed by man in decay Beyond Good and Evil Nietzsche's views on women and politics have long been the most embarrassing aspects of his thought Why then has the work of Nietzsche aroused so much interest in recent years from feminist theorists and political philosophers In answer this collection comprises twelve outstanding essays on Nietzsche's work to current debates in feminist and political theory It is the first to focus on the way in which Nietzsche has become an essential point of reference for postmodern ethical and political thought

The Feminist Standpoint Revisited, And Other Essays Nancy C.M. study Cornford offers in depth accounts of the radical collective work of these leading theatre companies of the mid twentieth century considering the models of ensemble theatre making that they developed and their remnants in the newly publicly funded UK theatre establishment of the 1960s In the process this book develops an approach to understanding the politics of artistic practices rooted in the work of John Dewey Antonio Gramsci and the standpoint feminists It concludes by considering the legacy of the studio movement for twenty first century theatre partly by tracking its echoes in the work of Secret Theatre at the Lyric Hammersmith 2013 2015 Students and makers of theatre alike will find in this book a provocative and illuminating analysis of the politics of performance making and a history of the theatre as a site for developing counterhegemonic radically democratic anti individualist forms of cultural production *Electoral Politics in Zimbabwe, Vol II* Esther Mavengano, Sophia Chirongoma, 2023-08-08 Volume two of Electoral Politics in Zimbabwe The 2023 Election and Beyond argues that research into Zimbabwe s politics is multifaceted and topical particularly because for more than two decades now this Southern African state has been dogged by multiple problems including hyperinflation drought escalating poverty levels extremely high unemployment rates and political instabilities The volume s overall goal is to ignite intellectual discussions and practical action towards turning the political wheels that have been in place for decades The first segment examines the interface between gender and electoral politics in Zimbabwe The second part discusses the role of the media in Zimbabwe s electoral politics The third section reflects on the role of traditional leaders and religious discourses in Zimbabwe s electoral politics The book will be a key resource to colleges universities and organisations in Zimbabwe the Southern Africa region and even beyond Materialist Feminism and the Politics of Discourse Rosemary Hennessy, 2012-10-11 Materialist Feminism and the Politics of Discourse confronts the impasses in materialist feminist work on rethinking woman as a discursively constructed subject The book looks at the problem of examining critically the social dimensions on which theories of discourse are premised how such theories understand materiality the relation between women s experience and feminist politics and that between history and discourse Rosemary Hennessy considers the work of Kristeva Foucault Laclau and Mouffe and argues for a materialist feminist re articulation of discourse as ideology Concerns over identity and difference are incorporated into a rewriting of materialist feminism s analysis of women s oppression across capitalist and patriarchal structures In adapting postmodernist theories in this way Hennessy develops a project of social change where feminism while maintaining its specificity is necessarily aligned with other emancipatory movements Masculinities in Politics Elektra Paschali, 2014 This study offers a critical analysis of the construction of masculine subjectivities within political youth organizations in contemporary Greece The analysis reveals the interrelations between socio political structures the political culture and masculinities along with a focus on power dynamics that form gender and gender relations within political organizations The theoretical analysis brings together the topics of gender sexuality violence and power The empirical section of the book offers a detailed analysis of the specific situation of political youth organizations

in contemporary Greece Series Gender Diskussion Vol 21 **Beyond Boundaries?** Rudra Sil, Eileen M. Doherty, 2000-06-08 This book represents a critical yet constructive reappraisal of the role and the limits of the boundaries that define and separate disciplines and subfields in the social sciences as well as the boundaries that divide distinct research traditions or paradigms in the analysis of international life It provides an integrative and eclectic examination of the virtues of a more flexible division of labor a division that facilitates more meaningful communication among scholars of different methodological persuasions investigating similar problems in international life Part One addresses concrete issues in international studies ranging from international bargaining and interdependence to conceptions of collective identity The essays therein serve as creative models for integrating concepts and analytic logics from different theoretical frameworks rooted in different disciplines Part Two shifts the focus to more wide ranging questions in the philosophy of the social sciences and the organization of social science research in order to shed new light on the value and validity of boundaries currently drawn between different schools sects disciplines and subfields Contributors include Tadashi Anno Jean Marc F Blanchard Anne L Clunan Eileen M Doherty Wade L Huntley Timothy W Luke Norrin M Ripsman and Rudra Sil *Telling Political Lives* Brenda DeVore Marshall, Molly A. Mayhead, 2008-01-01 Using a variety of critical methods the contributing authors of *Telling Political Lives* demonstrate the ways in which the autobiographies of U S women leaders provide arguments that both reveal and shape perceptions of politics empowerment and ideology in the United States **The Cambridge Companion to Feminism in Philosophy** Miranda Fricker, Jennifer Hornsby, 2000-01-27 The thirteen specially commissioned essays in this volume are written by philosophers at the forefront of feminist scholarship and are designed to provide an accessible and stimulating guide to a philosophical literature that has seen massive expansion in recent years Ranging from history of philosophy through metaphysics to philosophy of science they encompass all the core subject areas commonly taught in anglophone undergraduate and graduate philosophy courses offering both an overview of and a contribution to the relevant debates Together they testify to the intellectual value of feminism as a radicalizing energy internal to philosophical inquiry This volume will be essential reading for any student or teacher of philosophy who is curious about the place of feminism in their subject
