Writers, S. (2019, July 1). *Social Work Careers and Salaries*. SocialWorkLicensure.org.
<https://socialworklicensure.org/careers/>.

Social Work Licensure is an American organization which protects the public by making sure that future and current social workers have been or will be properly educated, and trained and fit the right criteria for their state requirements. This particular website goes over the different careers in social work, what social workers do, the requirements for various jobs, why someone may want to pursue a career in social work, where to find jobs as a social worker, the steps to becoming a social worker, the average salary for the different branches of social work, and much more. Other parts of the website also go over the licensure requirements for each state. I will be using this website to gain enough information regarding the basics of social work to efficiently write my research paper. The website has plenty of information to get me off to a good start. The website also provides articles of interest regarding social work news. This source is reliable because of the credibility of the organization. All of the articles of interest were written by people working in the social work field which hold credibility.
