in prison Paul spent much of his time writing to Titus Timothy and others who d served alongside him in the trenches to complete their training as church plantings We can continue to apply these time tested proven methods following the pioneering example of the early church Today the casualty rate in is high What if we could reduce the odds of failing Church Plantology by Peyton Jones is a robust guide to planting that will help planters to provide the foundation necessary to survive beyond the initial first years so that they don t end up a walking statistic **Rediscovering Jesus in Our Places** Elia Shabani Mligo,2020-05-28 The question of contextual theology and its relevance to Africa in this time of globalization whereby there are rampant uncontrolled changes in cultures technologies economic policies and even people s religious lives is very urgent How is contextual theology relevant in the ever changing contexts of the church in Africa Indeed there are a number of challenges which contextual theology faces within the church in Africa which need to be addressed contextually Some such challenges include poverty rampant violence homosexuality alcoholism the resurgence of prosperity gospel materialistic prophets and incurable illnesses like Ebola HIV and AIDS and the current coronavirus COVID 19 However which context in Africa Context in Africa as in other parts of the world is always in flux it is complex and fluid There is no permanent context The experience of Jesus in such a changing context needs to be rediscovered depending on what transpires in each particular place at a particular time This book addresses some of the overarching challenges that face contextual theology and how such challenges should be addressed by the church in Africa in contemporary ever changing context for it to be relevant in Africa It also highlights the need to move from liberation and inculturation theologies to reconstruction theology in dealing with the challenges of the current church Hence the book is important to students and scholars engaging in practical systematic biblical and contextual theologies in all their branches **Rediscovering Reverence** Michael L. Lathrop, 2008-07 In Ephesians 4:11 the apostle Paul tells us that Jesus gave apostles prophets evangelists pastors and teachers to the church He did this in the days of the New Testament the question is does Jesus still give all of them to the church today This book seeks to address this question In this book you will find The ministries of apostles prophets evangelists pastors and teachers defined Names of people in the Bible who held these ministries Descriptions of each ministry from a biblical historical perspective An examination of the contemporary expressions of the ministries of evangelists pastors and teachers Answers to objections about the presence of apostles and prophets in the church today A case for the continuance of the ministries of apostles and prophets in the modern church A description of the ministries of apostles and prophets in the contemporary church John P Lathrop is a graduate of Zion Bible College and Gordon Conwell Theological Seminary He is an Ordained Minister with the International Fellowship of Christian Assemblies and is currently active in pastoral ministry at the Christian Pentecostal Church in Newton MA In addition to pastoring he regularly writes for Vista magazine the official publication of the International Fellowship of Christian Assemblies and for the Pneuma Review a publication of the Pneuma Foundation He has ministered overseas in the countries of Indonesia and Zimbabwe He and his wife Cynthia are the parents of five adult children Carrie Joshua Deborah Stephen and Daniel The Lathrops also have two grandchildren Understanding the Revelation Michael Scantlebury, 2023-02-28 As we study the prophecy within this book we will see how it ties in with Jesus' prophecy recorded in Matthew 24 *Faith's Knowledge* Paul Tyson, 2013-05-02 Can we know truth even though certain proof is unattainable Can we be known by Truth Is there a relationship between belief and truth and if so what is the nature of that relationship Do we need to have faith in reason and in real meaning to be able to

reason towards truth These are the sorts of questions this book seeks to address In Faith s Knowledge Paul Tyson argues that all knowledge that aims at truth is always the knowledge of faith If this is the case then against our modernist cultural assumptions about knowledge truth cannot be had by proof Yet if this is true then mere information and simply objective facts do not for us as knowers exist Knowledge is always embedded in belief and knowledge and belief is always expressed in relationships histories narratives shared meanings and power Hence a theological sociology of knowledge emerges out of these explorations in thinking about knowledge as a function of faith
