Local Government Today J. A. Chandler, 2001 *Local Government Today* provides a comprehensive analysis of the structure finance management and democratic framework for local government in Britain This new edition includes the changes made by Tony Blair s government and an evaluation in a comparative context of the value and effectiveness of the system A new feature is a running commentary that puts the British system in comparative context and provides basic information on how local government operates in the European Union and the Unites States **Directory of European political scientists** European Consortium for Political Research, University of Essex. Compiled and ed. by the Central Services of the ECPR, 2016-11-07 No detailed description available for Directory of European political scientists **Local Power, Territory and Institutions in European Metropolitan Regions** Bernard Jouve, Christian Lefevre, 2013-10-11 A comparative analysis of eight different urban areas Bologna Bordeaux Geneve Lausanne Lyons Manchester Rotterdam Stuttgart and Torino examining key urban issues that are high on the policy agenda of every national government Making Tracks Iain Docherty, 2018-10-26 First published in 1999 this book contains case studies of rail transport policy making in two UK Passenger Transport Authority areas and reviews the factors informing such policy making It contributes to transport geography by explaining why the actual policies implemented in Strathclyde and Merseyside were pursued and to the continuing development of the political science theory of the urban policy regime by analysing the differences in policy development attributable to the different city regional Strathclyde and public choice Merseyside geographical structures of local governance The book demonstrates that these differences in the spatial organisation of local institutions play a powerful role in determining the operation of the local regime of policy makers the form of final policy outputs and the level of public accountability achieved **Proceedings of the 25th International Symposium on Advancement of Construction Management and Real Estate** Xinhai Lu, Zuo Zhang, Weisheng Lu, Yi Peng, 2021-10-11 This proceedings book focuses on innovation cooperation and sustainable development in the fields of construction management and real estate The book provides a detailed analysis and description of the disciplinary frontiers in the field of building management and real estate and how they can be promoted in the context of the epidemic A wide variety of papers provide a reference value for both scholars and practitioners The proceedings book is the documentation of the 25th International Symposium on Advancement of Construction Management and Real Estate CRIOCM 2020 which was held at the School of Public Administration Central China Normal University Wuhan China in 2020 *Political Recruitment* Pippa Norris, Joni Lovenduski, 1995 Asking why some politicians succeed in moving into the highest offices of state while others fail this text examines the relative lack of women black and working class Members of Parliament and whether this evident social bias matters for political representation Passages to Power Pippa Norris, 1997-10-09 Recruitment to legislative office is one of the core functions of political systems yet we know little about how the process varies from one country to another *Passages to Power* provides a

comparative account of legislative recruitment which applies a common analytical framework and new survey data to nineteen advanced democracies Legislative recruitment refers to the critical step as people move from lower levels of politics into parliamentary careers Who succeeds in becoming a politician Who fails And why Based on original research which adopts a new institutionalist perspective this 1997 book compares these issues in a wide range of countries This important study brings together an outstanding group of international scholars to look at recruitment around the world The countries examined in depth include Australia Canada Finland Germany Japan the Netherlands New Zealand the United Kingdom and the United States along with a comparison of all member states in the European Union *A Contrived Countryside* Keith Hoggart, 2021-03-26 This book shows how governance regimes before the 1970s suppressed rural prospects of housing improvement and created conditions for middle class capture Using original archival sources to reveal the intricacies of local and national policy processes weak rural housing performances are shown to owe more to national governance regimes than local under performance Looking behind the scenes at policy processes highlights neglected principles in national governance and shows how investigating rural housing is fundamental to understanding the national scene With original insights and a new analytical perspective this volume offers evidence and conclusions that challenge mainstream assumptions in public policy housing rural studies and planning *The Twentieth Century*, 1915 *Redundancy in Public Transit: The political economy of transit in the San Francisco Bay Area, 1945-1963*, 1980 **Love and Politics** Fiona Mackay, 2001-08-02 This volume is the first to use insights from recent feminist theory on the ethic of care to study the slow progress women have made toward political equality Using empirical case study materials including her own interviews with female politicians Mackay examines care as both a political practice and a political idea using it to explain the current situation with regard to women's representation and to offer a prescription and resource for change *The Nineteenth Century and After*, 1915 **Minutes of the Committee of Council on Education Correspondence, Financial Statements, Etc., and Reports by Her Majesty's Inspectors of Schools** Great Britain. Committee on Education, 1885 **Report of the Committee of Council on Education (England and Wales), with Appendix** Great Britain.
