*The Museum Establishment and Contemporary Art* Rebecca J. DeRoo, 2006-01-09 This book provides an in depth account of the protests that shook France in 1968 and which served as a catalyst to a radical reconsideration of artistic practice that has shaped both art and museum exhibitions up to the present Rebecca DeRoo examines how issues of historical and personal memory the separation of public and private domains and the ordinary objects of everyday life emerged as central concerns for museums and for artists as both struggled to respond to the protests She argues that the responses of the museums were only partially faithful to the aims of the activist movements Museums in fact often misunderstood and misrepresented the work of artists that was exhibited as a means of addressing these concerns Analyzing how museums and critics did and did not address the aims of the protests DeRoo highlights the issues relevant to the politics of the public display of art that have been central to artistic representation in France as well as in North America Museum Media Michelle Henning, 2020-11-17 MUSEUM MEDIA Edited by Michelle Henning Museum Media explores the contemporary uses of diverse media in museum contexts and discusses how technology is reinventing the museum It considers how technological changes from photography and television through to digital mobile media have given rise to new habits forms of attention and behaviors It explores how research methods can be used to understand people s relationships with media technologies and display techniques in museum contexts as well as the new opportunities media offer for museums to engage with their visitors Entries written by leading experts examine the transformation of history and memory by new media the ways in which exhibitions mediate visitor experience how designers and curators can establish new kinds of relationships with visitors the expansion of the museum beyond its walls and its insertion into a wider commercial and corporate landscape Focusing on formal theoretical and technical aspects of exhibition practice this in depth volume explores questions of temporality attachment to objects atmospheric and immersive exhibition design the reinvention of the exhibition medium and much more **The Evolution of Library and Museum Partnerships** Lisa Gottlieb, 2004-11-30 These authors examine the unique social roles of libraries and museums review historical precedents as well as library museum partnerships funded in recent years through IMLS grants and forge an exciting vision of a new library museum hybrid The juxtaposition of library collections and museum artifacts they assert has the potential to create authentic interactive experiences for community members and it can help establish a distinct meaningful and sustainable role for libraries In the authors words libraries can then reassert themselves as places devoted to contemplation wonder knowledge acquisition and critical inquiry Commercialization edutainment and the library as a learning community are just some of the fascinating topics addressed as the authors explore the future s terrain and suggest how libraries might situate themselves upon it Libraries museums and the ways in which they are used by patrons have drastically changed in past decades Digitization projects infotainment and the Internet are redefining the library s and the museum s roles in the community What are the implications for the future of

these institutions These authors examine the unique social roles of libraries and museums review historical precedents as well as library museum partnerships funded in recent years through IMLS grants and forge an exciting vision of a new library museum hybrid The juxtaposition of library collections and museum artifacts they assert has the potential to create authentic interactive experiences for community members and it can help establish a distinct meaningful and sustainable role for libraries In the authors words libraries can then reassert themselves as places devoted to contemplation wonder knowledge acquisition and critical inquiry Commercialization edutainment and the library as a learning community are just some of the fascinating topics addressed as the authors explore the future s terrain and suggest how libraries might situate themselves upon it
