Alice Lee Marriott, 1945 Once in a blue moon which means a fairly long cycle in my case one who deals professionally with new books comes upon something that seems to him truly noteworthy and memorable a reading experience which he will cherish for the rest of his life And when this book is original and indeed unique when it achieves something that has never been done before one's impulse is to rent a billboard to hire a hall in some way to underline and emphasize the excitement and enthusiasm of his discovery so that other readers may share his pleasure This has been my experience with The Ten Grandmothers by Alice Marriott It was the custom of certain tribes of Indians of the Great Plains to keep a winter count or calendar of important events Each year an officially designated scribe or historian of the tribe inscribed on a specially selected and prepared buffalo hide which was a sacred tribal possession a colored pictograph commemorating the most noteworthy event of the year the happening or circumstance for which the year would be remembered in the oral literature and traditions of the tribe Miss Marriott's book is based upon such a tribal history of the Kiowas an important and tenacious nation of the southern Great Plains for more than a hundred years She has taken representative incidents from this story and built each into a unified narrative of personal experience concrete and dramatic The thirty three narratives fall into four groups reflecting the major phases of Kiowa history in the last century they are called since Kiowa economy was based on the buffalo The Time When There Were Plenty of Buffalo The Time When Buffalo Were Going The Time When Buffalo Were Gone and Modern Times Since the same characters appear recurrently the book has the effect of a loosely constructed novel Miss Marriott is an ethnologist Her book is based on eight years of work with the Kiowas work that certainly consisted of much more than superficial interviews with aged Indians There is evidence everywhere not only of accurate scientific knowledge of the material to be presented but of profound human insight and understanding Miss Marriott is also a creative artist of extraordinary powers Her book has abundant humor drama and melodrama beauty and sordidness pathos and tragedy all presented sharply objectively with economy restraint and dignity The narrative of the long journey of Wooden Lance to see for himself and for his tribe whether the leader of the Ghost Dance movement that inspired the last desperate irrational struggle of the plains Indians against the whites had true power is unforgettable in its simplicity and reality The story of the Kiowa girl Leah's return from her years at a boarding school in the East to her family on the reservation is as true and socially significant as it is poignant and dramatic The great achievement of Miss Marriott's book is that it makes accessible to the reader of today the essence of a culture a way of life and thought now almost vanished from the earth We have an uneasy feeling that some special meaning and value for Americans of today and tomorrow must lie in the older cultures of our continent which our own has so largely displaced American writers from Longfellow on have tried with varying degrees of success to capture that meaning for us Miss Marriott's book shows that our feeling was justified No discerning reader will fail to find in the men and women who are so vivid in its pages Sitting Bear and Eagle Plume old Quanah and Spear Woman

and the Kiowa boys riding in their jeep to enlist for the present World War in their vision and knowledge of life and their essential experience abundant meaning for today *Rural Heritage* ,2000 *What If It Feels Good?* D. McLaurin,2007 In this story of love betrayal and revenge bonds are tested friendships are challenged dark secrets surface and an epic romance blossoms amidst a media circus Michael Bagley a street savvy teenager learned the art of the con and sleeps with older women to survive When an accidental shooting sets off a citywide manhunt and thrusts Michael into certain danger his mother a stripper at a local nightclub is finally forced to confront the biological father who didn't know Michael existed Soon the teenager finds himself whisked off the streets of Detroit and transplanted into a world of champagne dreams with more money at his fingertips than he ever thought possible Then Michael's life takes a bizarre turn as he bonds with his father's best friend Chachi is a charming down to earth ladies man who awakens sensations Michael can't explain throwing him into identity turmoil But when the dust settles Michael learns that neither riches fame nor age has anything to do with love As Michael fights to keep a relationship that may be against the odds and out of his league he hopes the streets have toughened him enough to withstand a scorned woman's wrath his parent's attempted sabotage and the public's outrage **"A" New English Dictionary on Historical Principles** James Augustus Henry Murray,1926 **Dreamwork for the Soul** Rosemary Ellen Guiley,1998-09-01 Unlike any other dream book *Dreamwork for the Soul* offers a completely new approach to dream interpretation This guide offers a seven step method that will enable you to understand your dreams from a personal and spiritual perspective Including a history of dreams and dreamwork as well as psychological and holistic perspectives this book will connect you to the sources of inner power that are within your own mind With *Dreamwork for the Soul* you will learn to use your dreams to understand what role dreams play in your creative and spiritual life ask for answers to tough questions heighten your creativity prepare for a life change tap into other spiritual realms and much more From the ancient use of dreams for spiritual healing to the current interpretations of common dream symbols this book provides a comprehensive overview of dream studies plus a personal guide that allows you to do your own dreamwork and soul work
