Report of the Comprehensive Review of the Issues Associated with a Repeal of Don't Ask, Don't Tell Jeh Charles Johnson, 2011-06. On March 2, 2010, the Secretary of Defense appointed the two editors to co chair a working group to undertake a comprehensive review of the impacts of repeal should it occur of Section 654 of Title 10 of the U.S. Code commonly known as the Don't Ask, Don't Tell law. Their assignment was two fold: 1. assess the impact of repeal of Don't Ask, Don't Tell on military readiness, military effectiveness, unit cohesion, recruiting, retention and family readiness and 2. recommend appropriate changes if necessary to existing regulations, policies and guidance in the event of repeal. This document constitutes their report of that assessment and their recommendations. This is a print on demand edition of an important hard to find report.

Cruising Through Research John D. Volkman, 1998-01-15. Teaching research skills is a breeze with these fun reproducible lessons. Through a variety of engaging projects, students experience and learn research techniques that they can use throughout their lives. In one lesson, they take a treasure hunt approach consulting standard library materials such as Current Biography, Dictionary of American History, Bartlett's Familiar Quotations and Contemporary Authors to find answers to a series of reference questions. In another, students write letters, term papers in disguise that describe in detail a future cruise. In the process, they learn how to take notes and combine facts to produce an interesting paper and an accurate bibliography. Projects include topics for science, foreign language, social science and language arts.
