Politics Mab Media And National Development:

Political Economy, New Media, and Nigerian Popular Cultures Benjamin Olumuyiwa Popoola, Israel Ayinla Fadipe, 2025-04-15 The Nigerian media industry with the introduction of information and communication technologies social networking sites and the internet has energized popular cultures that revolve around movies Nollywood Hollywood Bollywood etc music Afro hip hop American music sports football European leagues fandom celebrity worship religious movements pentecostalism nationalistic identities online streaming platforms yahoo yahoo cultures money ritualism and so on Thus the present book examines how political economy theory of the media has been used to shape these listed popular cultures in the country and what uses and gratifications people seek from them how people symbolically interacted with them and how they socially learn from these popular cultures As a matter of fact using cogent and relevant case studies with postulations of popular economy theory of the media the papers have looked into the intersection between political economy theory popular cultures and new media using postulations from other relevant media theories and methodologies Communication popular cultures and media studies scholars and students will find this book useful for academic purposes

The Political Economy of Colonialism and Nation-Building in Nigeria Samuel Ojo Oloruntoba, 2021-09-28 This book examines the ways in which colonialism continues to define the political economy of Nigeria sixty years after gaining political independence from the British It also establishes a link between colonialism and the continued agitation for restructuring the political arrangement of the country The contributions offer various perspectives on how the forceful amalgamation of disparate units and diverse nationalities have undermined the realization of the development potential of Nigeria The book is divided into two parts The first part interrogates the political economy of colonialism and the implications of this on economic development in contemporary Nigeria The second part examines nation building governance and development in a postcolonial state The failure of the postcolonial political elites to ensure inclusive governance has continued to foster centrifugal and centripetal forces that question the legitimacy of the state The forces have deepened calls for secession accentuated conflicts and predispose the country to possible disintegration A new government approach is required that would ensure equal representation access to power and equitable distribution of resources *Resources in Education*, 1992

Democratic Governance and Political Participation in Nigeria 1999 - 2014 Femi Omotoso, Michael Kehinde, 2016-05-21 The year 1999 was a watershed in the history of Nigeria as it witnessed the peaceful transfer of power from the military to the political class Given Nigerias tumultuous history of successive military interventions this development was the first genuine transition that saw the military elite transferring political power to civilians without itching to stage a comeback This edited volume composed of 22 chapters discusses the form trajectory and substance of democratic governance in post military Nigeria between 1999 and 2014 It is a compilation of well researched essays and narratives on Nigerian government and politics The book is a multi disciplinary assessment of Nigerias

democratic strides including contributions from scholars in a broad range of disciplines such as history sociology and anthropology political science economics international relations among others The book examines the factors responsible for the resilience of the current democratic governance structures in spite of centripetal and centrifugal forces frustrating democratic consolidation in the country It equally interrogates these factors and makes appropriate recommendations for overcoming them Key themes covered in the book in the Boko Haram insurgency governance and corruption militancy sharia law Islamic banking amongst others It sheds light on contending issues affecting afflicting and retarding the countrys progress Issues like ethnicity electoral corruption human rights abuses privatization of national assets kidnapping and armed robbery overbearing leadership personality and many more are critically discussed Local government autonomy and the challenges of grassroots development and civil service administration are also thoroughly analysed Democratic Governance and Political Participation in Nigeria 1999 2014 is a detailed exhaustive deep stimulating and captivating narrative of the Nigerian situation It is enthusiastically recommended for those who wish to know more about contemporary Nigerian history As a collection of contemporary issues on the Nigerian government and politics the book is recommended for courses in politics and governance in Nigeria in particular and Africa in general It is an invaluable companion for both graduate and undergraduate students as well as scholars of African politics

The SAGE Handbook of Political Communication Holli A Semetko,Margaret Scammell,2012-05-17 This authoritative and comprehensive survey of political communication draws together a team of the

world's leading scholars to provide a state of the art review that sets the agenda for future study. It is divided into five sections. Part One explores the macro level influences on political communication such as the media industry, new media technology and political systems. Part Two takes a grassroots perspective of the influences of social networks, real and online, on political communication. Part Three discusses methodological advances in political communication research. Part Four focuses on power and how it is conceptualized in political communication. Part Five provides an international, regional and comparative understanding of political communication in its various contexts. The SAGE Handbook of Political Communication is an essential benchmark publication for advanced students, researchers and practitioners in the fields of politics, media and communication, sociology and research methods. **British Qualifications 2014** Kogan Page Editorial Staff, 2013-12-03. The book includes information on awards provided by over 350 professional institutions and accrediting bodies, details of academic universities and colleges, and a full description of the current framework of academic and vocational education. It is compiled and checked annually to ensure accuracy of information. *Handbook of Media Management and Economics* Alan Albarran, Bozena Mierzejewska, Sylvia M. Chan-Olmsted, Jaemin Jung, Michael O. Wirth, 2006-04-21. This comprehensive Handbook provides a synthesis of current work and research in media management and economics. The volume has been developed around two primary objectives: assessing the state of knowledge for the key topics in the media management and economics fields and establishing the research agenda in these areas, ultimately pushing the field in new directions. The Handbook's chapters are organized into parts addressing the theoretical components, key issues, analytical tools and future directions for research. Each chapter offers the current state of theory and scholarship of a specific area of study, and the volume contributors, all well established in their areas of specialty, represent domestic and international scholarship. With its unparalleled breadth of content from expert authors, the Handbook provides background

knowledge of the various theoretical dimensions and historical paradigms and establishes the direction for the next phases of research in this growing arena of study The Handbook of Media Management and Economics will serve to stimulate future thought and research in the media management and economics disciplines As such this volume will be a required reference for students professors and industry practitioners for years to come British Qualifications 2016 Philip Kogan,2015-12-03 Now in its 46th edition British Qualifications is the definitive one volume guide to every qualification on offer in the United Kingdom With an equal focus on vocational studies this essential guide has full details of all institutions and organizations involved in the provision of further and higher education and is an essential reference source for careers advisors students and employers It also includes a comprehensive and up to date description of the structure of further and higher education in the UK The book includes information on awards provided by over 350 professional institutions and accrediting bodies details of academic universities and colleges and a full description of the current framework of academic and vocational education It is compiled and checked annually to ensure accuracy of information *E-Politics and Organizational Implications of the Internet: Power, Influence, and Social Change* Romm Livermore, Celia,2012-04-30 This book charts this influence and describes the unique effect electronic communication has on organizations communities nations and cultures Provided by publisher Strategic Integration of Social Media into Project Management Practice Silvius, Gilbert,2016-02-02 The functionality of social networking platforms has caused such technologies to become an integral part of modern society Once limited to only personal purposes the use of these platforms within organizations has seen significant growth in recent years Strategic Integration of Social Media into Project Management Practice is an authoritative reference source for the latest research on benefits and challenges presented by the integration of online social networks in the project development process Highlighting relevant perspectives on team communication effective collaboration and stakeholder engagement this book is an essential resource for project managers researchers graduate level students and practitioners interested in the innovative uses of social media in professional settings Political Handbook of the World 2024-2025 Tom Lansford,2025-04-15 The Political Handbook of the World 2024 2025 is the most authoritative and comprehensive reference guide available for understanding the political landscape of every nation and territory across the globe This updated edition features more than 200 entries offering detailed coverage of governmental structures political parties and current leadership Known for its unmatched depth the volume provides in depth analysis of both major and minor political parties and movements and delivers timely insights into recent controversies political crises and key events from the past two years This edition also includes up to date listings of ambassadors international organization memberships and expanded profiles of over 30 intergovernmental organizations and UN agencies Trusted by researchers analysts journalists and students this resource continues to deliver essential reliable political data and analysis **The Report: Gabon 2011** ,
