Asian Journal of Pentecostal Studies, Volume 19, Number 2 Dave Johnson, 2017-09-13 THE JOURNAL SEEKS TO PROVIDE A FORUM To encourage serious theological thinking and articulation by Pentecostals Charismatics in Asia to promote interaction among Asian Pentecostals Charismatics and dialogue with other Christian traditions to stimulate creative contextualization of the Christian faith and to provide a means for Pentecostals Charismatics to share their theological reflections *The Morning Star Journal, Vol. 6* Rick Joyner, 1996-02 *British Museum Catalogue of Printed Books*, 1886 **Catalogue of Printed Books in the Library of the British Museum** British Museum. Department of Printed Books, 1885 *Spiritual Dynamics in the Body of Christ* Chris S. Sherrerd, 2003 British Museum , *The Morning Star Journal, Vol. 7* Rick Joyner, 1996-12 The Morning Star Journal, Vol. 8 Rick Joyner, 1998-03 **SCP Journal** , 2000 **Prophetic Authority** Michael Hubbard MacKay, 2020-04-06 The Mormon tradition s emphasis on prophetic authority makes the Church of Jesus Christ of Latter day Saints unique within America s religious culture The religion that Joseph Smith created established a kingdom of God in a land distrustful of monarchy while positioning Smith as Christ s voice on earth with the power to form cities establish economies and arrange governments Michael Hubbard MacKay traces the Church of Jesus Christ of Latter day Saints claim to religious authority and sets it within the context of its times Delving into the evolution of the concept of prophetic authority MacKay shows how the Church emerged as a hierarchical democracy with power diffused among leaders Smith chose At the same time Smith s settled place atop the hierarchy granted him an authority that spared early Mormonism the internal conflict that doomed other religious movements Though Smith faced challenges from other leaders the nascent Church repeatedly turned to him to decide civic plans and define the order of both the cosmos and the priesthood *Your Sons and Daughters Shall Prophecy* Ernest B. Gentile, 1999-06-01 A thorough yet practical study that shows how the biblical gift of prophecy can build up today s churches and individual Christians **Journal of History** , 1924 **Worship and the End of the Age** Darren T Carter, 2010-12-30 Worship and the End of the Age is a book to establish the believer in a foundational understanding of worship and the battle the body of Christ will face at the end of the age We must embrace a balanced view of the priesthood of all believers A balanced view includes both the inward power of Christ produced through worship and an outward expression of that life demonstrated through good works Darren presents a unique way of using the book of Revelation for understanding worship The approach helps to establish the kingdom of priests and prepare the church for the idols we must overcome in regards to the end of the age **The Young Woman's Journal** , 1920 **The Prophetic Faith of Our Fathers: New World recovery and consummation of prophetic interpretation** Le Roy Edwin Froom, 1946 The four volumes comprising this extensive work which covers the Christian Era are the result of sixteen years of extensive research in Europe as well as in America The result of this persistent quest including some three extensive trips to Europe has been the assemblage of thousands of source

documents now comprising the unique Advent Source Collection This in turn forms the documentary basis for these volumes which are here presented to the Christian church at large as a contribution to the sound and scientific study of the development of prophetic interpretation jacket **Hearken, O Ye People** Mark Lyman Staker,2008-07-01 Best Book Award Mormon History Association Best Book Award John Whitmer Historical Association More of Mormonism s canonized revelations originated in or near Kirtland than any other place Yet many of the events connected with those revelations and their 1830s historical context have faded over time Barely twenty five years after the first of these Ohio revelations Brigham Young lamented in 1856 These revelations after a lapse of years become mystified sic to those who were not personally acquainted with the circumstances at the time they were given He gloomily predicted that eventually the revelations may be as mysterious to our children as the revelations contained in the Old and New Testaments are to this generation Now more than 150 years later the distance between what Brigham Young and his Kirtland contemporaries considered common knowledge and our understanding of the same material today has widened into a sometimes daunting gap Mark Staker narrows the chasm in *Hearken O Ye People* by reconstructing the cultural experiences by which Kirtland s Latter day Saints made sense of the revelations Joseph Smith pronounced This volume rebuilds that exciting decade using clues from numerous archives privately held records museum collections and even the soil where early members planted corn and homes From this vast array of sources he shapes a detailed narrative of weather religious backgrounds dialect differences race relations theological discussions food preparation frontier violence astronomical phenomena and myriad daily customs of nineteenth century life The result is a from the ground up experience that today s Latter day Saints can all but walk into and touch *Tercentenary Handlist of English & Welsh Newspapers, Magazines & Reviews ...* Roland Austin,1920 **The Columbia Sourcebook of Mormons in the United States** Terryl L. Givens,Reid L. Neilson,2014-08-12 This anthology provides rare access to key original documents illuminating Mormon history theology and culture in the United States from the nineteenth century to today Brief introductions describe the theological significance of each text and its reflection of the practices issues and challenges that have defined and continue to define the Mormon community These documents balance mainstream and peripheral thought and religious experience institutional and personal perspective and theoretical and practical interpretation representing pivotal moments in LDS history and correcting decades of misinformation and stereotype The authors of these documents male and female not only celebrate but speak critically and question mainline LDS teachings on sexuality politics gender race polygamy and other issues Selections largely focus on the Salt Lake based LDS tradition with a section on the post Joseph Smith splintering and its creation of a variety of similar yet different Mormon groups The documents are arranged chronologically within specific categories to capture both the historical and doctrinal development of Mormonism in the United States **Prophecy, Politics and the People in Early Modern England** Tim Thornton,2006 Thornton also sheds light on areas where popular culture and politics were uneasily interlinked the powerful

political influence of those outside elite groups the variations in political culture across the country and the considerable continuing power of mystical supernatural and non rational ideas in British social and political life into the nineteenth century Jacket **The Morning Star and Free Baptist** ,1909
