Public-Private Partnership Monitor Asian Development Bank,2024-09-01 This report assesses trends and developments in India s public private partnerships PPP landscape as the fast growing economy seeks to build an estimated 1 4 trillion in infrastructure to support sustainable economic growth This key ADB publication examines the evolution of India s PPP sector analyzing the national landscape local government policies and key sectors including transport energy and communication With India s projected population increase the report highlights how innovative PPP models and a systematic approach can help address the impacts of climate change and make cities more livable for the rapidly urbanizing population *India Inspires* Tuhin Sinha,2018-08-18 Nitin Gadkari Union Minister for Road Transport and Highways Shipping Water Resources and Ganga Rejuvenation is among the most efficient ministers of the present government From an average highways road construction pace of 3 km day in May 2014 when he took over under his tenure this figure now stands at 27 km day The National Highways earlier a stretch of 96 000 km is now in the process of being expanded to double the length An unprecedented number of new expressways have been launched whereas important highways whose construction had been stalled for years have now seen the light of the day In the shipping sector under the ambitious Sagarmala Project the

government is developing port infrastructure along the country's 7 500 km coastline. The project includes modernization of the ports and islands and the creation of coastal special economic zones. In his new ministries Water Resources and Ganga Rejuvenation Gadkari has infused new energy with path breaking initiatives around the interlinking of rivers and expediting the cleaning of Ganga. If one takes into account the sheer magnitude of cumulative infrastructure development work undertaken by Gadkari's ministries over the last four years it is nothing short of an infrastructure revolution. In this book Tuhin provides a rare insight into the working style of the maverick minister besides telling us how these ministries are silently and crucially fuelling Prime Minister Narendra Modi's dream of New India.

River of Love in an Age of Pollution David Haberman, 2023-09-01 Celebrated as an aquatic form of divinity for thousands of years the Yamuna is one of India's most sacred rivers. A prominent feature of north Indian culture the Yamuna is conceptualized as a goddess flowing with liquid love yet today it is severely polluted the victim of fast paced industrial development. This fascinating and beautifully written book investigates the stories theology and religious practices connected with this river goddess collected from texts written over several millennia as well as from talks with pilgrims priests and worshippers who frequent the pilgrimage sites and temples located on her banks. David L Haberman offers a detailed analysis of the environmental condition of the river and examines how religious practices are affected by its current pollution. He introduces Indian river environmentalism a form of activism that is different in many ways from its western counterpart. *River of Love in an Age of Pollution* concludes with a consideration of the broader implications of the Yamuna's plight and its effect on worldwide efforts to preserve our environment.

Celebrated as an aquatic form of divinity for thousands of years the Yamuna is one of India's most sacred rivers. A prominent feature of north Indian culture the Yamuna is conceptualized as a goddess flowing with liquid love yet today it is severely polluted.
