Mundane Or National Astrology H. S. Green, 1911 *Mundane Astrology* Jagdamba Prasad Gaur, This book is written with the objective of understanding fundamentals of Mundane Astrology which are used to make predictions about nation politics whether crops and natural calamities. Mundane Astrology is a branch of astrology where good bad results and events of villages cities provinces countries health of people financial social and political situations things weather earthquakes winds storms natural calamities contagious diseases relationships of nations crops etc are analysed. The financial social and political situation of a country or province is sometimes very stable and sometimes it is totally fluid. The growth of a plant is not always the same although the land seeds fertilizer water etc are same. During one year the production is sufficient while in another year it is poor in spite of good inputs. On one part of earth there are natural calamities agonies turmoils. At the same time at another part there is peace and progress. These phenomena indicate that there is definitely some reason behind this mystery that at one place there is prosperity at one time but all of a sudden it is engulfed by strife. During one year the rains are heavy causing floods but in next year there is drought. Occasionally a commodity becomes expensive all of a sudden and sometimes its prices remain low for a long time. The knowledge of all these matters is obtained from Mundane Astrology. As there are elections on earth for selection of prime minister etc for establishment of a democratic government and qualifications abilities of elected persons influence the areas ruled by them in the same manner every year a celestial council is formed by planets to run the world. In celestial council apart from king and minister there are 10 lords of 4 months crop winter crops weather and rains juices trades metals treasure security and fruits flowers. This book has been written after going through books compiled by great scholars who were capable of knowing the happenings of 3 worlds such as Garg Samhita Vrihatsamhita Varahisamhita Narpatirjayach Savatsari Paddhati Varshprabodh Ardhmartand Ardhprakash etc.
