

A small blue boat is positioned in the lower center of the frame, floating on a calm body of water. The water's surface is perfectly still, creating a clear reflection of the boat and the sky above. The sky is a vibrant mix of purple, pink, and orange, with scattered clouds catching the low light of the setting or rising sun. The overall mood is peaceful and contemplative.

Advance and Retreat Harry Turtledove,2002-12-01 THE NORTH SHALL RISE AGAIN When Avram became King of Detina he declared he intended to liberate the blond serfs from their ties to the land This noble assertion immediately plunged the kingdom into a civil war that would prove long and bloody and set brother against brother The northern provinces dependent on their serf s labor seceded choosing Avram s cousin Grand Duke Geoffrey as their king To save the kingdom Avram sent armies clad in gray against the slave holding North battling Geoffrey s army arrayed in blue Though King Avram held more land and wealth than Geoffrey Geoffrey s men were better soldiers and the North had better and more powerful wizards Still as the war raged on greater population and superior organization began to tell and the tide turned against the North Even so the war is far from over The South still faces two formidable leaders General Bell whose loss of a leg has only strengthened his resolve and Ned of the Forest whose unicorn riders are the most dangerous force on the Northern side And though the Southern sorcerers have become more adept at war spells use of sorcery is unpredictable as the North learned earlier when its forces held an almost impregnable position but retreated in terror when an
