Who better to lead the way out than popular psychic Sylvia Browne? In *End of Days*, Browne tackles the most daunting of subjects with her trademark clarity, wisdom, and serenity, answering such difficult questions as: What's coming in the next fifty years? What do the great prophecies of Nostradamus and the Book of Revelation mean? If the world is really going to end, what will unfold in our final hours? For anyone who's ever wondered where we're headed and what, if anything, we can do to prevent a catastrophe of biblical proportions, *End of Days* is a riveting and insightful must-read. **The Other Side of Dark** Joan Lowery Nixon, 1992-05-01 Seventeen-year-old Stacy awakens from a four-year coma ready to identify, locate, and prosecute the young man who murdered her mother and wounded her. **The Anglican Pulpit Library**, 1900 **The Other Side of Dark** Sarah Smith, 2010-11-02 Katie Mullens is known as the weird kid: Dead dad, Dead mom, Loner, Maybe crazy. Law Walker is drawn to Katie when he sees the sketch she's made of a historic home the way it looked before it burned. Law soon discovers that Katie's sight goes beyond death and what she sees reveals the strange, twisted history of a famous Boston family's connection to the illegal post-Emancipation slave trade. Past, present, living, dead. Black, white. This is a powerhouse debut about ugly histories, unlikely romances, and seeing people alive and otherwise for who they really are. **Dark Side of the World: Golden Silence** Lee Jerrard, 2015-12-11 **GOLDEN SILENCE** A story of isolation, the effects, and a retaliating war surrounding it. Across the ocean, the new circular island of Pervil is congested with impressive towers and giant TV screens in every direction, but crime and terror wander the streets with a violent race of disfigured mutants. As for one man, the greatest thing to ever happen to him was to fall in love and have a baby girl, but against his line of work, it was also his biggest mistake. Forced to live an anonymous life in Pervil, he is entrapped, living on borrowed time and desperate to escape to the other side for the safety of his family. When officially offered his chance to escape to the other side, he has no choice but to take on an operation far from his control. On a journey with a band of hopefuls, he becomes tangled up in a war. Fighting to

Personal Recollections of Joan of Arc Mark

Twain, 2022-11-13 Mark Twain's *Personal Recollections of Joan of Arc* stands as a unique blend of historical fiction and biographical narrative offering an imaginative exploration of the life of one of history's most enigmatic figures. Written in a style that combines Twain's characteristic wit with a profound sense of reverence, the book immerses readers in the 15th-century France during the Hundred Years War. Through the eyes of a fictional chronicler, the book delves into Joan's trials, her fervent faith, and the complexities of her character, all while maintaining the vivid realism for which Twain is renowned. The novel not only serves as a profound homage to Joan but also critiques the social and political landscapes of the times, revealing Twain's own reflections on individuality, faith, and martyrdom. Mark Twain, a quintessential American author and humorist, harbored a lifelong fascination with Joan of Arc, sparked by her embodiment of courage and conviction in the face of overwhelming odds. His research, incorporating historical texts and personal interpretations, reflects his respect for Joan as an exceptional heroine. Twain's own experiences with injustice and societal hypocrisy likely fueled his desire to portray this remarkable figure with depth and nuance, unearthing broader themes of morality and humanity. Readers interested in a captivating narrative that transcends mere historical recounting will find *Personal Recollections of Joan of Arc* a thought-provoking and enriching experience. This novel invites readers to engage with Joan's remarkable journey while pondering timeless questions of faith, courage, and the spirit of resistance. Twain's eloquent prose, coupled with thematic richness, makes this work a significant contribution to both literary and historical discourse.
