Stonecash**

## **Politics In New York State 1800 1830:**

**New York Politics & Government** ,1998-01-01 Two values often at odds with each other competition and compassion dominate New York s political culture Since the eighteenth century New York has been known for its economic leadership and entrepreneurial opportunities Its nickname the Empire State reflects the state s continuing role as a national and international center of industry and commerce Yet New York s political culture as Daniel J Elazar has noted is paradoxically both individualistic and moralistic Compassion is extended not only toward those unable to compete in the marketplace but also toward the numerous interest groups and institutions labor business nonprofit agencies that depend on the state s largesse for their own well being This distinctive political blend can produce inconsistent yet complementary public policies such as providing tax incentives for economic development alongside liberal Medicaid benefits In this excellent overview of New York politics five distinguished scholars explore the state s paradoxical political culture examining its local regional and national components through the years **Governing New York State** Jeffrey M. Stonecash,2001-02-08 An indispensable guide to New York State s politics political institutions and public policies **Governing New York State** Robert F. Pecorella,Jeffrey M. Stonecash,2006-02-16 Essays on New York State government and politics *The American Political Nation, 1838-1893* Joel Silbey,1994-07-01 This is a detailed analysis and description of a unique era in American political history one in which political parties were the dominant dynamic force at work structuring and directing the political world

Governing New York State, Sixth Edition Robert F. Pecorella,Jeffrey M. Stonecash,2012-12-04 New York contains greater diversity than almost any other state This diversity creates extensive social and political conflict within the state Governing New York State Sixth Edition provides expert assessment of how these conflicts are organized and represented and how the political process and political institutions work in an effort to resolve them Contributors explore the role of political parties and interest groups in representing these concerns They also review the nature of the legislature the governor the courts and public authorities as well as how these institutions play a role in making decisions Finally the impact of politics is analyzed for the policy areas of intergovernmental fiscal relations welfare health and local education The sixth edition of Governing New York State provides an excellent summary of the political process and most of the major policy controversies in the state

**Martin van Buren and the American Political System** Donald B. Cole,2014-07-14 Donald Cole analyzes the political skills that brought Van Buren the nickname Little Magician describing how he built the Albany Regency which became a model for political party machines and how he created the Democratic party of Andrew Jackson Originally published in 1984 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton

University Press since its founding in 1905

**A Companion to the Antebellum Presidents, 1837 - 1861** Joel H.

Silbey, 2014-01-06 A Companion to the Antebellum Presidents presents a series of original essays exploring our historical understanding of the role and legacy of the eight U S presidents who served in the significant period between 1837 and the start of the Civil War in 1861 Explores and evaluates the evolving scholarly reception of Presidents Van Buren Harrison Tyler Polk Taylor Fillmore Pierce and Buchanan including their roles behaviors triumphs and failures Represents the first single volume reference to gather together the historiographic literature on the Antebellum Presidents Brings together original contributions from a team of eminent historians and experts on the American presidency Reveals insights into presidential leadership in the quarter century leading up to the American Civil War Offers fresh perspectives into the largely forgotten men who served during one of the most decisive quarter centuries of United States history

**Land and Freedom** Reeve

Huston, 2000-10-12 During the early nineteenth century two million acres of New York s farmland were controlled by a handful of great families Along the Hudson Valley and across the Catskills lay the great estates of the Van Rensselaers the Livingstons and a dozen lesser landlords Some two hundred and sixty thousand men women and children a twelfth of the population of New York the nation s most populous state worked this land as tenants Beginning in 1839 these tenants created a movement dedicated to destroying the estates and distributing the land to those who farmed it The anti rent movement quickly became one of the most powerful and influential movements of the antebellum era The anti renters raised issues that lay at the heart of America s republican experiment the distribution of land the nature of democracy and the meaning of freedom In doing so they left an indelible mark on politics and public ideals in both New York and the nation They influenced and bitterly divided both major political parties and helped create the Republican party Moreover they shaped the ideas policies and careers of such national leaders as Martin Van Buren Silas Wright Horace Greeley and William Seward Deftly interweaving an engaging narrative history with broad ranging social and political analysis Land and Freedom brings to life the voices of antebellum northern farmers as they debated the critical social and political issues of their day It grounds those debates in a detailed analysis of social and political change on New York s estates and demonstrates the impact of farmers ideas and initiatives on the broader social and political order In doing so it offers new insights into the social and political thought of northeastern farmers the extent and limits of popular political power under the Jacksonian political order and the social origins of free labor ideology and the Republican party

*Erie Water West* Ronald E. Shaw, 2013-07-24 The construction of the Erie Canal may truly be described as a major event in the growth of the young United States At a time when the internal links among the states were scanty the canal s planners boldly projected a system of transportation that would strike from the eastern seaboard penetrate the frontier and forge a bond between the East and the growing settlements of the West In this comprehensive history Ronald E Shaw portrays the development of the canal as viewed by its contemporaries who rightly saw it as an engineering marvel and an achievement of great economic and social significance

not only for New York but also for the nation      **William Jay** Stephen Budney,2005-02-28 A founder of the New York Anti Slavery Society William Jay was one of the most prolific and influential abolitionists of his day yet Americans know little about him This is the first extensive examination of his life and work in over 100 years Like many of his contemporaries Jay looked at a rapidly changing America and it frightened him As a conservative social reformer it was not merely sinfulness that alarmed Jay but the perception that America was betraying its founding principles From his early involvement in local temperance societies to his conversion to the cause of immediate abolition of slavery Jay would emerge as one of the most influential reformers A fierce and vocal opponent of the efforts to repatriate blacks to Africa as well as the U S annexation of Northern Mexico Jay stood at the center of the abolitionist and anticolonialist movements The son of founding father John Jay William Jay felt an obligation to help purify America so that it could continue to adhere to the republican principles that had helped create it Not only does Budney examine the motivation for multifaceted reform he also probes how advocates of abolition peace activists and temperance attempted to craft their appeals to influence the greatest number of people Many scholars have attributed the vitality of the reform movement particularly the abolitionists to the more radical elements such as the Garrisons however most reformers would have preferred a more gentle approach to persuading Americans of the veracity of their efforts      *The Papers of Henry Clay* Henry Clay,1992-01-01      **New York City Mutual Savings Banks, 1819-1861** Alan L. Olmstead,2018-07-25 These institutions were founded ostensibly for philanthropic purposes to encourage and reward thrift on the part of society s lower classes For purposes of analysis Olmstead formulates an alternative hypothesis Men organized mutuals for the same reason that impelled their other business ventures the hope of profit The author focuses on the internal operations of several banks and the important role they played in financing antebellum development A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print These editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value

**The Commercialization of News in the Nineteenth Century** Gerald J. Baldasty,1992-11-15 The Commercialization of News in the Nineteenth Century traces the major transformation of newspapers from a politically based press to a commercially based press in the nineteenth century Gerald J Baldasty argues that broad changes in American society the national economy and the newspaper industry brought about this dramatic shift Increasingly in the nineteenth century news became a commodity valued more for its profitability than for its role in informing or persuading the public on political issues Newspapers started out as highly partisan adjuncts of political parties As advertisers replaced political parties as the chief financial support of the press they influenced newspapers in directing their content toward consumers especially women The results were recipes fiction contests and features on everything from sports to fashion alongside more standard news about politics Baldasty makes use of nineteenth century materials newspapers from throughout the era manuscript

letters from journalists and politicians journalism and advertising trade publications government reports to document the changing role of the press during the period He identifies three important phases the partisan newspapers of the Jacksonian era 1825 1835 the transition of the press in the middle of the century and the influence of commercialization of the news in the last two decades of the century

**What Hath God Wrought** Daniel Walker Howe, 2007-10-29 The Oxford History of the United States is by far the most respected multi volume history of our nation In this Pulitzer prize winning critically acclaimed addition to the series historian Daniel Walker Howe illuminates the period from the battle of New Orleans to the end of the Mexican American War an era when the United States expanded to the Pacific and won control over the richest part of the North American continent A panoramic narrative What Hath God Wrought portrays revolutionary improvements in transportation and communications that accelerated the extension of the American empire Railroads canals newspapers and the telegraph dramatically lowered travel times and spurred the spread of information These innovations prompted the emergence of mass political parties and stimulated America s economic development from an overwhelmingly rural country to a diversified economy in which commerce and industry took their place alongside agriculture In his story the author weaves together political and military events with social economic and cultural history Howe examines the rise of Andrew Jackson and his Democratic party but contends that John Quincy Adams and other Whigs advocates of public education and economic integration defenders of the rights of Indians women and African Americans were the true prophets of America s future In addition Howe reveals the power of religion to shape many aspects of American life during this period including slavery and antislavery women s rights and other reform movements politics education and literature Howe s story of American expansion culminates in the bitterly controversial but brilliantly executed war waged against Mexico to gain California and Texas for the United States Winner of the New York Historical Society American History Book Prize Finalist 2007 National Book Critics Circle Award for Nonfiction The Oxford History of the United States The Oxford History of the United States is the most respected multi volume history of our nation The series includes three Pulitzer Prize winners a New York Times bestseller and winners of the Bancroft and Parkman Prizes The Atlantic Monthly has praised it as the most distinguished series in American historical scholarship a series that synthesizes a generation s worth of historical inquiry and knowledge into one literally state of the art book Conceived under the general editorship of C Vann Woodward and Richard Hofstadter and now under the editorship of David M Kennedy this renowned series blends social political economic cultural diplomatic and military history into coherent and vividly written narrative

**Política** Felipe Gonzales, 2016 Pol tica offers a stunning revisionist understanding of the early political incorporation of Mexican origin peoples into the U S body politic in the nineteenth century Historical sociologist Phillip B Gonzales reexamines the fundamental issue in New Mexico s history namely the dramatic shift in national identities initiated by Nuevomexicanos when their province became ruled by the United States Gonzales provides an insightful rigorous and controversial interpretation of how Nuevomexicano political competition

was woven into the Democratic and Republican two party system that emerged in the United States between the 1850s and 1912 when New Mexico became a state Drawing on newly discovered archival and primary sources he explores how Nuevomexicanos relied on a long tradition of political engagement and a preexisting republican disposition and practice to elaborate a dual party political system mirroring the contours of U S national politics Pol tica is a tour de force of political history in the nineteenth century U S Mexico borderlands that reinterprets colonization reconstructs Euro American and Nuevomexicano relations and recasts the prevailing historical narrative of territorial expansion and incorporation in North American imperial history Gonzales provides critical insights into several discrete historical processes such as U S racialization and citizenship integration and marginalization accommodation and resistance internal colonialism and the long struggle for political inclusion in the borderlands shedding light on debates taking place today over Latinos and U S citizenship

**Slavery and the Founders** Paul Finkelman,2014-04-08 The new edition of this classic work addresses how the first generation of leaders of the United States dealt with the profoundly important question of human bondage This third edition incorporates a new chapter on the regulation of the African slave trade and the latest research on Thomas Jefferson

Courage Above All Things Harwood P. Hinton,Jerry Thompson,2020-10-29 For a half century John Ellis Wool 1784 1869 was one of America s most illustrious figures most notably as an officer in the United States Army during the War of 1812 the Mexican American War and the Civil War At the onset of the Civil War when he assumed command of the Department of the East Wool had been a brigadier general for twenty years and at age seventy seven was the oldest general on either side of the conflict Courage Above All Things marks the first full biography of Wool who aside from his unparalleled military service figured prominently in many critical moments in nineteenth century U S history At the time of his death in 2016 Harwood Hinton a scholar with an encyclopedic knowledge of western history had devoted fifty years to this monumental work which has been completed and edited by the distinguished historian Jerry Thompson This deeply researched and deftly written volume incorporates the latest scholarship to offer a clear and detailed account of John Ellis Wool s extraordinary life his character his life experiences and his career in wartime and during uneasy periods of relative peace Hinton and Thompson provide a thorough account of all chapters in Wool s life including three major wars the Cherokee Removal and battles with Native Americans on the West Coast From his distinguished participation in the War of 1812 to his controversial service on the Pacific coast during the 1850s and from his mixed success during the Peninsula Campaign to his overseeing of efforts to quell the New York City draft riots of 1863 John Ellis Wool emerges here as a crucial character in the story of nineteenth century America complex contradictory larger than life finally fully realized for the first time Between Freedom and Bondage Christopher Malone,2012-09-10 Between Freedom and Bondage looks at the fluctuations of black suffrage in the ante bellum North using the four states of New York Pennsylvania Massachusetts and Rhode Island as examples In each of these states a different outcome was obtained for blacks in their quest to share the vote By analyzing the various outcomes of

state struggles Malone offers a framework for understanding and explaining how the issue of voting rights for blacks unfolded between the drafting of the Constitution and the end of the Civil War      *Passions and Interests* Gerald M. Pomper, 1992 Pomper examines both empirically and normatively models of party as bureaucratic organization governing caucus cause advocate ideological community social movement urban machine rational office seeking team and personal faction He evaluates the contributions of U S political parties to democratic values and presents a program to strengthen the parties as institutions of American democracy      **The Transatlantic Persuasion** Robert Kelley, 2020-02-18 This pioneering work is the basic and largely unmatched study of the single transatlantic community of thought shared by nineteenth century British and Canadian Liberals and American Democrats The result of more than ten years of comparative research The Transatlantic Persuasion explores the roots of those ideas that comprise a coherent Liberal Democratic worldview ideas about society human relations the economy equality liberty the ethnocultural dimension of life the proper role and nature of government and the world community

## Politics In New York State 1800 1830 Introduction

In the digital age, access to information has become easier than ever before. The ability to download Politics In New York State 1800 1830 has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Politics In New York State 1800 1830 has opened up a world of possibilities. Downloading Politics In New York State 1800 1830 provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Politics In New York State 1800 1830 has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Politics In New York State 1800 1830. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Politics In New York State 1800 1830. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Politics In New York State 1800 1830, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Politics In New York State 1800 1830 has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

## FAQs About Politics In New York State 1800 1830 Books

1. Where can I buy Politics In New York State 1800 1830 books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
