

Politics Of Large Numbers

**J. Gordon Mowat, John Alexander
Cooper, Newton MacTavish**

Politics Of Large Numbers:

The Politics of Large Numbers Alain Desrosières, 1998 Begins with study of history of statistics and shows how the evolution of modern statistics has been inextricably bound up with the knowledge and power of governments The Power of Large Numbers Joshua Cole, 2000 French government officials have long been known among Europeans for the special attention they give to the state of their population In the first half of the nineteenth century as Paris doubled in size and twice suffered the convulsions of popular revolution civic leaders looked with alarm at what they deemed a dangerous population explosion After defeat in the Franco Prussian War in 1870 however the falling birthrate generated widespread fears of cultural and national decline In response legislators promoted larger families and the view that a well regulated family life was essential for France In this innovative work of cultural history Joshua Cole examines the course of French thinking and policymaking on population issues from the 1780s until the outbreak of the Great War During these decades increasingly sophisticated statistical methods for describing and analyzing such topics as fertility family size and longevity made new kinds of aggregate knowledge available to social scientists and government officials Cole recounts how this information heavily influenced the outcome of debates over the scope and range of public welfare legislation In particular as the fear of depopulation grew the state wielded statistical data to justify increasing intervention in family life and continued restrictions on the autonomy of women

Science, Numbers and Politics Markus J. Prutsch, 2019-06-04 This study explores the dynamic relationship between science numbers and politics What can scientific evidence realistically do in and for politics The volume contributes to that debate by focusing on the role of numbers as a means by which knowledge is expressed and through which that knowledge can be transferred into the political realm Based on the assumption that numbers are constantly being actively created translated and used and that they need to be interpreted in their respective and particular contexts it examines how numbers and quantifications are made politically workable examining their production their transition into the sphere of politics and their eventual use therein Key questions that are addressed include In what ways does scientific evidence affect political decision making in the contemporary world How and why did quantification come to play such an important role within democratic politics What kind of work do scientific evidence and numbers do politically

The New Politics of Numbers Andrea Mennicken, Robert Salais, 2021-10-11 This open access book offers unique insight into how and where ideas and instruments of quantification have been adopted and how they have come to matter Rather than asking what quantification is New Politics of Numbers explores what quantification does its manifold consequences in multiple domains It scrutinizes the power of numbers in terms of the changing relations between numbers and democracy the politics of evidence and dreams and schemes of bettering society The book engages Foucault inspired studies of quantification and the economics of convention in a critical dialogue In so doing it provides a rich account of the plurality of possible ways in which numbers have come to govern highlighting not only their disciplinary effects but also the collective

mobilization capacities quantification can offer This book will be invaluable reading for academics and graduate students in a wide variety of disciplines as well as policymakers interested in the opportunities and pitfalls of governance by numbers

The Canadian Magazine of Politics, Science, Art & Literature J. Gordon Mowat, John Alexander Cooper, Newton MacTavish, 1893 *Diasporas in World Politics* Dimitri Conostas, Athanassios G. Platias, 1993-06-18 Demonstrates the impact of diasporas on interstate relations and forms some propositions regarding the conditions affecting the influence exerted by diasporas Problems and dilemmas are reviewed and a comparison is made of three archetypical diasporas the Greek the Jewish and the Armenian The Politics of Innovation Mark Zachary Taylor, 2016 Why are some countries better than others at science and technology Written in accessible language The Politics of Innovation provides readers from all backgrounds with a useful survey of the innovation debate It presents extensive evidence to show that national institutions and policies do not determine innovation rates but politics do The Oxford Handbook of Indian Politics Sumit Ganguly, Eswaran Sridharan, 2024-07-11 The study of Indian politics has witnessed a dramatic revival worldwide in the last few decades There have been significant developments in national politics since 2014 with the advent of the single party majority government of the Bharatiya Janata Party the first such majority since 1984 Moreover the results of the 17th Lok Sabha Lower House election in India in 2019 have had major implications for the party system in India In the light of these developments The Oxford Handbook of Indian Politics provides the most comprehensive up to date coverage of the state of contemporary Indian politics To that end it examines the evolution of core institutions processes policies and associated issues that are being debated in India s politics It also provides historical contexts discusses the state of the extant literature in each issue area and suggests avenues for future research The contributors to this volume are all noted scholars and researchers in their respective fields of specialization located both in India and around the world The major topics covered include the Constitution citizenship the houses of Parliament the Cabinet the judiciary federalism and local governments elections parties and coalitions secularism and minorities caste gender and migration political violence political finance political economy and foreign and defence policies In effect The Oxford Handbook of Indian Politics offers scholars analysts and students a sweeping overview of the current landscape of Indian politics with particular attention to issues that have emerged over the past decade *The Politics of Uneven Development* Richard F. Doner, 2009-02-09 Why do some middle income countries diversify their economies but fail to upgrade to produce world class products based on local inputs and technological capacities Why have the little tigers of Southeast Asia such as Thailand continued to lag behind the Newly Industrializing Countries of East Asia Richard Doner goes beyond political will by emphasizing institutional capacities and political pressures development challenges vary upgrading poses tough challenges that require robust institutional capacities Such strengths are political in origin They reflect pressures such as security threats and resource constraints which motivate political leaders to focus on efficiency more than clientelist payoffs Such pressures help to explain the political institutions

veto players through which leaders operate Doner assesses this argument by analyzing Thai development historically in three sectors sugar textiles and autos and in comparison with both weaker and stronger competitors Philippines Indonesia Taiwan Brazil and South Korea

Population, Gender and Politics Roger Jeffery, Patricia Jeffery, 1997-07-13 Roger and Patricia Jeffery are well known for their work on religion and gender in South Asia In their latest book a study of the demographic processes of two castes in rural north India they ask why fertility levels are higher among the Muslim Sheikhs than the Hindu Jats They conclude that explanations can only partially be attributed to gender relationships and religion and it is the economic and political interests of both groups which are the defining factors Their marginal economic position provides little incentive for the Sheikhs to raise small families while the Jats who are locally dominant are encouraged to use birth control and educate their children The authors go on to demonstrate the significance of this analysis for a wider understanding of the problems of population and politics in India generally The book will be invaluable for students of South Asia and for anyone interested in the demography of developing countries

Immigrants and Electoral Politics Heath Brown, 2016-08-31 In *Immigrants and Electoral Politics* Heath Brown shows why nonprofit electoral participation has emerged in relationship to new threats to immigrants on one hand and immigrant integration into U S society during a time of demographic change on the other Immigrants across the United States tend to register and vote at low rates thereby limiting the political power of many of their communities In an attempt to boost electoral participation through mobilization some nonprofits adopt multifaceted political strategies including registering new voters holding candidate forums and phone banking to increase immigrant voter turnout Other nonprofits opt to barely participate at all in electoral politics preferring to advance the immigrant community by providing exclusively social services Brown interviewed dozens of nonprofit leaders and surveyed hundreds of organizations To capture the breadth of the immigrant experience Brown selected organizations operating in traditional centers of immigration as well as new gateways for immigrants across the South Florida Illinois Michigan New Jersey New York and North Carolina The stories that emerge from his research include incredible successes in mobilizing immigrant communities including organizations that registered sixty thousand new immigrant voters in New York They also reveal efforts to suppress nonprofit voter mobilization in Florida and describe the organizational response to hate crimes directed at immigrants in Illinois

Post-Mandal Politics in Bihar Sanjay Kumar, 2018-02-19 An extensive coverage on how Bihar politics has changed over the past few decades

Politics, Economy, and Society in Contemporary China Bill Brugger, Stephen Reglar, 1994 This analytic overview of contemporary Chinese politics focuses on six major themes agriculture urban life and industry law and policing intellectuals women and the family and minority nationalities

Refugee Governance, State and Politics in the Middle East Zeynep Şahin Mencütek, 2018-11-13 The movement of displaced people migrants and refugees has become increasingly important around the world leading to a need for increased scrutiny of global responses and policies towards migration This book focuses on the Middle East where many nations are

part of this global phenomenon as both home transit and or host country Refugee Governance State and Politics in the Middle East examines the patterns of legal political and institutional responses to large scale Syrian forced migration It analyses the motivations behind neighbouring countries policy responses how their responses change over time and how they have an impact on regional and global cooperation Looking in particular at Turkey Lebanon and Jordan three of the world s top refugee hosting countries this book explores how refugee governance differs across countries and why they diverge To theorize variations the book introduces multi pattern and multi stage refugee governance models as two complementary analytical frameworks The book further argues that each of these three states refugee responses is constructed based on three main factors internal political interests economic development related concerns and foreign policy objectives as well as interactions among them The book s categorizations and models on policy fields actors stages patterns and driving forces provide analytical tools to researchers for comparative analyses Scholars and students of Comparative Politics International Relations Refugee Studies Global Governance and Middle Eastern Studies will find this book a useful contribution to their fields The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial No Derivatives CC BY ND 4 0 license

World Politics and the Evolution of War John J. Weltman, 1995 In this comprehensive study international relations scholar John Weltman explores the many roles of war in world politics With topics ranging from the development of strategic thought to the effects on war of political and technological change from the uses of force and threats of force to the uses of arms control from the prominence of war in history to its likely fate in the post Cold War world Weltman s analysis offers a detailed thoroughgoing and rigorous overview of the subject Throughout Weltman questions a number of widely held assumptions To the conventional argument that the number of players in the international system determines the incidence and character of war he responds with evidence that suggesting that the social material and intellectual context within which conflicts occur is far more influential Weltman also questions the prevailing wisdom that democracies are inherently peaceful and autocracies inherently warlike arguing instead that the propensity to wage war and the effects of war are largely the products of prevailing expectations whether or not war offers a means for the cheap easy and decisive accomplishment of a government s objectives And he criticizes the dominant view that conflict even violent conflict is psychologically abnormal Drawing upon the traditional distinction between wars of attrition and wars of annihilation Weltman sees the trend toward the former despite the anomalous Persian Gulf conflict as likely to continue While this trend does not suggest the end of warfare much less the end of history it does imply the localization of conflict and the minimization of the danger of global conflagration The new world order Weltman concludes will be far from peaceful but the conflicts that do arise will be slow burning and difficult to spread Outside intervention in these conflicts will be costly

Public Opinion, Campaign Politics & Media Audiences Bridget Griffen-Foley, Sean Scalmer, 2017-01-30 This timely book investigates the fascinating landscape of media driven politics

through the prisms of public opinion political campaigning and audiences From Indigenous voting rights and climate change to talkback radio and right wing populism Public Opinion Campaign Politics Media Audiences showcases new research in political science history and media studies Contributors scrutinise the relationship between polls party policy and voting behaviour and evaluate the roles of oratory and the media in electioneering and political communication across Australia Britain and the United States The eight chapters are based on papers delivered at a symposium to honour Murray Goot FASSA Emeritus Professor of Politics and International Relations on his retirement from Macquarie University *New American Government and Politics* Arthur Raymond McCook, 1916 Discrimination, Jobs, and Politics Paul Burstein, 1998-02-28 Throughout this impressive and controversial account of the fight against job discrimination in the United States Paul Burstein poses searching questions Why did Congress adopt EEO legislation in the sixties and seventies Has that legislation made a difference to the people it was intended to help And what can the struggle for equal employment opportunity tell us about democracy in the United States This is an important well researched book Burstein has had the courage to break through narrow specializations within sociology and even to address the types of acceptable questions usually associated with three different disciplines political science sociology and economics This book should be read by all professionals interested in political sociology and social movements Donald Tomaskovic Devey Social Forces Discrimination Jobs and Politics is satisfying because it tells a more complete story than does most sociological research I find myself returning to it when I m studying the U S women s movement and recommending it to students struggling to do coherent research Rachel Rosenfeld Contemporary Sociology **The Oxford Handbook of Turkish Politics** Güneş Murat Tezcür, 2022 The study of politics in Turkey new horizons and perennial pitfalls G ne Murat Tezcür Democratization theories and Turkey Ekrem Karako Ruling ideologies in modern Turkey Kerem ktem Constitutionalism in Turkey Asl B li Civil military relations and the demise of Turkish democracy Nil S Satana and Burak Bilgehan zpek Capturing secularism in Turkey the ease of comparison Murat Akan The political economy of Turkey since the end of World War II evket Pamuk Neoliberal politics in Turkey Sinan Erens and Yahya M Madra The politics of welfare in Turkey Erdem Y r k The political economy of environmental policymaking in Turkey a vicious cycle Fikret Adaman Bengi Akbulut and Murat Arsel The politics of energy in Turkey running engines on geopolitical discursive and coercive power Beg m zkaynak Ethemcan Turhan and Cem skender Ayd n The contemporary politics of health in Turkey diverse actors competing frames and uneven policies Volkan Y lmaz Populism in Turkey historical and contemporary patterns Y ksel Ta k n Old and new polarizations and failed democratizations in Turkey Murat Somer Economic voting during the AKP era in Turkey S Erdem Ayta Party organizations in Turkey and their consequences for democracy Melis G Laebens The evolution of conventional political participation in Turkey Ersin Kalayc o lu Symbolic politics and contention in the Turkish Republic Senem Aslan Islamist activism in Turkey Menderes nar The Kurdish movement in Turkey understanding everyday perceptions and experiences Dilan Okcuoglu The Transnational Mobilization of

the Alevis of Turkey from invisibility to the struggle for equality Ceren Lord Politics of asylum seekers and refugees in Turkey limits and prospects of populism Fatih Resul K l n and ule Tokta A theoretical account of Turkish foreign policy under the AKP Tar k O uzlu US Turkey relations since WWII from alliance to transactionalism Serhat G ven and Soli zel Turkey and Europe historical asynchronicities and perceptual asymmetries Hakan Y lmaz Turkey s foreign policy in the Middle East an identity perspective Lisel Hintz Turkey and Russia historical patterns and contemporary trends in bilateral relations Evren Balta and Mitat elikpala Citizenship and protest behavior in Turkey Ayhan Kaya Gender politics and the struggle for equality in Turkey Zehra F Kabasakal Arat Human rights organizations in Turkey Ba ak al Truth justice and commemoration initiatives in Turkey Onur Bakiner The politics of media in Turkey chronicle of a stillborn media system Sarphan Uzuno lu The AKP s rhetoric of rule in Turkey political melodramas of conspiracy from ergenekon to mastermind Erda G knar The transformation of political cinema in Turkey since the 1960s a change of discourse Zeynep etin Erus and M Elif Demo lu Political music in Turkey the birth and diversification of dissident and conformist music 1920 2000 Mustafa Avc *Shia Islam and Politics* Jon Armajani, 2020-05-20 This book argues that ever since Iran s Islamic Revolution in 1979 which established a Shia Islamic government in Iran that country s religious and political leaders have used Shia Islam as a crucial way of expanding Iran s objectives in the Middle East and beyond Since 1979 Iran s religious and political leaders have been concerned about Iran s security in the face of the hostility and expansionism of the United States and other western countries and the threats from powerful neighboring Sunni leaders and countries While Iran s government has attempted to align itself with Shia Muslims in various countries such as Iraq and Lebanon against American and Sunni expansionism the Iranian government has attempted to religiously nourish and politically mobilize those Shias as a matter of principle not only because of the Iranian government s desires to protect Iran from external threats The book analyzes Shia Islam and politics in Iran Iraq and Lebanon which have among the largest proportional Shia populations in the Middle East and are vibrant centers of Shia intellectual life The book s clear and jargon free approach make it especially accessible for students and general readers who would like an introduction to the book s topics

Politics Of Large Numbers Introduction

In the digital age, access to information has become easier than ever before. The ability to download Politics Of Large Numbers has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Politics Of Large Numbers has opened up a world of possibilities. Downloading Politics Of Large Numbers provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Politics Of Large Numbers has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Politics Of Large Numbers. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Politics Of Large Numbers. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Politics Of Large Numbers, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Politics Of Large Numbers has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By

doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Politics Of Large Numbers Books

1. Where can I buy Politics Of Large Numbers books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
