Discovering Michael Michael James, 2014-03-25 Are you truly happy This is the question that helped me to change my life When I stopped to seriously consider this question I realized that the answer was no In fact I began to wonder what happiness really was Upon recognizing this void a quiet yet persistent voice within demanded attention to this even though I did not know what to do Eventually I was guided to take that hard and honest look within The search initially was to understand why things were going wrong in my life I was experiencing problems in my job and relationships On the surface others perceived me as successful yet within I felt different alone unworthy confused and lost Discovering Michael is an inspirational story and guide about overcoming a life of adversity and challenges It is a personal account and reflection of learnings about the journey and the methods used for personal growth and self discovery It is about changing unhealthy attitudes beliefs and behaviors into healthier choices supportive of greater levels of happiness meaning and purpose
