

The Politics of Clientelism in Colombia

Democracy and the State

John D. Martz

Politics Of Clientelism

Luis Roniger, Ayşe Güneş-Ayata

Politics Of Clientelism:

The Politics of Clientelism John D. Martz, 1997-01-01 Integrates social science literature on clientelism with a sharp narrative of Colombian politics during and after the Frente Nacional Argues that as the Colombian State developed in the second half of 20th century traditional forms of clientelism were

The Politics of Clientelism John Martz, 2017-10-12 In Latin America the state is the prime regulator coordinator and pace setter of the entire national system the apex of the pyramid from which patronage wealth power and programs flow The state bears responsibility for the realization of civic needs providing goods and services to each citizen Doing so requires the exercise and maintenance of social and political control It is John Martz's contention that clientelism underlines the fundamental character of Latin American social and political life As the modernizing bureaucratic state has developed in Latin America there has been a concurrent shifting away from clientelistic relationships Yet in one form or another political clientelism still remains central Clientelism occurs when large numbers of low status individuals such as those in the slums of rural and underdeveloped areas are protected by a powerful patron who defends their interests in return for deference or material reward In Colombia the rural patron has become a member of the higher clientelistic system as well he is dependent on a patron who operates at the national level This enables urban elites to mobilize low status clients for such acts as mass demonstrations of political loyalty to the regime Thus traditional clientelism has been modified through the process of modernization Part One of *The Politics of Clientelism* examines Colombian politics focusing on the incarnation and traditional forms of clientelism Part Two explores the policies of Colombian governance from the administrations of Lleras Camargo through Julio Cesar Turbay Ayala Part Three discusses the modernization and restructuring of Colombia in recent decades under Belisario Betancur Virgilio Barco and Cesar Gaviria As the modernizing bureaucratic state has unfolded there has been a similar shift in many clientelistic relationships Martz argues that whether corporate clientelism remains or more democratic organization develops Colombia is unlikely to shed its basic clientelistic impulses Reforms will determine whether or not the state can construct a system in which the citizenry affects the course of national politics *The Politics of Clientelism* provides a well developed theory linking regime and governmental process to policy formulation and performance in Colombia It will be engrossing reading for economists sociologists political scientists and other researchers interested in Latin America

Clientelism in Everyday Latin American Politics T. Hilgers, 2012-12-05 This book improves understandings of how and why clientelism endures in Latin America and why state policy is often ineffective Political scientists and sociologists the contributors employ ethnography targeted interviews case studies within case and regional comparison thick descriptions and process tracing

Political Parties and Electoral Clientelism Sergiu Gherghina, Miroslav Nemčok, 2023-09-26 Contemporary political parties often use state resources to win elections In this context electoral clientelism evolved from the straightforward vote buying to sophisticated exchanges in which the relationship between patrons parties or candidates and clients voters is sometimes difficult to grasp

We address the question how do the distributive politics and electoral clientelism interact how these forms of interactions differ across various context and what implications they bring for the functioning of political systems The special issue provides theoretical methodological and empirical contributions to the burgeoning literature about the multi faceted feature of electoral clientelism It unfolds the complex relationship between distributive politics and clientelism and conceptualizes electoral clientelism as a dynamic process that occurs through different sequences It enriches the methodological tools aimed at investigating electoral clientelism Finally the specialissue approaches clientelism from several perspectives and brings together substantive empirical evidence about the varieties of clientelism around the world

Democracy, Clientelism, and Civil Society Luis Roniger,Ayşe Güneş-Ayata,1994 **Political Clientelism, Patronage, and Development** Shmuel Noah Eisenstadt,René Lemarchand,1981 *Clientelism, Social Policy, and the Quality of Democracy* Diego Abente Brun,Larry Diamond,2014-03 Abente Brun and Diamond invited some of the best social scientists in the field to systematically explore how political clientelism works and evolves in the context of modern developing democracies with particular reference to social policies aimed at reducing poverty Clientelism Social Policy and the Quality of Democracy is balanced between a section devoted to understanding clientelism s infamous effects and history in Latin America and a section that draws out implications for other regions specifically Africa Southeast Asia and Eastern and Central Europe

Patrons, Clients and Policies Herbert Kitschelt,Steven I. Wilkinson,2007-03-29 A study of patronage politics and the persistence of clientelism across a range of countries Democracy for Sale Edward Aspinall,Ward Berenschot,2019-04-15 Democracy for Sale is an on the ground account of Indonesian democracy analyzing its election campaigns and behind the scenes machinations Edward Aspinall and Ward Berenschot assess the informal networks and political strategies that shape access to power and privilege in the messy political environment of contemporary Indonesia In post Suharto Indonesian politics the exchange of patronage for political support is commonplace Clientelism argue the authors saturates the political system and in Democracy for Sale they reveal the everyday practices of vote buying influence peddling manipulating government programs and skimming money from government projects In doing so Aspinall and Berenschot advance three major arguments The first argument points toward the role of religion kinship and other identities in Indonesian clientelism The second explains how and why Indonesia s distinctive system of free wheeling clientelism came into being And the third argument addresses variation in the patterns and intensity of clientelism Through these arguments and with comparative leverage from political practices in India and Argentina Democracy for Sale provides compelling evidence of the importance of informal networks and relationships rather than formal parties and institutions in contemporary Indonesia

Clientelism and Democratic Representation in Comparative Perspective Saskia Ruth-Lovell,Maria Spirova,2019-10-15 Since the Third Wave of democratization research on clientelism has experienced a revival The puzzling persistence of clientelism in new and old democracies inspired researchers to investigate the micro foundations and causes

of this phenomenon Though the decline of clientelistic practices such as vote buying and patronage in democratic contexts has often been predicted they have proven to be highly adaptive strategies of electoral mobilization and party building This volume seeks to contribute to this new line of research and develops a theoretical framework to study the consequences of clientelism for democratic governance Under governance we understand all processes of governing whether undertaken by a government market or network whether over a family tribe formal or informal organization or territory and whether through laws norms power or language

Democracy, Credibility, and Clientelism Philip Keefer, Razvan Vlaicu, 2005 Keefer and Vlaicu demonstrate that sharply different policy choices across democracies can be explained as a consequence of differences in the ability of political competitors to make credible pre electoral commitments to voters Politicians can overcome their credibility deficit in two ways First they can build reputations This requires that they fulfill preconditions that in practice are costly informing voters of their promises tracking those promises and ensuring that voters turn out on election day Alternatively they can rely on intermediaries patrons who are already able to make credible commitments to their clients Endogenizing credibility in this way the authors find that targeted transfers and corruption are higher and public good provision lower than in democracies in which political competitors can make credible pre electoral promises They also argue that in the absence of political credibility political reliance on patrons enhances welfare in the short run in contrast to the traditional view that clientelism in politics is a source of significant policy distortion However in the long run reliance on patrons may undermine the emergence of credible political parties The model helps to explain several puzzles For example public investment and corruption are higher in young democracies than old and democratizing reforms succeeded remarkably in Victorian England in contrast to the more difficult experiences of many democratizing countries such as the Dominican Republic This paper a product of the Growth and Investment Team Development Research Group is part of a larger effort in the group to investigate the political economy of development World Bank web site

Buying Audiences Paula Muñoz Chirinos, 2019 Develops a new theory of how politicians campaign and deploy electoral clientelism in weak party systems

Curbing Clientelism in Argentina Rebecca Weitz-Shapiro, 2014-10-06 In many young democracies local politics remain a bastion of nondemocratic practices from corruption to clientelism to abuse of power Focusing on the practice of clientelism in social policy in Argentina this book argues that only the combination of a growing middle class and intense political competition leads local politicians to opt out of clientelism

Mobilizing Poor Voters Mariela Szwarcberg, 2015-07-15 Using network analysis and quantitative and qualitative data this book explains why candidates use clientelistic strategies to mobilize poor voters

Brokers, Voters, and Clientelism Susan C. Stokes, Thad Dunning, Marcelo Nazareno, Valeria Brusco, 2013-09-16 Brokers Voters and Clientelism addresses major questions in distributive politics Why is it acceptable for parties to try to win elections by promising to make certain groups of people better off but unacceptable and illegal to pay people for their votes Why do parties often lavish benefits on loyal voters whose

support they can count on anyway rather than on responsive swing voters Why is vote buying and machine politics common in today s developing democracies but a thing of the past in most of today s advanced democracies This book develops a theory of broker mediated distribution to answer these questions testing the theory with research from four developing democracies and reviews a rich secondary literature on countries in all world regions The authors deploy normative theory to evaluate whether clientelism pork barrel politics and other non programmatic distributive strategies can be justified on the grounds that they promote efficiency redistribution or voter participation

Comparing Political Corruption and Clientelism Junichi Kawata,2017-03-02 Past modernization literature has assumed that corruption and clientelism reflect a pre modern social structure and could be referred to as a pathologic phenomenon of the political system Very few have considered corruption and clientelism as structural products of an interwoven connection between capital accumulation bureaucratic rationalization interest intermediation and political participation from below This volume analyzes key aspects of the debate such as should corruption and clientelism be evaluated as a lubricant in terms of administrative efficiency legitimate demands from the margins of society to redress social and economic inequality or to readdress economic development What would be the effect of strengthening policing to control political corruption Could electoral reform or a decentralization of government power be a cure for all These questions among others are answered in this comprehensive volume

Clientelism, Capitalism, and Democracy Didi Kuo,2018-08-16 Political parties in the United States and Britain used clientelism and patronage to govern throughout the nineteenth century By the twentieth century however parties in both countries shifted to programmatic competition This book argues that capitalists were critical to this shift Businesses developed new forms of corporate management and capitalist organization and found clientelism inimical to economic development Drawing on extensive archival research in the United States and Britain this book shows how national business organizations pushed parties to adopt programmatic reforms including administrative capacities and policy centered campaigns Parties then shifted from reliance on clientelism as a governing strategy in elections policy distribution and bureaucracy They built modern party organizations and techniques of interest mediation and accommodation This book provides a novel theory of capitalist interests against clientelism and argues for a more rigorous understanding of the relationship between capitalism and political development

Readings in African Politics Tom Young,2003 Table of contents

Clientelism and Patronage in the Middle East and North Africa Laura Ruiz de Elvira,Christoph Schwarz,Irene Weipert-Fenner,2018-07-17 One common demand in the 2011 uprisings in the MENA region was the call for freedom dignity and social justice Citizens rallied against corruption and clientelism which for many protesters were deeply linked to political tyranny This book takes the phenomenon of the 2011 uprisings as a point of departure for reassessing clientelism and patronage across the entire MENA region Using case studies covering Morocco Tunisia Egypt Jordan Lebanon Turkey and the Gulf monarchies it looks at how the relationships within and between clientelist and patronage

networks changed before 2011 The book assesses how these changes contributed to the destabilization of the established political and social order and how they affected less visible political processes It then turns to look at how the political transformations since 2011 have in turn reconfigured these networks in terms of strategies and dynamics and concomitantly what implications this has had for the inclusion or exclusion of new actors Are specific networks expanding or shrinking in the post 2011 contexts Do these networks reproduce established forms of patron client relations or do they translate into new modes and mechanisms As the first book to systematically discuss clientelism patronage and corruption against the background of the 2011 uprisings it will be a valuable resource for students and scholars of Middle Eastern Studies The book also addresses major debates in comparative politics and political sociology by offering networks of dependency as an interdisciplinary conceptual approach that can travel across place and time Chinese Politics and Society Flemming Christiansen, Shirin Rai, 2014-02-04 An introduction to Chinese Politics which provides an accessible overview of the structures and dynamics of Chinese politics today Concentrating on the era since 1949 the text takes a look at politics in the widest sense analysing political institutions within the crucial broader context of Chinese history and the pressures of social economic and cultural changes

Politics Of Clientelism Introduction

In the digital age, access to information has become easier than ever before. The ability to download Politics Of Clientelism has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Politics Of Clientelism has opened up a world of possibilities. Downloading Politics Of Clientelism provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Politics Of Clientelism has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Politics Of Clientelism. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Politics Of Clientelism. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Politics Of Clientelism, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Politics Of Clientelism has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF

resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Politics Of Clientelism Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Politics Of Clientelism is one of the best book in our library for free trial. We provide copy of Politics Of Clientelism in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Politics Of Clientelism. Where to download Politics Of Clientelism online for free? Are you looking for Politics Of Clientelism PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase.
