Awakening Yeshe Tobden, 2017-07-18 Reprint of translation *The way of awakening* 2005 *Luminous Mind* Kalu, 2012-08-19

Luminous Mind is a remarkable compilation of the oral and written teachings of the late Kalu Rinpoche who was called a beacon of inspiration by the Dalai Lama. A master of meditation and leader of the Shangpu Kagyu school of Tibetan Buddhism, Kalu Rinpoche taught with an inviting, playful and lucid style that was just one natural manifestation of his own profound realization. The teachings presented in *Luminous Mind* are immediate and timeless. As the Dalai Lama notes in his foreword, *Luminous Mind* covers the full range of Buddhist practice from the basic analysis of the nature of the mind up to its ultimate refinement in the teachings of Mahamudra. This anthology of Kalu Rinpoche's writings and oral teachings resonates with his wisdom and compassion. Comparing Kyabje Kalu Rinpoche with Milarepa, the greatest meditation master Tibet has ever known, His Holiness the Dalai Lama extols the author of *Luminous Mind* as a beacon of inspiration for spiritual practitioners of all traditions. Noting that there have been few like him before or since, His Holiness urges us to delve into this remarkable anthology of the late Kalu Rinpoche's essential instructions so that we may encounter the full range of Buddhist practice from the basic analysis of the nature of the mind up to its ultimate refinement in the teachings of Mahamudra. Drawn from both his lucid writings and his eloquent oral presentations, this unprecedented book lays bare the full grandeur of Kalu Rinpoche's legacy. At the same time, the gentle words and playful stories of this master of meditation are filled with a depth of clarity and warmth that could only arise from a profound realization of both wisdom and compassion. *Vajrayana and the Culmination of the Path* Dalai Lama, Thubten Chodron, 2024-12-03

The final volume of the Library of Wisdom and Compassion by His Holiness the Dalai Lama takes us to the uncommon practices and realizations of Vajrayana to the full awakening of a buddha. His Holiness the Dalai Lama skillfully illuminates the unique qualities of Vajrayana as practiced in Tibet and the method to eradicate the subtlest obscurations preventing the full awakening of a buddha. Speaking to newcomers and advanced students alike, he explains the similarities and differences of the Sutra and Tantra paths. Having gathered many of the doubts and difficult points concerning the tantric path, he clarifies the purpose of receiving proper empowerment by qualified gurus and the ethical restraints and commitments required to enter the path of secret mantra. The paths and stages of the four tantric classes are explained as are the generation stage and completion stage practices of Highest Yoga Tantra. You are introduced to the practices of clear appearance and divine identity common to all tantric sadhanas as well as the distinctive practices of illusory body and actual clear light that overcome the subtlest defilements on the mind and eliminate all obscurations quickly. The understanding of emptiness in Sutra and Tantra is the same, but the consciousness perceiving emptiness differs. In Highest Yoga Tantra, that consciousness is great bliss which arises from knowing the methods to manipulate the channels, winds and drops of the subtle body. In short, in *Vajrayana and the Culmination of the Path*, the Dalai Lama sets out the path that leads to blissful awakening and enables us to be of great benefit to all sentient beings.

Liberation from Samsara Kyabje Dodrupchen Rinpoche, 2022-03-15 In *Liberation from Samsara*, the Fourth Kyabje

Dodrupchen Rinpoche presents the Longchen Nyingthik preliminary teachings with a special focus on guru yoga. These teachings from the innermost secret instruction of Dzogchen constitute a complete path to enlightenment. Rinpoche's precious instruction begins with meditations on the common and uncommon preliminary practices including the difficulty of obtaining a fortunate human birth, the impermanence of life, the implacability of karmic causes and results, samsaric suffering in the six realms, taking refuge, developing bodhicitta, purification by Vajrasattva recitation, and accumulating merits by mandala offerings. After discussing the ways to turn our mind toward Dharma and the trainings, Rinpoche provides guru yoga instruction as he turns to the main tantric practice: meditations on unifying one's mind with Guru Rinpoche's wisdom mind. This rare teaching by Rinpoche, though intentionally succinct to accommodate the needs of contemporary Western practitioners, presents a complete path to enlightenment. It contrasts three different paths to liberation: Shravakayana, the way of the disciple; Pratyekabuddhayana, the way of the self-enlightened buddha; and Mahayana, the way of the bodhisattva, which is our way. Our boundless intention to seek refuge in order to free all sentient beings from samsaric suffering.

The Life of My Teacher Dalai Lama, 2017-07-11. The Dalai Lama tells the life story of his remarkable teacher Ling Rinpoche, who remained a powerful anchor for him from childhood and into his emergence as a global spiritual leader. The Sixth Ling Rinpoche (1903-83) was a towering figure in Tibetan Buddhism. Combining great learning with great humility, he was ordained by the Thirteenth Dalai Lama and went on to serve as the head of the Geluk tradition and as the senior tutor to the present Dalai Lama. In temperament and wisdom, he had a profound influence on the Dalai Lama's spiritual development, and he became a steadying presence for His Holiness during the chaotic changes that defined the Tibetan experience of the twentieth century, with the invasion of their country by Communist forces and the subsequent rebuilding of their culture in India. Ling Rinpoche's extensive travels among exiled communities abroad and across India buoyed the spirits of the Tibetan diaspora, and the training and activities of this consummate Buddhist master, here told by the Dalai Lama in the traditional Tibetan style, will inspire and amaze. Over one hundred archival photos bring the text to life.

Constructing Reality in Comparative Theology Paul S. Chung, 2023-01-01. In contemporary Western society, the church has been pushed to the margins, leading experts to describe the current era as a time after Christendom. Many traditional churches and congregations are struggling, a condition worsened by the COVID-19 pandemic regulations. As the practice of churchgoing wanes, the performance of the sacrament is called into question. How can we bring the traditional communal experience of sacrament into the modern world?
