to come true In the nightmares this demonic creature communicates in Latin and requests a single thing Victim much victim as possible So more and more people die every day Moreover this Devil and his statue who says that he comes from the other world from Hell haunt the little girl s the dreams and tell her that he has come to start a series of disasters and wars in the world Over time he begins to give her commands and direct her The little girl starts to change without realising it and her family and the world start to change and drift towards evil What s more as the Devil and his statue from Hell put its plans into action one by one through nightmares Archaeologist John Smith and his friend History Professor Gregory Kravnik begin to investigate the matter and what they can do they realise that these extraordinary events are not the first in history Moreover even the Bible mentions this statue and its curse Because 2000 years ago in 79 AD when Pompeii and the entire Italian peninsula were destroyed by the eruption of Mount Vesuvius and were buried under the lava this Devil had already contacted the world with the nightmares of a little child and led it to destruction But this is the second and final warning and destruction This is a final warning of the coming Apocalypse Elsa finally goes into a trance and communicates with the spirit of this child whose name is Gabriel and everyone finally learns the truth and how these Nightmares and the Devil can be stopped To go inside Mount Vesuvius which is active again after 2000 years later And to destroy this stone statue by dropping into the centre of the volcano into the lava However this will not be easy at all Because a very secret and mysterious Order which dates back to the Knights Templar and their continuation has been after this statue for centuries Moreover they actually worship this statue and one night they secretly kidnap it from John Smith s house Meanwhile the nightmares are getting worse and a great catastrophe is fast approaching So much so that if this catastrophe happens the world will never be the same again Until someone or something stops him and these nightmares from Hell
