Shadow Lands Hb:

Shadowlands Meike Wulf, 2016-01-01 Located within the forgotten half of Europe historically trapped between Germany and Russia Estonia has been profoundly shaped by the violent conflicts and shifting political fortunes of the last century This innovative study traces the tangled interaction of Estonian historical memory and national identity in a sweeping analysis extending from the Great War to the present day At its heart is the enduring anguish of World War Two and the subsequent half century of Soviet rule Shadowlands tells this story by foregrounding the experiences of the country's intellectuals who were instrumental in sustaining Estonian historical memory but who until fairly recently could not openly grapple with their nation's complex difficult past

Shadowlands Anthony McCann, 2019-07-02 Los Angeles Times Bestseller An epic exploration of the 2016 right wing Oregon Occupation an excellent microcosm by which we might better understand our difficult national history and distressing political moment Maggie Nelson In 2016 a group of armed divinely inspired right wing protestors led by Ammon Bundy occupied the Malheur National Wildlife Refuge in the high desert of eastern Oregon Encamped in the shadowlands of the republic insisting that the Federal government had no right to own public land the occupiers were seen by a divided country as either dangerous extremists dressed up as cowboys or as heroes insisting on restoring the rule of the Constitution From the Occupation's beginnings to the trials of the occupiers in federal court in downtown Portland and their tumultuous aftermaths Shadowlands is the resonant multifaceted story of one of the most dramatic flashpoints in the year that gave us Donald Trump Sharing the expansive stage with the occupiers are a host of others Native American tribal leaders public lands ranchers militia members environmentalists federal defense attorneys and Black Lives Matter activists each contending in their different ways with the meaning of the American promise of Liberty Gathering into its vortex the realities of social media technology history religion race and the environment this piercing work by Anthony McCann offers us a combination of beautiful writing and high stakes analysis of our current cultural and political moment Shadowlands is a clarifying exhilarating story of a nation facing an uncertain future and a murky past in a time of great collective reckoning
