The Arab-Israeli Conflict Kirsten E. Schulze, 2016-11-03 3 From the Hussein McMahon Correspondence

The Bride and the Dowry Avi Raz, 2012-01-01 Israel s victory in the June 1967 Six Day War provided a unique opportunity for resolving the decades old Arab Zionist conflict Having seized the West Bank the Gaza Strip the Sinai Peninsula and the Golan Heights Israel for the first time in its history had something concrete to offer its Arab neighbors it could trade land for peace Yet the political deadlock persisted after the guns fell silent This book sets out to find out why Avi Raz places Israel s conduct under an uncompromising lens He meticulously examines the critical two years following the June war and substantially revises our understanding of how and why Israeli Arab secret contacts came to naught Mining newly declassified records in Israeli American British and UN archives as well as private papers of individual participants Raz dispels the myth of overall Arab intransigence and arrives at new and unexpected conclusions In short he concludes that Israel s postwar diplomacy was deliberately ineffective because its leaders preferred land over peace with its neighbors The book throws a great deal of light not only on the post 1967 period but also on the problems and pitfalls of peacemaking in the Middle East today

The Middle East and South Asia 2016-2017 Seth Cantey, 2016-08-22 This volume is designed to place in context the passionate controversies and emotional attachments of the two billion people who live study work love and die in the Middle East and South Asia Understanding these regions means more than annually updated details of the governments politics cultures and economies of the twenty

four nations and assorted territories Special chapters address significant issues of continuing international importance including access to water the role of oil and the 2011 Arab spring Both regions after all contain types of people misunderstood and often intensely disliked by others Where religion intrudes on politics the Afghan Taliban oppose educating girls Hindu fanatics rampage in India Iranian militiamen shoot demonstrators Islamic extremists impose sharia and Jewish Ultra Orthodox send women to the back of the bus readers bombarded with superficial news bites and slanted reporting might never sense the other accomplishments of these same societies Islamic charities and societies bring relief to the impoverished Israel's scholars win Nobel prizes and most Indians cherish long standing religious toleration The author of this volume attempts to let the reader draw conclusions from the evidence *The Israeli-Palestinian Conflict* Beverley Milton-Edwards, 2008-07-30 The conflict between Israelis and Palestinians is one of the most enduring and complex in the modern world But why did the conflict break out Who is demanding what and why is peace so difficult to achieve The Israeli Palestinian Conflict tackles the subject and analyses the conflict from its historical roots in the late nineteenth century to the present attempts at conflict resolution in the twenty first century Framing the debate and analysis around issues such as Zionism Palestinian nationalism international peace efforts the refugees state building democracy and religious opposition and highlighted by first hand quotes and sources of the conflict from its major participants Beverley Milton Edwards explores the deep impact of the conflict on regional politics in the Middle East and why the enmity between Palestinians and Israelis has become a number one global issue drawing in the world's most important global actors An essential insight into the complexities of one of the world's most enduring conflicts between Israelis and Palestinians this textbook is designed to make a complex subject accessible to all Key features include a chronology of events and annotated further reading at the end of each chapter The Israeli Palestinian Conflict is an ideal and authoritative introduction into aspects of politics in Israel among the Palestinians a vitally important issue for those studying the politics of the Middle East **Palestinian NGOs in Israel** Shany Payes, 2005-01-28 One in every six Israeli citizens is a Palestinian Arab While much has been written about the Palestinians of the West Bank and Gaza the struggle for political rights by Palestinian citizens of Israel remains largely unexplored Shany Payes offers a fresh look at this struggle through analysis of the increasingly growing sector of Palestinian non governmental organisations Charting the political history of these associations over the last quarter of a century and running right up to developments during the recent Intifada she analyses the political repression of Palestinian civil society by the Israeli state and attempts by Palestinian NGOs in Israel to build a civil society in the face of such oppression Palestinian NGOs is required reading for all those interested in the Israel Palestine conflict minority rights and civil society A lively and original contribution to a field in which there is already much interest but where few works of any substance have been produced I enjoyed the work immensely and would certainly recommend it warmly both to students and to those with a lively interest in things Palestinian Philip Robins St Antony's College Oxford Provides a fresh insight into political repression

of Palestinian civil society by the Israeli state and attempts by Palestinian NGOs to build a civil society in the face of such oppression The result is a unique piece of work which other academics would be hard pressed to emulate Gerard Clarke
Centre for Development Studies University of Wales Swansea An Ideological Death Rachel S. Harris,2014-08-15 An Ideological Death Suicide in Israeli Literature examines literary challenges to Israel's national narratives The centrality of the army the mythology of the new Jew the vision of the first Israeli city Tel Aviv and the very process by which a nation's history is constructed are confronted in fiction by many prominent Israeli writers Using the image of suicide A B Yehoshua Amos Oz Etgar Keret Yehudit Katzir Alon Hilu Yaakov Shabtai Benjamin Tammuz and Yehoshua Kenaz each engage in a critical and rhetorical process that examines the nation's formation and reconsiders myths at the heart of the Zionist project In Israeli literature suicide represents a society's compulsion to create impossible ideals that leave its populace disappointed and deluded Yet as Rachel S Harris shows even at their harshest these writers also represent the idealism that helped build Israel as a modern nation state *The Middle East and South Asia 2019-2020* ,2019-10-09 More than a quarter of the world's population live in the Middle East and South Asia yet our knowledge and understanding of the region is often limited to news updates about the latest conflicts and crises This 53rd edition of the annually updated volume of the World Today Series provides important insights that take the reader beyond the headlines It offers detailed and up to date information about the politics economies and societies of the twenty four states that make up the region Contemporary events are placed in their historical context through an examination of major civilizations and key historical events This volume introduces major themes that have shaped the region including the struggles of ordinary people to achieve democratic rights the role of oil in shaping society burgeoning environmental threats and the rise and fall of the Islamic State caliphate While there is reason for optimism in regards to the Middle East and South Asia this is tempered by the very real challenges that confront the region The general reader will gain an understanding of these challenges and opportunities through an exploration of current and past developments *Global Politics* Abraham Ben-Zvi,Aharon Klieman,2016-01-20 The essays in this volume discuss and assess the philosophies and writings of Professor David Vital They aim to develop his work within modern diplomacy issues relating to modern Jewish history and within the State of Israel and its conduct of foreign relations **The Middle East and South Asia 2023-2024** Ilan Pappé,2023-09-15 The World Today Series The Middle East and South Asia More than a quarter of the world's population live in the Middle East and South Asia yet our knowledge and understanding of the region is often limited to news updates about the latest conflicts and crises This edition of the annually updated volume of the World Today Series provides important insights that take the reader beyond the headlines It offers detailed and up to date information about the politics economies and societies of the twenty four states that make up the region Contemporary events are placed in their historical context through an examination of major civilizations and key historical events This volume introduces major themes that have shaped the region including the struggles of ordinary people to achieve
