

Shakespeare's POLITICS

A Contextual Introduction

ROBIN HEADLAM WELLS

Politics Of Shakespeare

Kristin M.S. Bezio, Anthony P. Russell

Politics Of Shakespeare:

Perspectives on Politics in Shakespeare John A. Murley, Sean D. Sutton, 2006-08-11 Political science is becoming ever more reliant on abstract statistical models and almost divorced from human judgment hope and idealism William Shakespeare offers the political scientist an antidote to this methodological alienation this self imposed exile from the political concerns of citizens and politicians Shakespeare the most quoted author in the English speaking world presents his characters as rulers citizens and statesmen of the most famous regimes governed by their respective laws and shaped by their respective political and social institutions The actions deliberations mistakes and successes of his characters reveal the limitations and strengths of their regimes whether they be Athens Rome or England The contributors to this volume esteemed scholars of political science show us that Shakespeare s poetic imagination displays the very essence of politics and inspires valuable reflection on the fundamental questions of statesmanship and political leadership Perspectives on Shakespeare s Politics explores such themes as classical republicanism and liberty the rule of law and morality the nature and limits of statesmanship and the character of democracy *Power on Display* Leonard Tennenhouse, 2013-04-15 First published in 1986 Impressively open to the complexity of cultural discourses to the ways in which one discursive form may function as a screen for another above all to the political entailment of genre Stephen Greenblatt What is the relation between literary and political power How do the symbolic dimensions of social practice and the social dimensions of artistic practice relate to one another *Power on Display* considers Shakespeare s progression from romantic comedies and history plays to tragedy and romance in the light of the general process of cultural change in the period *Shakespeare's Politics* Allan Bloom, Harry V. Jaffa, 1964 Taking the classical view that the political shapes man s consciousness Allan Bloom considers Shakespeare as a profoundly political Renaissance dramatist He aims to recover Shakespeare s ideas and beliefs and to make his work once again a recognized source for the serious study of moral and political problems In essays looking at Julius Caesar Othello and The Merchant of Venice Bloom shows how Shakespeare presents a picture of man that does not assume privileged access for only literary criticism With this claim he argues that political philosophy offers a comprehensive framework within which the problems of the Shakespearean heroes can be viewed In short he argues that Shakespeare was an eminently political author Also included is an essay by Harry V Jaffa on the limits of politics in King Lear A very good book indeed one which can be recommended to all who are interested in Shakespeare G P V Akrigg This series of essays reminded me of the scope and depth of Shakespeare s original vision One is left with the impression that Shakespeare really had figured out the answers to some important questions many of us no longer even know to ask Peter A Thiel CEO PayPal Wall Street Journal Allan Bloom was the John U Nef Distinguished Service Professor on the Committee on Social Thought and the co director of the John M Olin Center for Inquiry into the Theory and Practice of Democracy at the University of Chicago Harry V Jaffa is professor emeritus at Claremont McKenna College and Claremont Graduate School Shakespeare and

Politics Bruce E. Altschuler, Michael A. Genovese, 2015-11-17 William Shakespeare more than any other author was able to capture the essence of human nature in all its manifestations His political plays offer enduring insights into our humanity our vanity our noble and baser drives what makes us great and what makes us loathsome He tells us about ourselves and about our world This volume gleans valuable lessons from the writings of William Shakespeare and applies them to contemporary politics Original chapters covering over a dozen different plays take up perennial political themes including power and leadership corruption and virtue war and peace evil and liberty persuasion and polarization and empire and global overreach

Features of the text Shakespeare and Politics Catherine M. S. Alexander, 2004-09-02 This important collection of essays from Shakespeare Survey the first published in 1975 shows a full range of writing on Shakespeare and politics with shifts of focus as diverse as biography text and contexts language and film and from perspectives that are literary historical religious theoretical and cultural A new introductory article by John J. Joughin provides a commentary on the essays relates them to other work in the field and gives an overview of the subject The comprehensive collection is a stimulating and provocative introduction to a subject that is complex but never dull Shakespeare's Politics Allan David Bloom, 1981 *Shakespeare and European Politics* Dirk Delabastita, Jozef de Vos, Paul Franssen, 2008 This volume's main focus is on the ways in which over the past 400 years Shakespeare has played a role of significance within a European framework particularly where a series of political events and ideologically based developments were concerned such as the early modern wars of religion the emergence of the nation during the late eighteenth and nineteenth centuries the First and Second World Wars the process of European unification during the 1990s the attack on the World Trade Center in New York and Britain's participation in the war in Iraq The whole of the collection and particularly the opening section clearly invites a European and even a global perspective This book convincingly demonstrates that Shakespeare both at the level of his meaning in his own time and at that of his reception in later ages should no longer be studied only in relation to particular nations but as Dirk Delabastita argues also at various supranational levels Book Jacket **Perspectives on Politics in Shakespeare** John A. Murley, Sean D. Sutton, 2006-08-11 Political science is becoming ever more reliant on abstract statistical models and almost divorced from human judgment hope and idealism William Shakespeare offers the political scientist an antidote to this methodological alienation this self-imposed exile from the political concerns of citizens and politicians Shakespeare the most quoted author in the English speaking world presents his characters as rulers citizens and statesmen of the most famous regimes governed by their respective laws and shaped by their respective political and social institutions The actions deliberations mistakes and successes of his characters reveal the limitations and strengths of their regimes whether they be Athens Rome or England The contributors to this volume esteemed scholars of political science show us that Shakespeare's poetic imagination displays the very essence of politics and inspires valuable reflection on the fundamental questions of statesmanship and political leadership Perspectives on Shakespeare's Politics explores such themes as classical republicanism and liberty the

rule of law and morality the nature and limits of statesmanship and the character of democracy **How Shakespeare Put Politics on the Stage** Peter Lake, 2016-01-01 The politics of virtue Honour and its enemies women on top again Anti popery Divided we fall the politics of faction in time of war CHAPTER 6 Richard III political ends providential means The making of a Machiavel Monstrous bodies and providential signs Signs and prophecies The audience as high all seer Ambiguities of evil counsel From providence to predestination the return of legitimacy Richard III as a guide to the past present and future CHAPTER 7 Going Roman Richard III and Titus Andronicus compared Shakespeare and Renaissance Politics Andrew Hadfield, 2014-03-20 Shakespeare like many of his contemporaries was concerned with the question of the succession and the legitimacy of the monarch From the early plays through the histories to Hamlet Shakespeare's work is haunted by the problem of political legitimacy **Shakespeare and the Political** Rita Banerjee, Yilin Chen, 2024-05-10 Shakespeare and the Political Elizabethan Politics and Asian Exigencies is a collection of essays which show how selected Shakespearean plays and later adaptations engage with the political situations of the Elizabethan period as well as contemporary Asian societies The various interpretations of the original plays focus on the institutions of family and honour patriarchy kingship and dynasty and the emergent ideologies of the nation and cosmopolitanism adopting a variety of approaches like historicism presentism psychoanalysis feminism and close reading The volume also looks at Shakespearean adaptations in Asia Taiwanese Japanese Chinese and Indian Using Douglas Lanier's concept of the rhizomatic approach it seeks to examine how Asian Shakespearean adaptations films and stage performances appropriate and reproduce originals often unfaithfully in different social and temporal contexts to produce independent works of art *The Politics of Shakespeare* D. Cohen, 2015-12-23 This book is an attempt to explore Shakespearean drama from the vantage point of the oppressed invisible and silent individuals and collectivities constructed in the plays It examines the ideological apparatuses which produce and naturalise oppression and the political structures through which that oppression is sustained Derek Cohen is concerned to demonstrate the many ways in which political and personal life always interdependent intersect contradict and disrupt one another often in the interests of and to the advantage of the dominant social ideology **Shakespeare's Politics** Robin Headlam Wells, 2009-03-06 An introduction to the political and historical context to Shakespeare's tragedy and history plays written in an accessible jargon free style *The Routledge Companion to Shakespeare and Politics* Chris Fitter, 2025-10-31 The Routledge Companion to Shakespeare and Politics challenges and transforms our understanding of the politics of Shakespeare's plays Through up to date essays by historians biographers and Shakespeare critics this Companion offers first a systematic examination of dominant institutions and emergent thought in Shakespeare's society then meditation on Shakespeare's representation of these Contributors consider the common law and the legally embattled royal prerogative the functioning of the justice system the impact of angry Tudor reformers early capitalism war libels rebellion populism religion and cosmological ferment as well as the class system Machiavelli Montaigne and theatrical transgression Opening chapters

discuss the harsh politicisation of childhood Shakespeare the subversive practices built into grammar school education and the mythic retirement of Shakespeare to an idyllic Warwickshire Combining social panorama with sharp critical readings this synoptic approach allows identification of a political coherence to Shakespeare's drama identifying commonalities of vision frequently critical and dissident returning in different plays The final section looks at Shakespeare's reception within Marxism feminism racial theory LGBTQ thought and ecocriticism The collection recovers a lost Shakespeare of substantial political disaffection in very dark times offering a challenging political redirection of Shakespeare studies and perhaps a Shakespeare for our era As an authoritative state of the art guide to this resonant topic it will be of interest to anyone researching or studying Shakespeare

Rethinking Shakespeare's Political Philosophy Alex Schulman, 2014-07-21 What were Shakespeare's politics As this study demonstrates contained in Shakespeare's plays is an astonishingly powerful reckoning with the tradition of Western political thought one whose depth and scope places Shakespeare alongside Plato Aristotle Machiavelli Hobbes and others This book is the first attempt by a political theorist to read Shakespeare within the trajectory of political thought as one of the authors of modernity From Shakespeare's interpretation of ancient and medieval politics to his wrestling with issues of legitimacy religious toleration family conflict and economic change Alex Schulman shows how Shakespeare produces a fascinating map of modern politics at its crisis filled birth As a result there are brand new readings of Troilus and Cressida Coriolanus Julius Caesar Antony and Cleopatra King Lear Richard II and Henry IV parts I and II The Merchant of Venice and Measure for Measure

Shakespeare and the Politics of Commoners Chris Fitter, 2017-07-18 Shakespeare and the Politics of Commoners is a highly original contribution to our understanding of Shakespeare's plays It breaks important new ground in introducing readers lay and scholarly alike to the existence and character of the political culture of the mass of ordinary commoners in Shakespeare's England as revealed by the recent findings of the new social history The volume thereby helps to challenge the traditional myths of a non political commons and a culture of obedience It also brings together leading Shakespeareans who digest recent social history with eminent early modern social historians who turn their focus on Shakespeare This genuinely cross disciplinary approach generates fresh readings of over ten of Shakespeare's plays and locates the impress on Shakespearean drama of popular political thought and pressure in this period of perceived crisis The volume is unique in engaging and digesting the dramatic importance of the discoveries of the new social history thereby resituating and revaluing Shakespeare within the social depth of politics

Shakespeare and the Poetics and Politics of Relevance Dymphna Callaghan, Sophie Chiari, 2024-11-09 Four years on from George Floyd's murder this volume asks if and how Shakespeare might be relevant whether in performance in the classroom or in scholarship to the pressing issues of social and climate justice This question however is accompanied by the acute and uncomfortable recognition that there have been other consequences to the awakening of the world since Floyd's death including the call to cancel Shakespeare altogether This volume however is not an apology for Shakespeare but rather

an engagement with him From the perspective of the scholars who contribute here questions about Shakespeare in our current context are not only deeply enmeshed with issues about his historical geographical and performance context and its attendant alterity but crucially also to the specifically literary forms and structures with which he worked Even as these essays resist the idea of a timeless universalist Shakespeare they insist upon the poetics the creative framework the specifically literary dimensions of the plays that cannot be reduced to any paraphrasable content These are precisely the features that facilitate and enable the relevance of Shakespeare s works even across the chasm of the centuries since he composed them **William Shakespeare and 21st-Century Culture, Politics, and Leadership** Kristin M.S.

Bezio,Anthony P. Russell,2021-04-30 William Shakespeare and 21st Century Culture Politics and Leadership examines problems challenges and crises in our contemporary world through the lens of William Shakespeare s plays one of the best known most admired and often controversial authors of the last half millennium **The Pragmatics of Early Modern**

Politics: Power and Kingship in Shakespeare's History Plays Urszula Kizelbach,2014-10-10 Early modern kings adopted a new style of government Realpolitik as spelled out in Machiavelli s writings Tudor monarchs well aware of their questionable right to the throne posed as great dissimulators similarly to the modern prince who must learn from the fox and the lion This book paints a portrait of a successful politician according to early modern standards Kingship is no longer understood as a divinely ordained institution but is defined as goal oriented policy making relying on conscious acting and the theatrical display of power The volume offers an intriguing discussion on kingship in pragmatic terms as the strategic face saving behaviour of Shakespeare s kings It also demonstrates how an efficient or inefficient management of the king s political face could decide his success or failure as a monarch and how the Renaissance world of Shakespeare s history plays is combined with modern theories of communication politeness and face Many studies in historical pragmatics or historical stylistics purport to expose language use in social context but they fall short when measured against this study The author approaches Shakespeare with concepts from literary studies and linguistic pragmatics and weaves them together seamlessly with social history The result is a treasure trove of insights Jonathan Culpeper Lancaster University Exploring Machiavellian politics from the perspective of linguistic pragmatics and sociological role theory Urszula Kizelbach s study sheds interesting new light on Shakespeare s stage kings Her discussion of the strategic uses of polite speech is a particularly welcome addition to our thinking about Shakespeare s English history plays A promising new voice in European Shakespeare studies Andreas H fele Munich University *Politics and Romance in Shakespeare's Four Great Tragedies* Kenneth

Usongo,2017-05-11 This study of the political and romantic impulses of Shakespeare s tragic characters including Macbeth King Lear Hamlet Othello and Iago among others discusses the overblown ambition of these characters as they embrace cunning and evil in order to acquire power and romance The excessive ambition shown by these characters fuels action in the plays and significantly contributes to their downfall In other words the book interrogates in a pluralist critical frame the

forces behind the quest for power and romance by Shakespeare's protagonists and explores how these forces propel the

This Captivating World of E-book Books: A Comprehensive Guide Unveiling the Benefits of E-book Books: A World of Convenience and Flexibility Kindle books, with their inherent portability and simplicity of availability, have liberated readers from the limitations of hardcopy books. Politics Of Shakespeare Introduction

In today's digital age, the availability of Politics Of Shakespeare books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Politics Of Shakespeare books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Politics Of Shakespeare books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for

educational or professional purposes. By accessing Politics Of Shakespeare versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Politics Of Shakespeare books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Politics Of Shakespeare books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Politics Of Shakespeare books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Politics Of Shakespeare books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Politics Of Shakespeare books and manuals for download and embark on your journey of knowledge?
