Colin McInnes

Politics Of The New Europe:

Governing the New Europe Jack Ernest Shalom Hayward, Edward Page, 1995 *Governing the New Europe* provides a comprehensive and scholarly account of the changing political map of Europe as it emerges from the Cold War Exploring the variations of liberal democracy and market economy among the European states as well as current trends in these directions the contributors to this volume all leading authorities in European politics consider whether a common political model has begun to emerge out of historic European diversity Beginning with a discussion of the political economic and cultural development of Europe from a historical perspective the focus of the book shifts to an examination of the changing forms of European democracy and the move from public ownership and planning to privatization and deregulated competition Further essays analyze the challenge to national party systems and electoral performance from emerging social movements and organized interest groups Political and bureaucratic structures are also examined as is the new European constitutionalism reflected in the increasingly significant role of the judiciary Lastly attention is turned to several major themes in European politics the changing foundations of foreign and security policy the function of industrial champion firms and the retreat from the welfare state Primarily comparative in its scope *Governing the New Europe* does devote particular attention to specific major states as well as to the importance of the European Union to the political life of member and non member countries Neither exaggerating the common features of the patterns that have emerged in contemporary Europe nor capitulating to the complexity of enduring differences and instabilities between states *Governing the New Europe* will become one of the standard texts in its field Contributors Jack Hayward Jolyon Howorth Herbert Kitschelt Marie Lavigne Tom Mackie Michael Mezey Edward C Page Richard Parry Richard Rose Anthony Smith Alec Stone *The Politics of the New Europe* Ian Budge, Kenneth Newton, 2014-01-21 A pioneering textbook which explains the dynamics of politics across Europe in the post Cold war era Comparing democratisation transition to a market economy and increasing economic and political integration in the countries of central and eastern Europe with experiences in Scandinavia and southern and western Europe the book provides a wealth of information and analysis on the state of Europe at the end of a momentous century of European and World history Immigration and Politics in the New Europe Gallya Lahav, 2004-04-22 With almost a quarter of the world s migrants Europe has been attempting to regulate migration and harmonize immigration policy at the European level The central dilemma exposed is how liberal democracies can reconcile the need to control the movement of people with the desire to promote open borders free markets and liberal standards Gallya Lahav s book traces ten years of public opinion and elite attitudes toward immigration cross nationally to show how and why increasing EU integration may not necessarily lead to more open immigration outcomes Empirical evidence reveals that support from both elite and public opinion has led to the adoption of restrictive immigration policies despite the requirements of open borders Unique in bringing together original data on European legislators and national elites longitudinal data on public opinion and institutional and policy analyses this

2004 study provides an important insight into the processes of European integration and globalization more broadly

Political Parties in the New Europe Kurt Richard Luther, Ferdinand Müller-Rommel, 2002 The scope and intensity of the challenges currently faced by western European political parties is exceptionally large threatening the viability of the manner in which they have traditionally operated and causing them to seek new behaviours and strategies This volume brings together some of the foremost scholars of European party politics whose evaluation of political parties in the new Europe is organised under four broad headings Parties and Society Parties as Purposive Organisations Parties and National Government and Parties the Nation State and Beyond The contributors review the latest empirical findings and provide a concise critical review of the theoretical and methodological state of the art They also highlight the analytical challenges confronting party researchers and suggest new avenues for party research Party Government in the New Europe Hans Keman, Ferdinand Müller-Rommel, 2012 This study presents comparative analyses of the process of party governance from formation and duration to performance It compares both the developments in the Eastern and Western part of Europe and uses different types of methods and data are used for comparative analysis Separatism and Sovereignty in the New Europe Janet Laible, 2008-11-23 This book investigates why despite European integration separatist nationalism continues to thrive in EU member states Laible demonstrates that the EU sustains the importance of statehood and therefore separatism and creates new forms of political capital that nationalists employ in their struggles for self government Security and Strategy in the New Europe Colin McInnes, 2002-09-11 The thawing of the Cold War has brought new concerns over the nature of European security to the fore and uncovered major differences in the approaches of individual states to changed circumstances This book clarifies the options for a new European security order and contribute to the growing debate It adopts a medium term analytical approach and uses a three tier format covering the nature and structure of security and the security implications of Europe's resurgent nationalism security strategy with particular reference to the NATO perspective and to the European Community and the distinctive security concerns of individual states It looks at both Eastern and Western Europe and at the Soviet Union and it analyses the role of the United States in European security The thawing of the Cold War has brought new concerns over the nature of European security to the fore and uncovered major differences in the approaches of individual states to changed circumstances Ethnicity and Democratisation in the New Europe Karl Cordell, 2006-08-21 A broad ranging study that explores the complex relationship between ethnicity and democratization focusing on specific case studies including France Spain Slovakia the Czech Republic Russia Albania and Hungary Marrying the empirical and theoretical the book begins by conceptualizing the nature of ethnicity and relating these ideas to different theories of democracy and democratization The contributors locate ethnic experiences within a series of common frameworks to shed light on key issues such as the effect of democratization and authoritarian rule on ethnic tensions the extent to which ethnicity is constructed as an ideological tool whether democracy can only function if all citizens are fully assimilated The

New Europe Robert William Seton-Watson,1917 The New Europe ,1918 **Migration and Welfare in the New Europe** Emma Carmel,Alfio Cerami,Theodoros Papadopoulos,2011 Providing innovative insights this book moves the debate on migration and integration policies in the enlarged European Union and its member states onto new terrain

Negotiating Diplomacy in the New Europe Stefanos Katsikas,2011-10-30 Bulgaria has faced previously unimaginable pressures over the last two decades as it struggles to adapt to a post Communist landscape and to reform both state and society in the wake of the fall of the Soviet Union while facing the challenge of increased efforts by NATO and the EU to expand into this region In *Negotiating Diplomacy in the New Europe* Stefanos Katsikas sheds new light on the mechanisms and factors which have influenced the making and shaping of Bulgarian foreign policy examining the extent to which both domestic factors and the international environment have affected its trajectory Following the promulgation of Gorbachev's now famous policies of glasnost and perestroika and the fall from power of the Bulgarian Communist Party led at the time by Todor Zhivkov many have directly attributed Bulgaria's changes in foreign policy to the processes of democratization witnessed throughout Eastern Europe However although this was to some extent the case the commonalities shared with the country's foreign policy during the Cold War era leave in question the extent to which the effects of democratization alone suffice to explain Sofia's post communist diplomatic and strategic policies By analysing the influencing factors of Bulgaria's foreign policy since 1989 Katsikas considers factors such as domestic policies as well as the effects of EU and NATO efforts to expand their influence and membership Rich in primary sources including personal interviews with key protagonists who have dominated foreign policy making in both communist and post communist Bulgaria *Negotiating Diplomacy in the New Europe* examines the shift of foreign relations not only within the context of post Cold War democratization but also the country's integration into wider Euro Atlantic frameworks It thus holds invaluable analysis for researchers of Europe's post communist international relations as well as those interested in the processes of democratization and those of foreign policy formation
