Justice and the Politics of Difference Iris Marion Young, 2002-04-26 In this classic work of feminist political thought Iris Marion Young challenges the prevailing reduction of social justice to distributive justice The starting point for her critique is the experience and concerns of the new social movements that were created by marginal and excluded groups including women African Americans and American Indians as well as gays and lesbians Young argues that by assuming a homogeneous public democratic theorists fail to consider institutional arrangements for including people not culturally identified with white European male norms Consequently theorists do not adequately address the problems of an inclusive participatory framework Basing her vision of the good society on the culturally plural networks of contemporary urban life Young makes the case that normative theory and public policy should undermine group based oppression by affirming rather than suppressing social group differences Provided by publisher

Justice and the Politics of Difference Iris Marion Young, 2011-08-22 In this classic work of feminist political thought Iris Marion Young challenges the prevailing reduction of social justice to distributive justice It critically analyzes basic concepts underlying most theories of justice including impartiality formal equality and the unitary moral subjectivity The starting point for her critique is the experience and concerns of the new social movements about decision making cultural expression and division of labor that were created by marginal and excluded groups including women African Americans and American Indians as well as gays and lesbians Iris Young defines concepts of domination and oppression to cover issues eluding the distributive model Democratic theorists according to Young do not adequately address the problem of an inclusive participatory framework By assuming a homogeneous public they fail to consider institutional arrangements for including people not culturally identified with white European male norms of reason and respectability Young urges that normative theory and public policy should undermine group based oppression by affirming rather than suppressing social group difference Basing her vision of the good society on the differentiated culturally plural network of contemporary urban life she argues for a principle of group representation in democratic publics and for group differentiated policies Danielle Allen s new foreword contextualizes Young s work and explains how debates surrounding social justice have changed since and been transformed by the original publication of Justice and the Politics of Difference

Writing the Politics of Difference Hugh J. Silverman, 1991-01-01 This book addresses various phases of continental philosophy both in the context of its multiple traditions and in relation to the alternatives that mark the understanding of its present and future Divided into two parts the authors first focus on the diversity of traditions in continental philosophy in connection with the texts of Hegel Marx Kierkegaard Sartre and De Beauvoir Second they explore the reality of social political sexual and philosophical differences in connection with the writings of Merleau Ponty Arendt Habermas Heidegger Foucault Irigaray Kristeva Derrida and Vattimo They also stress the various theoretical foundations that manifest these differences Issues surrounding the role of philosophical systems language

ethical choice relations with others the gendered body socialization and the status of philosophy today constitute the fabric of this book The authors place these ideas in the context of current thought and current debates in continental philosophy and evaluate their significance for the future **Politics of Difference in Taiwan** T.W. Ngo,Hong-zen Wang,2011-05-10

Offering systematic coverage of major social groups including ethnic minorities recent migrants gay and lesbian groups religious sects and marginalized workers this is the first study to investigate the multiple facets of social domination in Taiwan and the ongoing struggles by minority groups to overcome subordination *Politics of Difference* Hartmut Behr,2014-04-29 This book develops a notion of differences and otherness beyond hegemonic and hierarchical thinking as represented by the legacies of Western philosophical and political thought In doing so it relates to the phenomenological discourse of the twentieth century especially to Georg Simmel Alfred Sch tz Emmanuel Levinas and Jacques Derrida and drafts our understanding of difference as a genuine human experience of a social and political world that is in motion and transformative rather than static and predictable On this basis of temporalized ontology and its normative consequences differences are drafted as a positive social and political force and as powerful capacities of transformation and change In practical terms this understanding is most important for our theorizing and acting upon peace peace building and conflict solution Differences now appear not as obstacle to peace and reconciliation but as lively and constructive articulations of otherness and as a positive power of transformation emancipation and change This book will be of interest to students of international relations philosophy and political theory Working Alliances and the Politics of Difference Janet R.

Jakobsen,1998 Maintaining that the key to building alliances is to learn to work with diversity rather than contain it Jakobson women s studies and religious studies U of Arizona proposes that ethical theory has had limited success in leading to alliances because it has ignored the role of complexity in liberal political and economic discourses of pluralism and free markets and in counter public discourses and movements situated around identity politics or a politics of difference

Rehberg,Ashley Woodward,2022-10-24 The question of Nietzsche s use of political theory has a long and vexed history The

contributors of this book re situate debates around the notion of difference in relation to historical and scholarly concerns but with a view to the current political context Given that today we are faced with a host of political challenges of domination and resistance the question raised in this volume is how Nietzsche helps us to think through and to address some of the problems The authors also discuss how his writings complicate our desire for swift solutions to seemingly intractable problems how to resist slavishness in thought and action how to maintain hard won civil liberties and rights in the face of encroaching hegemonic discourses practices and forces or how to counteract global environmental degradation in short how to oppose totalitarian movements of homogenization universalization equalization and instead to affirm both politically and ontologically a culture of difference

Paul and the Politics of Difference Jae Won Lee,2015-02-26 Paul lies at the core of the constant debate about the opposition between Christianity and Judaism both in biblical interpretation and public discourse The so called new perspective on Paul has not offered a significant break from the formidable paradigm of Christian universalism versus Jewish particularism in Pauline scholarship This book liberates Paul from the Western logic of identity and its dominant understanding of difference Drawing attention to the currency of discourses on difference in contemporary theories as well as in biblical studies the author critically examines the hermeneutical relevance of a contextual and relational understanding of difference He applies it to interpret the dynamics of Jew Gentile difference reflected particularly in meal practices Gal 2 1 21 and Rom 14 1 15 13 of early Christian communities Paul and the Politics of Difference argues that by deconstructing the hierarchy of social relations underlying the Jew Gentile difference in different community situations Paul promotes a politics of difference This affirms a preferential option for the socially weak solidarity with the weak Paul s politics of difference is invoked as the potential for liberation in a vision of egalitarian justice in the face of contemporary globalism s proliferation of difference

Education and the Politics of Difference Ratna Ghosh, Ali A. Abdi, 2013 Despite decades of multicultural education policies cultural minorities and the peoples of the First Nations continue to be marginalized in Canadian schools In Education and the Politics of Difference authors Ratna Ghosh and Ali A. Abdi expose the problematic constructions of difference in schooling contexts where differences are either treated as surface issues that do not affect the lives of learners or superficially celebrated in terms that do not question power relations in schools and society This revised and expanded second edition engages the broad theories of multicultural and inclusive education and provides case studies of Canadian multicultural education policies such as the unique situation of Aboriginal education With this discussion of how differences of race class gender sexuality and other differences are viewed particularly in a post 9 11 world this book extends the possibilities of a more open minded global understanding and appreciation of difference The book closes with a discussion of the future of multicultural and inclusive education envisioning a school system where difference is normalized and seen as a fundamental human trait essential for social and human well being

Multicultural Education, Critical Pedagogy, and the Politics of Difference Christine E. Sleeter, Peter L. McLaren, 1995-08-03 This book explores and expands upon linkages between multicultural education and critical pedagogy drawing on the shared goal of challenging oppressive social relationships The Politics of Difference Edwin Norman Wilmsen, P. A. McAllister, 1996-08 According to most social scientists the advent of a global media village and the rise of liberal democratic government would diminish ethnic and national identity as a source of political action Yet the contemporary world is in the midst of an explosion of identity politics and often violent ethnonationalism This volume examines cases ranging from the well publicized ethnonationalism of Bosnia and post Apartheid South Africa to ethnic conflicts in Belgium and Sri Lanka Distinguished international scholars including John Comaroff Stanley J Tambiah and Ernesto Laclau argue that continued acceptance of imposed ethnic terms as the most appropriate vehicle for collective self identification and social action legitimizes the conditions of inequality that give rise to them in the first place This ambitious attempt to explain the inadequacies of current approaches to power and ethnicity forges more realistic alternatives to the

volatile realities of social difference Iris Marion Young Michaela Ferguson, Andrew Valls, 2021-11-18 Iris Marion Young 1949 2006 was one of the most influential and innovative political theorists of her generation who had a significant impact on a wide range of topics such as democratic theory feminist theory and justice She bridged many longstanding divides among political theorists engaging in Continental and critical theory but also insisting on the importance of normative argument her corpus stands as a testament to the fruitfulness of engaging in both abstract theory and the real world of everyday politics This volume spans the several decades of her work illustrating her intellectual development over time through three major areas of innovation Gender Maintaining that gender is both conceptually and politically meaningful Young theorized gender in terms of structures that in combination position different people we call women in different ways such that some women have some structures in common without all women sharing all gendered structures in common Justice Young's early writings on a critical theory of justice evolved in her later and posthumously published works where she developed an account of justice that brought together her theorization of structure with her concern to respond to contemporary claims of injustice The Politics of Difference Young rejected universal and abstract theories of justice and maintained that justice instead required attending to the experiences of people marked by difference This volume will prove useful to scholars and students working in the fields of critical and political theory feminist theory international law and public diplomacy
