Politics And Religion In The White South

**Randall M. Miller, Harry S.
Stout, Charles Reagan Wilson**

Politics And Religion In The White South:

Politics and Religion in the White South Glenn Feldman, 2005-09-30 Politics and Religion in the White South examines the powerful ways in which religious considerations have shaped American political discourse Since the inception of the Republic politics have remained a subject of lively discussion and debate Although based on secular ideals American government and politics have often been peppered with Christian influences Especially in the mostly Protestant South religion and politics have been nearly inextricable This collection of thirteen essays from prominent historians and political scientists including Mark K Bauman Charles S Bullock III Natalie M Davis Andrew M Manis Mark J Rozell and Clyde Wilcox explores the intersection of religion politics race relations and Southern culture from post Civil War America to the present when the religious right has begun to exercise a profound influence on the course of American politics

Politics and Religion in the White South Glenn Feldman, 2005-09-30 Politics while always an integral part of the daily life in the South took on a new level of importance after the Civil War Today political strategists view the South as an essential region to cultivate if political hopefuls are to have a chance of winning elections at the national level Although operating within the context of a secular government American politics is decidedly marked by a Christian influence In the mostly Protestant South religion and politics have long been nearly inextricable Politics and Religion in the White South skillfully examines the powerful role that religious considerations and influence have played in American political discourse This collection of thirteen essays from prominent historians and political scientists explores the intersection in the South of religion politics race relations and southern culture from post Civil War America to the present when the Religious Right has exercised a profound impact on the course of politics in the region as well as the nation The authors examine issues such as religious attitudes about race on the Jim Crow South Billy Graham s influence on the civil rights movement political activism and the Southern Baptist Convention and Dorothy Tilly a white Methodist woman and her contributions as a civil rights reformer during the 1940s and 1950s The volume also considers the issue of whether southerners felt it was their sacred duty to prevent American society from moving away from its Christian origins toward a new secular identity and how this perceived God given responsibility was reflected in the work of southern political and church leaders By analyzing the vital relationship between religion and politics in the region where their connection is strongest and most evident Politics and Religion in the White South offers insight into the conservatism of the South and the role that religion has played in maintaining its social and cultural traditionalism

Politics and Religion in the White South (Religion in the South) Glenn Feldman, **The New Politics of the Old South** Charles S. Bullock III, Mark J. Rozell, 2025-08-26 Now in its eight edition The New Politics of the Old South is the best and most comprehensive analysis and history of political behavior and shifting demographics in America s southern states Edited by leading scholars Charles S Bullock III and Mark J Rozell this book has been updated through the 2024 elections to provide the most accurate and useful snapshot of the state of southern politics and the ways in

which they have developed over time The southern electorate is a fascinating dynamic body politic and the study of its evolution is paramount to understanding the broader political developments occurring at a national level While accessible to any interested reader this edition illuminates the South's essential and growing role in the study and the story of American politics This new edition addresses the most recent round of statewide contests from the 2024 election from gubernatorial congressional and state legislative races to the presidential race especially significant in Georgia and North Carolina A major theme in this eighth edition is the increasing population diversification especially in the Growth States Texas is now a plurality Hispanic state Georgia may well be a majority minority state today The growing diversification in Georgia has recently become manifest within the General Assembly In 2023 two new caucuses were created one for Hispanics and the other for Asian Americans and Pacific Islanders The latter with 11 members is the largest of its kind in the nation Even as Asians and Hispanics begin to enter southern legislatures a few of them are Republicans Republicans have also made some gains among Black voters and Black officeholders These themes will also be explored in states as appropriate

The American South Charles Reagan Wilson, 2021 This book provides a concise introduction to the history and culture of the American South Charles Reagan Wilson explores Southern history alongside the creative achievements that have come out of the region producing a portrait of a complex American place

How the South was won and the nation lost Philipp Adorf, 2016-10-10 Die Republikanische Partei dominierte zwischen den späten 1960er und 80er Jahren die Präsidentschaftswahlen in den Vereinigten Staaten Vier der letzten sechs Wahlen sind jedoch verloren gegangen Dieses Werk sieht die Gründe hinter dieser Krise im Versuch der Partei während und nach dem Kampf der schwarzen Minderheit für ihre Bürgerrechte in den 1960er Jahren die weißen oft evangelikal Wähler des Südens auf ihre Seite zu bringen In einem Land in dem der weiße Bevölkerungsanteil stetig sinkt und junge Wähler skularer denn je sind finden sich die weißen Wähler des Südens immer fester auf der Verliererseite der in Washington D C ausgetragenen politischen Schlachten und mit ihnen auch die Republikanische Partei

Billy Graham and the Rise of the Republican South Steven P. Miller, 2009-04 While spreading the gospel around the world through his signature crusades internationally renowned evangelist Billy Graham maintained a visible and controversial presence in his native South a region that underwent substantial political and economic change in the latter half of the twentieth century In this period Graham was alternately a desegregating crusader in Alabama Sunbelt booster in Atlanta regional apologist in the national press and southern strategist in the Nixon administration Billy Graham and the Rise of the Republican South considers the critical but underappreciated role of the noted evangelist in the creation of the modern American South The region experienced two significant related shifts away from its status as what observers and critics called the Solid South the end of legalized Jim Crow and the end of Democratic Party dominance Author Steven P Miller treats Graham as a serious actor and a powerful symbol in this transition an evangelist first and foremost but also a profoundly political figure In his roles as the nation's most visible evangelist adviser

to political leaders and a regional spokesperson Graham influenced many of the developments that drove celebrants and detractors alike to place the South at the vanguard of political religious and cultural trends He forged a path on which white southern moderates could retreat from Jim Crow while his evangelical critique of white supremacy portended the emergence of color blind rhetoric within mainstream conservatism Through his involvement in the Eisenhower and Nixon administrations as well as his deep social ties in the South the evangelist influenced the decades long process of political realignment Graham s public life sheds new light on recent southern history in all of its ambiguities and his social and political ethics complicate conventional understandings of evangelical Christianity in postwar America Miller s book seeks to reintroduce a familiar figure to the narrative of southern history and in the process examine the political and social transitions constitutive of the modern South

Religion and the American Civil War Randall M. Miller, Harry S. Stout, Charles Reagan Wilson, 1998-11-05 The sixteen essays in this volume all previously unpublished address the little considered question of the role played by religion in the American Civil War The authors show that religion understood in its broadest context as a culture and community of faith was found wherever the war was found Comprising essays by such scholars as Elizabeth Fox Genovese Drew Gilpin Faust Mark Noll Reid Mitchell Harry Stout and Bertram Wyatt Brown and featuring an afterword by James McPherson this collection marks the first step towards uncovering this crucial yet neglected aspect of American history

The Mormon Menace Patrick Mason, 2011-02-16 It incarnates every unclean beast of lust guile falsehood murder despotism and spiritual wickedness So wrote a prominent Southern Baptist official in 1899 of Mormonism Rather than the quintessential American religion as it has been dubbed by contemporary scholars in the late nineteenth century Mormonism was America s most vilified homegrown faith A vast national campaign featuring politicians church leaders social reformers the press women s organizations businessmen and ordinary citizens sought to end the distinctive Latter day Saint practice of plural marriage and to extinguish the entire religion if need be Placing the movement against polygamy in the context of American and southern history Mason demonstrates that anti Mormonism was one of the earliest vehicles for reconciliation between North and South after the Civil War and Reconstruction Southerners joined with northern reformers and Republicans to endorse the use of newly expanded federal power to vanquish the perceived threat to Christian marriage and the American republic Anti Mormonism was a significant intellectual legal religious and cultural phenomenon but in the South it was also violent While southerners were concerned about distinctive Mormon beliefs and political practices they were most alarmed at the invasion of Mormon missionaries in their communities and the prospect of their wives and daughters falling prey to polygamy Moving to defend their homes and their honor against this threat southerners turned to legislation to religion and most dramatically to vigilante violence *The Mormon Menace* provides new insights into some of the most important discussions of the late nineteenth century and of our own age including debates over the nature and limits of religious freedom the contest between the will of the people and the rule of law and the role of citizens churches

and the state in regulating and defining marriage

Mississippi Praying Carolyn Renée Dupont, 2015-09 Winner of the 2013 Frank S and Elizabeth D Brewer Prize presented by the American Society of Church History *Mississippi Praying* examines the faith communities at ground zero of the racial revolution that rocked America This religious history of white Mississippians in the civil rights era shows how Mississippians intense religious commitments played critical rather than incidental roles in their response to the movement for black equality During the civil rights movement and since it has perplexed many Americans that unabashedly Christian Mississippi could also unapologetically oppress its black population Yet as Carolyn Renée Dupont richly details white southerners evangelical religion gave them no conceptual tools for understanding segregation as a moral evil and many believed that God had ordained the racial hierarchy Challenging previous scholarship that depicts southern religious support for segregation as weak Dupont shows how people of faith in Mississippi rejected the religious argument for black equality and actively supported the effort to thwart the civil rights movement At the same time faith motivated a small number of white Mississippians to challenge the methods and tactics of do or die segregationists Racial turmoil profoundly destabilized Mississippi's religious communities and turned them into battlegrounds over the issue of black equality Though Mississippi's evangelicals lost the battle to preserve segregation they won important struggles to preserve the theology that had sustained the racial hierarchy Ultimately this history sheds light on the eventual rise of the religious right by elaborating the connections between the pre and post civil rights South

The Southern Way of Life Charles Reagan Wilson, 2022-11-30 How does one begin to understand the idea of a distinctive southern way of life a concept as enduring as it is disputed In this examination of the American South in national and global contexts celebrated historian Charles Reagan Wilson assesses how diverse communities of southerners have sought to define the region's identity Surveying three centuries of southern regional consciousness across many genres disciplines and cultural strains Wilson considers and challenges prior presentations of the region advancing a vision of southern culture that has always been plural dynamic and complicated by race and class Structured in three parts *The Southern Way of Life* takes readers on a journey from the colonial era to the present from when complex ideas of southern civilization rooted in slaveholding and agrarianism dominated to the twenty first century rise of a modern multicultural southern living As Wilson shows there is no singular or essential South but rather a rich tapestry woven with contestations contingencies and change

The SAGE Handbook of the Sociology of Religion James A Beckford, Jay Demerath, 2007-10-29 In their introduction to this Handbook the editors affirm Many sociologists have come to realise that it makes no sense now to omit religion from the repertoire of social scientific explanations of social life I wholeheartedly agree I also suggest that this wide ranging set of essays should become a starting point for such enquiries Each chapter is clear comprehensive and well structured making the Handbook a real asset for all those engaged in the field Grace Davie University of Exeter Serious social scientists who care about making sense of the world can no longer ignore the fact that religious beliefs and practices are an important part of this world This Handbook is a

valuable resource for specialists and amateurs alike The editors have done an exceptionally fine job of incorporating topics that illuminate the range and diversity of religion and its continuing significance throughout the world Robert Wuthnow Princeton University At a time when religions are increasingly affecting and affected by life beyond the narrowly sacred sphere religion everywhere seems to be caught up in change and conflict In the midst of this contention and confusion the sociology of religion provides a rich source of understanding and explanation This Handbook presents an unprecedentedly comprehensive assessment of the field both where it has been and where it is headed Like its many distinguished contributors its topics and their coverage are truly global in their reach The Handbook s 35 chapters are organized into eight sections basic theories and debates methods of studying religion social forms and experiences of religion issues of power and control in religious organizations religion and politics individual religious behaviour in social context religion self identity and the life course and case studies of China Eastern Europe Israel Japan and Mexico Each chapter establishes benchmarks for the state of sociological thinking about religion in the 21st century and provides a rich bibliography for pursuing its subject further Overall the Handbook stretches the field conceptually methodologically comparatively and historically An indispensable source of guidance and insight for both students and scholars Choice Outstanding Academic Title 2009

Into the Pulpit Elizabeth H. Flowers, 2012-04-09 The debate over women s roles in the Southern Baptist Convention s conservative ascendance is often seen as secondary to theological and biblical concerns Elizabeth Flowers argues however that for both moderate and conservative Baptist women all of whom had much at stake disagreements that touched on their familial roles and ecclesial authority have always been primary And in the turbulent postwar era debate over their roles caused fierce internal controversy While the legacy of race and civil rights lingered well into the 1990s views on women s submission to male authority provided the most salient test by which moderates were identified and expelled in a process that led to significant splits in the Church In Flowers s expansive history of Southern Baptist women the woman question is integral to almost every area of Southern Baptist concern hermeneutics ecclesial polity missionary work church state relations and denominational history Flowers s analysis part of the expanding survey of America s religious and cultural landscape after World War II points to the South s changing identity and connects religious and regional issues to the complicated relationship between race and gender during and after the civil rights movement She also shows how feminism and shifting women s roles behaviors and practices played a significant part in debates that simmer among Baptists and evangelicals throughout the nation today

The Evangelicals Frances FitzGerald, 2017-04-04 Winner of the 2017 National Book Critics Circle Award National Book Award Finalist Time magazine Top 10 Nonfiction Book of the Year New York Times Notable Book Publishers Weekly Best Books of 2017 This epic history The Boston Globe from Pulitzer Prize winning historian Frances FitzGerald is the first to tell the powerful dramatic story of the Evangelical movement in America from the Puritan era to the 2016 election We have long needed a fair minded overview of this vitally important religious sensibility and

FitzGerald has now provided it The New York Times Book Review The evangelical movement began in the revivals of the eighteenth and nineteenth centuries known in America as the Great Awakenings A populist rebellion against the established churches it became the dominant religious force in the country During the nineteenth century white evangelicals split apart first North versus South and then modernist versus fundamentalist After World War II Billy Graham attracted enormous crowds and tried to gather all Protestants under his big tent but the civil rights movement and the social revolution of the sixties drove them apart again By the 1980s Jerry Falwell and other southern televangelists such as Pat Robertson had formed the Christian right Protesting abortion and gay rights they led the South into the Republican Party and for thirty five years they were the sole voice of evangelicals to be heard nationally Eventually a younger generation proposed a broader agenda of issues such as climate change gender equality and immigration reform Evangelicals now constitute twenty five percent of the American population but they are no longer monolithic in their politics They range from Tea Party supporters to social reformers Still with the decline of religious faith generally FitzGerald suggests that evangelical churches must embrace ethnic minorities if they are to survive A well written thought provoking and deeply researched history that is impressive for its scope and level of detail The Wall Street Journal Her brilliant book could not have been more timely more well researched more well written or more necessary The American Scholar

Fighting to Preserve a Nation's Soul Robert Bauman, 2019-04-15 Fighting to Preserve a Nation's Soul examines the relationship between religion race and the War on Poverty that President Lyndon Johnson initiated in 1964 and that continues into the present It studies the efforts by churches synagogues and ecumenical religious organizations to join and fight the war on poverty as begun in 1964 by the Office of Economic Opportunity The book also explores the evolving role of religion in relation to the power balance between church and state and how this dynamic resonates in today's political situation Robert Bauman surveys all aspects of religion's role in this struggle and substantially discusses the Roman Catholic Church mainline Protestant churches Jewish groups and ecumenical organizations such as the National Council of Churches In addition he pays particular attention to race showing how activist priests and other religious leaders connected religion with the antipoverty efforts of the civil rights movement For example he shows how the Interreligious Foundation for Community Organization IFCO exemplifies the move toward ecumenism among American religious organizations and the significance of black power to the evolving War on Poverty Indeed the Black Manifesto issued by civil rights and black power activist James Forman in 1969 challenged American churches and synagogues to donate resources to the IFCO as reparations for those institutions participation in slavery and racial segregation Bauman then explores the intricate and fundamental connection between religious organizations social movements and community antipoverty agencies and expands the argument for a long War on Poverty

Unto a Good Land David Edwin Harrell, Edwin S. Gaustad, John B. Boles, Sally Foreman Griffith, 2005-08-23 Introducing a New U S History Text That Takes Religion Seriously Unto a Good Land offers a distinctive narrative history of the American people from the

first contacts between Europeans and North America's native inhabitants through the creation of a modern nation to the 2004 presidential election. Written by a team of highly regarded historians, this textbook shows how grasping the uniqueness of the American experiment depends on understanding not only social, cultural, political, and economic factors but also the role that religion has played in shaping U.S. history. While most United States history textbooks in recent decades have expanded their coverage of social and cultural history, they still tend to shortchange the role of religious ideas, practices, and movements in the American past. *Unto a Good Land* restores the balance by giving religion its appropriate place in the story. This readable and teachable text also features a full complement of maps, historical illustrations, and *In Their Own Words* sidebars with excerpts from primary source documents.

Whistling Past Dixie Thomas F. Schaller, 2008. Two generations after he challenged Republicans to envision a Southern-based national majority, Phillips issues a bold challenge to Democrats to transform American politics by building a winning coalition outside the South.

Religion and Public Life in the South Charles Reagan Wilson, Mark Silk, 2005-07-07. In July 2002, chief justice of the Alabama Supreme Court had a two-ton monument of the Ten Commandments placed into the rotunda of the Montgomery state judicial building. But this action is only a recent case in the long history of religiously inspired public movements in the American South. From the Civil War to the Scopes Trial to the Moral Majority, white Southern evangelicals have taken ideas they see as drawn from the Christian Scriptures and tried to make them into public law. But blacks, women, subregions, and other religious groups too vie for power within and outside this Southern Religious Establishment. *Religion and Public Life in the South* gives voice to both the establishment and its dissenters and shows why more than any other region of the country, religion drives public debate in the South.

The Western Journal of Black Studies, 2004. **The Reconstruction of White Southern Womanhood, 1865-1895** Jane Turner Censer, 2003-09-30. The important but little-known story of elite southern white women's successful quest for a measure of self-reliance and independence between antebellum strictures and the restored patriarchy of Jim Crow.

Politics And Religion In The White South Introduction

In today's digital age, the availability of Politics And Religion In The White South books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Politics And Religion In The White South books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Politics And Religion In The White South books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Politics And Religion In The White South versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Politics And Religion In The White South books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Politics And Religion In The White South books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Politics And Religion In The White South books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals,

making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Politics And Religion In The White South books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Politics And Religion In The White South books and manuals for download and embark on your journey of knowledge?

FAQs About Politics And Religion In The White South Books

What is a Politics And Religion In The White South PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Politics And Religion In The White South PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Politics And Religion In The White South PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Politics And Religion In The White South PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Politics And Religion In The White South PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file?

You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
