Politics Of War Memory And Commemorations:

The Politics of War Memory and Commemoration T. G. Ashplant, Graham Dawson, Michael Roper, 2000 War memory and commemoration have had increasingly high profiles in public and academic debates in recent years This volume examines some of the social changes which have led to this development among them the passing of the two World Wars from survivor into cultural memory Focusing on the politics of war memory and commemoration the book illuminates the struggle to install particular memories at the centre of a cultural world and offers an extensive argument about how the politics of commemoration practices should be understood **The Politics of War Memory and Commemoration** T.G.

Ashplant, Graham Dawson, Michael Roper, 2013-01-11 International in scope presents a range of case studies from a diverse range of national contexts War memory and commemoration has had an increasingly high profile in public and academic debates in recent years *Commemorating War* Graham Dawson, T. G. Ashplant, Michael Roper, 2000 War memory and commemoration have had increasingly high profiles in public and academic debates in recent years This volume examines some of the social changes that have led to this development among them the passing of the two world wars from survivor into cultural memory Focusing on the politics of war memory and commemoration the book illuminates the struggle to install particular memories at the center of a cultural world and offers an extensive argument about how the politics of commemoration practices should be understood *Commemorating War* analyzes a range of forms of remembrance from public commemorations orchestrated by nation states to personal testimonies of war survivors and from cultural memories of war represented in films plays and novels to investigations of wartime atrocities in courts of human rights It presents a wide range of international case studies encompassing lesser known national histories and wars beyond the well trodden terrain of Vietnam and the two world wars in Europe Emerging from this book is an important critique of both state centered approaches to war memory and those that regard commemoration primarily as a human response to loss and grief Offering a wealth of empirical research material this book will be important for cultural and oral historians sociologists researchers in international relations and human rights and anybody with an interest in the cultural construction of memory in contemporary society Provided by publisher *Commemorating War* Graham Dawson, 2017-07-14 War memory and commemoration have had increasingly high profiles in public and academic debates in recent years This volume examines some of the social changes that have led to this development among them the passing of the two world wars from survivor into cultural memory Focusing on the politics of war memory and commemoration the book illuminates the struggle to install particular memories at the center of a cultural world and offers an extensive argument about how the politics of commemoration practices should be understood *Commemorating War* analyzes a range of forms of remembrance from public commemorations orchestrated by nation states to personal testimonies of war survivors and from cultural memories of war represented in films plays and novels to investigations of wartime atrocities in courts of human rights It presents a wide

range of international case studies encompassing lesser known national histories and wars beyond the well trodden terrain of Vietnam and the two world wars in Europe Emerging from this book is an important critique of both state centered approaches to war memory and those that regard commemoration primarily as a human response to loss and grief Offering a wealth of empirical research material this book will be important for cultural and oral historians sociologists researchers in international relations and human rights and anybody with an interest in the cultural construction of memory in contemporary society

Commemorating War Timothy G. Ashplant, Graham Dawson, Michael Roper, War memory and commemoration have had increasingly high profiles in public and academic debates in recent years This volume examines some of the social changes that have led to this development among them the passing of the two world wars from survivor into cultural memory Focusing on the politics of war memory and commemoration the book illuminates the struggle to install particular memories at the center of a cultural world and offers an extensive argument about how the politics of commemoration practices should be understood Commemorating War analyzes a range of forms of remembrance from public commemorations orchestrated by nation states to personal testimonies of war survivors and from cultural memories of war represented in films plays and novels to investigations of wartime atrocities in courts of human rights It presents a wide range of international case studies encompassing lesser known national histories and wars beyond the well trodden terrain of Vietnam and the two world wars in Europe Emerging from this book is an important critique of both state centered approaches to war memory and those that regard commemoration primarily as a human response to loss and grief Offering a wealth of empirical research material this book will be important for cultural and oral historians sociologists researchers in international relations and human rights and anybody with an interest in the cultural construction of memory in contemporary society

Timothy G Ashplant is a member of the Research Center for Literature and Cultural History at Liverpool John Moores University He has published on psychoanalysis and history and the life writings of working class men and women in Britain Graham Dawson teaches cultural and historical studies at the University of Brighton His publications include Soldier Heroes British Adventure Empire and the Imagining of Masculinities and Trauma and Life Stories with Kim Lacy Rogers and Selma Leydesdorff Michael Roper works as a social and cultural historian in the Department of Sociology at the University of Essex His previous publications include Manful Assertions Masculinities in Britain since 1800 with John Tosh and Masculinity and the British Organization Man since 1945

War Memory and Popular Culture Michael Keren, Holger H. Herwig, 2014-01-10 This collection of essays investigates such diverse vehicles for war commemoration as poems battlefield tours souvenirs books films architectural structures comics websites and video games Drawing on essayists from Australia Canada Great Britain Israel and the United States this work explores the evolution from traditional to contemporary forms of war commemoration while addressing the fundamental question of whether these new forms of memorial are meant to encourage the remembering or the forgetting of the experience of war as well as what implications

the process of commemoration may have for the continuation of the modern nation state Instructors considering this book for use in a course may request an examination copy here [War Memory and Commemoration](#) Brad West, 2016-07-15 In a period characterised by an unprecedented cultural engagement with the past individuals groups and nations are debating and experimenting with commemoration in order to find culturally relevant ways of remembering warfare genocide and terrorism This book examines such remembrances and the political consequences of these rites In particular the volume focuses on the ways in which recent social and technological forces including digital archiving transnational flows of historical knowledge shifts in academic practice changes in commemorative forms and consumerist engagements with history affect the shaping of new collective memories and our understanding of the social world Presenting studies of commemorative practices from Africa Asia Australia Europe and the Middle East *War Memory and Commemoration* illustrates the power of new commemorative forms to shape the world and highlights the ways in which social actors use them in promoting a range of understandings of the past The volume will appeal to scholars of sociology history cultural studies and journalism with an interest in commemoration heritage and or collective memory *Remembering 1916* Richard S. Grayson, Fearghal McGarry, 2016-03-03 A pioneering analysis of how the Easter Rising and the Battle of the Somme have been remembered in Ireland since 1916 **Memory, Masculinity and National Identity in British Visual Culture, 1914-1930** Gabriel Koureas, 2007 Concentrating on gender and cultural memory this study investigates the ways in which masculinities and the web of power relations that they entail worked during the interwar years in order to reconstruct the post First World War British society It focuses especially on notions of national identity class and sexuality and their representations in British visual culture in the aftermath of the Great War *Theories of Social Remembering* Barbara A. Misztal, 2003 Sbrilliant an impressive tour de force Network Why does collective memory matter How is social memory generated maintained and reproduced How do we explain changes in the content and role of collective memory Through a synthesis of old and new theories of social remembering this book provides the first comprehensive overview of the sociology of memory This rapidly expanding field explores how representations of the past are generated maintained and reproduced through texts images sites rituals and experiences The main aim of the book is to show to what extent the investigation of memory challenges sociological understandings of the formation of social identities and conflicts It illustrates the new status of memory in contemporary societies by examining the complex relationships between memory and commemoration memory and identity memory and trauma and memory and justice The book consists of six chapters with the first three devoted to conceptualising the process of remembering by analyzing memory s function status and history as well as by locating the study of memory in a broader field of social science The second part of the book directly explores and discusses theories and studies of social remembering After a short conclusion which argues that study of collective memory is an important part of any examination of contemporary society the glossary offers a concise and up to date overview of the development of relevant

theoretical concepts The result is an essential text for undergraduate courses in social theory the sociology of memory and a wider audience in cultural studies history and politics Under the Shadow of Defeat Karine Varley,2008-09-24 The French defeat of 1870 1 sparked soul searching and a reassessment of the character of the nation This book is the first to explore how memories of the Franco Prussian War shaped French political culture and identities It argues that these memories reawakened deep political divisions distorting them through the prism of the terrible year It sheds new light on how people constructed memories not only to define and articulate their ideas but also to situate themselves within new concepts of France **Historical Studies** Neal Garnham,Keith Jeffery,2005 Vol 1 made up of papers read at 2d conference

Environment & Planning ,2007 *Competing Voices from the Pacific War* Sean Brawley,Chris Dixon,Beatrice Trefalt,2009-07-23 Key decisions and events of the Pacific War are explored in this work by juxtaposing Allied and Japanese accounts giving voice to both sides in this epic confrontation *Competing Voices from the Pacific War Fighting Words* covers the period from July 1937 to September 1945 touching briefly on the post war Allied occupation of Japan Although it emphasizes American and Japanese accounts it also includes perspectives from other nations Materials covering political and strategic issues the experiences of combatants and prisoners of war the experiences of civilians caught up in the various war zones and the impact of the war on the various home fronts are also included By including a range of primary sources representing the experiences and views of participants and commentators of all sides and setting them in their historical contexts this unique anthology promotes an understanding of the Pacific War the events that led up to it and its legacies Alongside sources that reflect traditional military history material that considers the war from the perspective of the new military history is also included *American Book Publishing Record* ,2003 **The Gender of Memory** Sylvia Paletschek,Sylvia Schraut,2008 This volume addresses the complex relationship between memory culture and gender as well as the representation of women in national memory in several European countries An international group of contributors explore the national allegories of memory in the nineteenth and twentieth centuries the relationship between violence and war in the recollections of both families and the state and the methodological approaches that can be used to study a gendered culture of memory **Remembering and Forgetting 1916** Rebecca Graff-McRae,2010 *Remembering and Forgetting 1916* engages with the diverse divergent and at times contradictory discourses of commemoration in Ireland It explores the complex politics of commemoration of four significant events in Irish history the Easter Rising the Battle of the Somme the 1798 Rebellion and the H Block Hunger Strike It asks how the commemorations of these events have become incorporated into present politics in the wake of the Good Friday Agreement The book begins and ends with the Easter Rising The construction of 1916 as the pivotal moment of Irish history identity and memory has had lasting consequences for the Irish definition of political conflict and how this is defined through commemoration In *Remembering and Forgetting 1916* it is argued that the ghosts of 1916 are in many ways the ghosts of 1998 This book thus calls forth the ghosts of commemoration

and examines how the ghosts of conflict and consensus are used to political ends in the present Publisher Crossed Memories Laura Elizabeth Hein, Daizaburō Yui, 2003 **Cultural History** Anna Green, 2007-08-01 Anna Green provides a coherent and accessible introduction to the major theoretical approaches and key concepts within this most diverse of historical fields Cultural History explores the conceptual affective and imaginative worlds of human consciousness as reflected in elite intellectual works as well as everyday social beliefs and practices Solomon Islanders in World War II Anna Annie Kwai, 2017 The Solomon Islands Campaign of World War II has been the subject of many published historical accounts Most of these accounts present an outsider perspective with limited reference to the contribution of indigenous Solomon Islanders as coastwatchers scouts carriers and labourers under the Royal Australian Navy and other Allied military units Where islanders are mentioned they are represented as loyal helpers The nature of local contributions in the war and their impact on islander perceptions are more complex than has been represented in these outsiders perspectives Islander encounters with white American troops enabled self awareness of racial relationships and inequality under the colonial administration which sparked struggles towards recognition and political autonomy that emerged in parts of the British Solomon Islands Protectorate in the postwar period Exploitation of postwar military infrastructure by the colonial administration laid the foundation for later sociopolitical upheaval experienced by the country In the aftermath of the 1998 crisis the supposed unity and pride that prevailed among islanders during the war has been seen as an avenue whereby different ethnic identities can be unified This national unification process entailed the construction of the Pride of our Nation monument that aims to restore the pride and identity of Solomon Islanders
