Polly Piglet:

Polly Piglet Enid Blyton,1996 Ebl Enid Blyton,1938-12-31 **Polly Piglet** Dorothy Clark,1961 **Pigs, Poultry and Poo** Jason Gibbs,2012-10-01 Pigs Poultry and Poo is the story of two people who change their lives and discover a whole new world Their first step is a move from living and working in the city to rural life and a two hour commute Over the five years recounted in the book they mature from feckless beginners to hardened country folk shedding only the occasional tear when an animal dies Their animal adventures start with a cat before they move on to goats and then chickens Slowly building confidence they haphazardly add cows pigs alpacas geese and ducks to their smallholding before reaching a limit On their journey they discover that cats like to sleep that goats are poor predictors of the weather and that there is a serious possibility that a cow could jump over the moon They pick up new skills such as fencing which they get to practise again and again as various animals helpfully demonstrate where they have gone wrong There is occasionally the semblance of a plan but often events overtake the couple and they have to learn to be resilient in the face of adversity The animals have plenty of character from the nervous goat and the grumpy cow to the randy pig Looking after animals is often not easy but at least for one newly countrified pair it s deeply satisfying **Polly Piglet's Surprise Party** Parragon, Incorporated,2002-09-01

Polly the Pig Evian Leigh,2020-02-02 Polly Piglet's Surprise Party Janet Allison Brown,2001 *Over the Hills and Far Away* Hilary McKay,2017-10-12 I asked myself lots of questions like why did the Piper s son steal the pig Over the Hills and Far Away is an imaginative retelling which weaves together two classic stories in the fairy tale Little Red Riding Hood and the nursery tale of Tom Tom the Piper s Son Originally featured in Hilary McKay s Fairy Tales this short story is sure to capture the imagination From the Guardian Children s Fiction Prize winning storyteller Hilary McKay and featuring black and white line and tone illustrations from the talented Sarah Gibb *Enid Blyton: The Biography* Barbara Stoney,2011-08-26 Enid Blyton is known throughout the world for her imaginative childrens books and her enduring characters such as Noddy and the Famous Five She is one of the most borrowed authors from British libraries and she holds a fascination for readers old and young alike Yet until 1974 when Barbara Stoney first published her official biography little was known about this most private author even members of her own family The woman who emerged from Barbara Stoney s remarkable research was hardworking complex often difficult and in many ways childlike Now this widely praised classic biography has been fully updated for the twenty first century and with the addition of new colour illustration and an extended bibliography of Enid Blyton s books it documents the growing appeal of this extraordinary woman and her writing The fascinating story of one of the world s most famous authors will once again intrigue and delight all those with an interest in her timeless books **Children of the 1940s** Mike Hutton,2023-10-12 What was it really like growing up in the 1940s There are tales of being dragged from bombed out homes and of watching dog fights in the skies above Of evacuation and a clash of cultures between city center kids and their country cousins All endured strict discipline at school and a shortage of

food due to stringent rationing Bomb sites provided ready made adventure playgrounds Pleasures were simple with a weekly pilgrimage to the local cinema for Saturday morning pictures Sales of comics boomed and Enid Blyton churned out countless books generally loved by the young The arrival of the Americans caused a flutter of excitement for children and quite a few of their elder sisters and mums too Just when it appeared it was all over there was a new threat as buzz bombs brought fear and devastation Eventually there was a brief moment of celebration with VE Day followed by a massive victory parade Austerity continued to gnaw away not helped by cold winters with frost lining the inside of window frames Returning fathers were often unwanted strangers while some returning were confronted with babies fathered by other men There was much to be sorted out Mike Hutton takes you back to a different world One where streets offered live theater populated by knife grinders rat catchers and the cries of the rag and bone man The skinny army of the 1940s are old now but their stories live on Some are desperately sad all warmly nostalgic while others are quite hilarious *1000 Stories and Rhymes* Parragon, Incorporated, 2002-10 This treasury brings together a vast collection of stories and rhymes from traditional best loved favorites to delightful original tales of magic and mystery

Children's Fiction 1900-1950 John Cooper, 2019-07-23 First published in 1998 this volume explores how the genre of school stories had become firmly established by the turn of the twentieth century having been built on the foundations laid by writers such as Thomas Hughes and F W Farrar Stories for girls were also taking on a more exciting complexion inspired by the Katy books of Susan Coolidge The first five decades of the twentieth century saw further developments in children s fiction In this comprehensive volume John and Jonathan Cooper examine each decade in turn with alphabetically arranged entries on popular children s writers that published works in English during that period 206 different authors are covered many from the United States and Canada Each entry provides information on the author s pseudonyms date of birth nationality titles of works place and date of publication and the publisher s name The artist responsible for a book s illustrations is also identified where possible With over 200 illustrations of cover designs and dustwrappers many of which are now rare and have never before been published this book will delight collectors dealers scholars librarians parents and all those who simply enjoy reading children s fiction *Hilary McKay's Fairy Tales* Hilary McKay, 2017-10-05 Hilary McKay s Fairy Tales is a classic fairy tale collection to treasure Featuring Hilary McKay s imaginative retellings of key favourites this ten story collection includes the much loved tales of Rapunzel Cinderella The Princess and the Pea Rumpelstiltskin The Pied Piper of Hamelin The Swan Brothers Snow White and the Seven Dwarves Red Riding Hood The Twelve Dancing Princesses and Hansel and Gretel This gorgeous collection features black and white line and tone illustrations throughout from the talented Sarah Gibb
