## **Politics Of San Antonio Community Progr:**

Cities and the Politics of Difference Michael Burayidi, 2015-11-26 Demographic change and a growing sensitivity to the diversity of urban communities have increasingly led planners to recognize the necessity of planning for diversity Edited by Michael A Burayidi *Cities and the Politics of Difference* offers a guide for making diversity a cornerstone of planning practice The essays in this collection cover the practical and theoretical issues that surround this transformation discussing ways of planning for inclusive and multicultural cities enhancing the cultural competence of planners and expanding the boundaries of planning for multiculturalism to include dimensions of diversity other than ethnicity and religion including sexual and gender minorities and Indigenous communities The advice of the contributors on how planners should integrate considerations of diversity in all its forms and guises into practice and theory will be valuable to scholars and practitioners at all levels of government

*Public Policy and Community* Robert H. Wilson, 2010-07-22 The decentralization of public policy from the federal government to state and local governments offers increased opportunities for ordinary citizens to participate directly in public policymaking Yet these opportunities may not be equally shared Due to a variety of factors low income citizens have long been denied a meaningful role in the public life and governance of our country By contrast the essays in this volume explore how low income citizens have successfully affected public policy The book is built around six case studies all from Texas that cover education finance and reform local infrastructure provision environmental protection and indigent health care This research illuminates several issues of national importance including how communities gain standing and recognition for themselves and their issues how policy agendas are defined how communities mobilize technical and institutional resources and how they form coalitions and alliances to accomplish their goals

**Community Connections**, 1995

**Urban Problems and Community Development** Ronald F. Ferguson, William T. Dickens, 2011-01-01 In recent years concerned governments businesses and civic groups have launched ambitious programs of community development designed to halt and even reverse decades of urban decline But while massive amounts of effort and money are being dedicated to improving the inner cities two important questions have gone unanswered Can community development actually help solve long standing urban problems And based on social science analyses what kinds of initiatives can make a difference This book surveys what we currently know and what we need to know about community development s past current and potential contributions The authors economists sociologists political scientists and a historian define community development broadly to include all capacity building including social intellectual physical financial and political assets aimed at improving the quality of life in low to moderate income neighborhoods The book addresses the history of urban development strategies the politics of resource allocation business and workforce development housing community development corporations informal social organizations schooling and public security

**Chicano Politics and Society in the Late Twentieth Century** David Montejano, 2010-05-28 The various protest movements that together constituted the Chicano Movement of

the 1960s and 1970s urged a politics of inclusion to bring Mexican Americans into the mainstream of United States political and social life This volume of ten specially commissioned essays assesses the post movement years asking what went wrong what went right and where are we now Collectively the essays offer a wide ranging portrayal of the complex situation of Mexican Americans as the twenty first century begins The essays are grouped into community institutional and general studies with an introduction by editor Montejano Geographically they point to the importance of Hispanic politics in the Southwest as well as in Chicago wards and in the U S Congress with ramifications in Mexico and Central America Thematically they discuss non traditional politics stemming from gender identity environmental issues theatre production labor organizing university policymaking along with the more traditional politics revolving around state and city government the Congressional Hispanic Caucus and various advocacy organizations

**Rethinking the Chicano Movement** Marc Simon Rodriguez,2014-11-13 In the 1960s and 1970s an energetic new social movement emerged among Mexican Americans Fighting for civil rights and celebrating a distinct ethnic identity the Chicano Movement had a lasting impact on the United States from desegregation to bilingual education Rethinking the Chicano Movement provides an astute and accessible introduction to this vital grassroots movement Bringing together different fields of research this comprehensive yet concise narrative considers the Chicano Movement as a national not just regional phenomenon and places it alongside the other important social movements of the era Rodriguez details the many different facets of the Chicano movement including college campuses third party politics media and art and traces the development and impact of one of the most important post WWII social movements in the United States

**Latinos in the American Political System** Jessica L. Lavariega Monforti,2019-03-14 This encyclopedia provides a comprehensive overview of the evolution of Hispanic Americans engaged in U S politics from increased visibility as governors and other lawmakers at the local state and federal levels to their growing importance as a voting constituency This encyclopedia comprehensively surveys the evolution of Latino o engagement in US politics as voters candidates lawmakers and public officials It is an authoritative resource for public library patrons high school students and undergraduates in a variety of curricular studies including political science civics American history and Latino studies The set s A Z entries were carefully selected and crafted to ensure thorough coverage of all of the individuals organizations cultural forces political issues and legal decisions that have combined to elevate the role of Latinos at the polls on the campaign trail in Washington and in mayors offices city councils school boards and statehouses all across the country In depth essays on the rising prominence of Latino Americans as voters candidates public officials lawmakers and opinion leaders will provide further context for understanding their impact on modern U S political processes and institutions from the perspective of liberals and conservatives alike
