Poltergeists Hauntings And The Haunted By Knight David C:

Hauntings Peter Underwood, 1977 In this fascinating account of the best attested cases of haunting Hampton Court the demon drummer of Bedworth the Wesley ghost Glamis Borley Rectory and many others Britain's foremost ghost hunter has brought to light a wealth of valuable new evidence Using the results of his many years of research and personal investigation into ghosts and hauntings and providing detailed plans and original photographs Peter Underwood puts forward some exciting and startling theories which will radically change our ideas about these hauntings *Heritage Rare Books & Manuscripts Auction Final Session # 683* , *Haunted Hartlepool and East Durham* Paul Screeton, 2014-07-07 From heart stopping accounts of apparitions manifestations and supernatural phenomena to first hand encounters with phantoms spirits and ghouls this collection of spooky sightings from around Hartlepool and East Durham is guaranteed to make your blood run cold The sweep of East Durham's mining landscape is host to countless spectres while in Hartlepool where legends are a part of the town's very fabric ghostly goings on have been reported at houses clubs schools roads ships and even a former airport Pubs figure widely and one local brewery is a veritable hive of paranormal activity With tales of historical ghosts to modern hauntings many investigated by the author himself whilst a journalist for the Hartlepool Mail this book offers a unique glimpse into the ghostly legacy of the region's past that is sure to appeal to anyone interested in a spot of ghost hunting So draw the curtains dim the lights choose your favourite chair and immerse yourself in a journey into the realms of the unfathomable *The Weiser Field Guide to Ghosts* Raymond Buckland, 2020-04-17 A reference guide to the otherworld includes illustrations From battlefield and biblical ghosts to poltergeists and orbs The Weiser Field Guide to Ghosts examines categories and subcategories of ghosts across time and cultures including commonalities and misconceptions Stories of encounters legendary ghosts and haunted places are all covered in this beautifully illustrated compendium a veritable A Z of the otherworld The Weiser Field Guide to Ghosts is concise and comprehensive and also includes practical tips on ghost hunting and suggested further reading *The Bell Witch in Myth and Memory* Rick Gregory, 2023-10-11 Apparently slumber parties in the mid South 1970s were plied with a strange ritual At midnight attendees would gather before a mirror and chant I don't believe in the Bell Witch three times to see if the legendary spook would appear alongside their own reflections a practice that echoes the Bloody Mary pattern following the execution of Mary Queen of Scots centuries ago But that small circuit of preteen gatherings was neither the beginning nor the end of the Bell Witch's travels Indeed the legend of the haint who terrorized the Bell family of Adams Tennessee is one of the best known pieces of folklore in American storytelling featured around the globe in popular culture references as varied as a 1930s radio skit and a 1980s song from a Danish heavy metal band Legend has it that Old Kate was investigated even by the likes of future president Andrew Jackson who was reported to have said I would rather fight the British ten times over than to ever face the Bell Witch again While dozens of books and articles have thoroughly analyzed this intriguing tale this book breaks new ground by exploring the oral traditions

associated with the poltergeist and demonstrating her regional national and even international sweep Author Rick Gregory details the ways the narrative mirrors other legends with similar themes and examines the modern proliferation of the story via contemporary digital media *The Bell Witch in Myth and Memory* ultimately explores what people believe and why they believe what they cannot explicitly prove and more particularly why for two hundred years so many have sworn by the reality of the Bell Witch In this highly engaging study Rick Gregory not only sheds light on Tennessee s vibrant oral history tradition but also provides insight into the enduring worldwide phenomenon that is folklore

The Borley Rectory Companion Paul Adams, Peter Underwood, Eddie Brazil, 2016-09-23 Borley Rectory in Essex built in 1862 should have been an ordinary Victorian clergyman s house However just a year after its construction unexplained footsteps were heard within the house and from 1900 until it burned down in 1939 numerous paranormal phenomena including phantom coaches and shattering windows were observed In 1929 the house was investigated by the Daily Mail and paranormal researcher Harry Price and it was he who called it the most haunted house in England Price also took out a lease of the rectory from 1937 to 1938 recruiting forty eight official observers to monitor occurrences After his death in 1948 the water was muddied by claims that Price s findings were not genuine paranormal activity and ever since there has been a debate over what really went on at Borley Rectory Paul Adams Eddie Brazil and Peter Underwood here present a comprehensive guide to the history of the house and the ghostly or not goings on there
