Non-State Actors in World Politics D. Josselin,W. Wallace,2001-10-29 The involvement of non state actors in world politics can hardly be characterised as novel but intensifying economic and social exchange and the emergence of new modes of international governance have given them much greater visibility and many would argue a more central role Non state Actors in World Politics offers analyses of a diverse range of economic social legal and illegal old and new actors such as the Catholic Church trade unions diasporas religious movements transnational corporations and organised crime Challenge and Response Robert Royal,1985 February 1985 Cover Investment and Social Responsibility, South Africa ,1986

From Mainline to Sideline Lloyd Billingsley,1990 Despite charges that the National Council of Churches funneled money to Marxist Leninist governments and insurgencies there has been no sustained examination of the NCC s politics or spending habits Now journalist K L Billingsley documents a pattern of political partisanship by the NCC *The Business Turn in American Religious History* Amanda Porterfield,Darren E. Grem,John Corrigan,2017 Business has received little attention in American religious history although it has profound implications for understanding the sustained popularity and ongoing transformation of religion in the United States This volume offers a wide ranging exploration of the business aspects of American religious organizations The authors analyze the financing production marketing and distribution of religious goods and services and the role of wealth and economic organization in sustaining and even shaping worship charity philanthropy institutional growth and missionary work Treating religion and business holistically their essays show that American religious life has always been informed by business practices Laying the groundwork for further investigation the authors show how American business has functioned as a domain for achieving religious goals Indeed they find that religion has historically been more powerful when interwoven with business Chapters on Mormon enterprise Jewish philanthropy Hindu gurus Native American casinos and the wedding of business wealth to conservative Catholic social teaching demonstrate the range of new studies stimulated by the business turn in American religious history Other chapters show how evangelicals joined neo liberal economic practice and right wing politics to religious fundamentalism to consolidate wealth and power and how they developed marketing campaigns and organizational strategies that transformed the American religious landscape Included are essays exposing the moral compromises religious organizations have made to succeed as centers of wealth and influence and the religious beliefs that rationalize and justify these compromises Still others examine the application of business practices as a means of sustaining religious institutions and expanding their reach and look at controversies over business practices within religious organizations and the adjustments such organizations have made in response Together the essays collected here offer new ways of conceptualizing the interdependence of religion and business in the United States establishing multiple paths for further study of their intertwined historical development **South Africa Under Apartheid** Jacqueline Audrey Kalley,1987 As apartheid s crisis has deepened so interest in South Africa s past
