**Fundamentals of Reference Service** Mary Emogene Hazeltine, 1922      **Library Skills (ENHANCED eBook)** Sylvia J. Duncan, 1989-09-01 This book demonstrates the usefulness of libraries and books by presenting a basic overview of how to find and use library materials Many of the exercises require visits to a school or public library Most of the worksheets can be completed with minimal assistance from the teacher The work study pages reflect the changing world of libraries and information centers New technology affecting present libraries and libraries of the future is introduced and explained on these pages      Agricultural Libraries Information Notes ,1986      *Participatory evaluation of information projects, products and services for organisational learning and impact* Alkemade, B., Batjes-Sinclair, K., 2013-12-31 Published by popular demand and taking feedback from users into consideration this title serves as a compact primer to the Smart Toolkit for evaluating information projects products and services CTA no 1557 The publication builds on past CTA successes in strengthening the capacities of information professionals to manage their projects products and services Aimed at enablers managers policy makers and decision makers it provides an invaluable overview of the Smart Toolkit and acts as a quick reference guide so making the Toolkit that much easier to use      **Reference and Information Services** Kay Ann Cassell, Uma Hiremath, 2023-01-17 From the ongoing flood of misinformation to the swift changes occasioned by the pandemic a myriad of factors is spurring our profession to rethink reference services Luckily this classic text is back in a newly overhauled edition that thoughtfully addresses the evolving reference landscape Designed to complement every introductory library reference course Cassell and Hiremath's book also serves as the perfect resource to guide current practitioners in their day to day work It teaches failsafe methods for identifying important materials by matching specific types of questions to the best available sources regardless of format Guided by a national advisory board of educators and experts this thoroughly updated text presents chapters covering fundamental concepts major reference sources and special topics while also offering fresh insights on timely issues including a basic template for the skills required and expectations demanded of the reference librarian the pandemic's effect on reference services and how the ingenuity employed by libraries in providing remote and virtual reference is here to stay a new chapter dedicated to health information with a special focus on health equity and information sources selecting and evaluating reference materials with strategies for keeping up to date a heightened emphasis on techniques for evaluating sources for misinformation and ways to give library users the tools to discern facts vs fake facts reference as programming readers advisory services developmentally appropriate material for children and young adults and information literacy evidence based guidance on handling microaggressions in reference interactions featuring discussions of cultural humility and competence alongside recommended resources on implicit bias managing assessing and improving reference services and the future of information and reference services encapsulating existing models materials and services to project possible evolutions in the dynamic world of reference      **Virtual Services**

**in the Health Sciences Library** Amanda R. Scull, 2022-05-15 Selected as a 2025 Doody's Core Title Virtual services have been part of health sciences libraries for a long time in various forms including the provision of reference and research services via email or chat availability of online instruction access to electronic materials and the curation of virtual research guides But when the COVID 19 pandemic forced many libraries to close their doors and pivot to virtual services almost overnight Moving all services remote even for just a short time did highlight what worked well and what did not The situation increased visibility of these services and made patrons more aware of what was available perhaps making them more likely to expect and use those services in the future In some ways the pandemic showed us ways in which virtual services could even be better than in person services for providing prompt patron services The situation increased visibility of existing services making users more aware of what was available and revealed gaps and needed improvements in virtual services In this book copublished by the Medical Library Association librarians from academic to hospital health sciences libraries from rural to urban areas and across a range of service specialties provide blueprints and best practices for building and maintaining sustainable virtual services in health sciences libraries Each chapter in this volume addresses aspects of providing virtual services in information and access services reference and instruction collections and clinical services written by contributors who have been involved in this work in their own libraries Whether you are just beginning an implementation assessing and refining current offerings or strategizing for sustainability and looking to the future this book will provide practical advice tools and considerations for maximizing user engagement and satisfaction with virtual library services and resources

**Building a Successful Customer-service Culture** Maxine Melling, Joyce Little, 2002 As libraries move into the 21st century quality management has become a key focus of the effort to create a service culture that meets and indeed exceeds customer requirements The language of customer service has become common in the library and information sector as have many of the techniques associated with the provision of customer focused services However there is a danger that customer service may be seen as a bolt on to existing core provision in the form of feedback mechanisms information leaflets and customer training sessions One of the challenges facing managers is to go beyond the acknowledgement of the importance of a customer focus and to develop an understanding of how this focus can be embedded in the culture of their services via strategic and operational management This new management guide addresses this challenge Contributed by LIS professionals with extensive experience in the management of public and academic services each chapter presents a good practice guide to an element of strategic or operational management with the customer placed at centre stage the users perspective planning and policy making leadership and management human resource planning marketing as a tool for LIS managers assuring quality planning buildings for customers and services developing a service culture through partnerships virtual service Readership This book is essential reading for managers of library and information services from senior to team managers and also for all those involved in devising strategy and policy for staff and service development It is relevant to

libraries and information services in any area of the world      **Library Volunteers Welcome!** Carol Smallwood,Lura Sanborn,2016-09-02 Volunteers are crucial to the daily operation of any library Finding and retaining the right people motivating them and matching their skills with projects is challenging This collection of 30 new essays brings together the experiences of numerous individuals across the U S providing ideas projects and best practices for volunteer recruiting and management The contributors among them library board members heads of special collections directors of state library associations outreach coordinators archivists and researchers discuss a broad range of topics in five sections recruitment and retention policies and process mentoring and empowering placement programs and responsibilities and outreach
