## **Reflections Biblical And Otherwise About Sexuality:**

Reflections Catherine Clark Kroeger, Tina J. Ostrander, 2001-10-01 One side takes a biblical position contrary to another side In the middle is a vast audience of people who really are looking for guidance on the subject beset by passion and politics on both sides Is it possible to present an understanding of the Bible s precepts in a way that is respectful of all people as well as faithful to Scripture Is it possible to sense the deep pain that some brought with them and the longing for healing of the wounds Is it possible to address the militants of both parties with a moderate and rational voice Is it possible to center on the will of God rather than the animosities of human beings *Reflections* provides a dispassionate thought provoking look at the issue without mudslinging name calling or outbursts of emotion The authors employ the Bible not as a weapon of war but as a light to our way and a lamp to our feet

**The Erotic Word** David M. Carr, 2005-02-24 Historically the Bible has been used to drive a wedge between the spirit and the body In this book David Carr argues that it can and should do just the opposite Sexuality and spirituality Carr contends are intricately interwoven when one is impoverished the other is warped

**Who Told You that You Were Naked?** Beverly Dale, 2024-10-15 A devotional for self image and self love In this collection of meditations and reflections Rev Beverly Dale critiques the theology and culture of shame that negatively impact so many lives She offers an alternative theology rooted in embracing who we are as sexual beings Both self help guide and theological and cultural criticism this volume will appeal to anyone interested in practical applicable engagement with the intersection between theology and sexuality

*Sexual Hospitality in the Hebrew Bible* Thalia Gur-Klein, 2014-10-20 A woman s life in the ancient world was constrained by her social and economic status As a daughter she was firmly under the aegis of her father and brothers who would later allocate the woman to another man as his wife The power of fathers and husbands extended to using their wives and daughters as sexual gifts to gain favour Yet alongside this woman had certain socio economic rights notably concerning inheritance and property which they could use to protect themselves *Sexual Hospitality in the Hebrew Bible* examines sacred sexuality and ritual fecundity from patronymic marriage where the husband claims exclusive rights over his wife s sexuality and attributes her offspring to his line and kin to metronymic conjugal systems which allow a woman to remain in her home where the male consort joins her and her kin Ranging across abstention promiscuity and holy offering the sexual lives of women in biblical times reveal not only restriction but also female agency and resistance

The Bible, Gender, and Sexuality: Critical Readings Lynn R. Huber, Rhiannon Graybill, 2020-10-01 This volume collects both classic and cutting edge readings related to gender sex sexuality and the Bible Engaging the Hebrew Bible New Testament and surrounding texts and worlds Rhiannon Graybill and Lynn R Huber have amassed a selection of essays that reflects a wide range of perspectives and approaches towards gender and sexuality Presented in three distinct parts the collection begins with an examination of gender in and around biblical contexts before moving to discussing sex and sexualities and finally critiques of gender and sexuality Each reading is introduced by the editors in order to situate it in its

broader scholarly context and each section culminates in an annotated list of further readings to point researchers towards other engagements with these key themes

**The Bible, Sexuality, and Culture** Brian Neil Peterson, 2021-05-26 We are living in a rapidly changing culture Since the 1960s the changes in our sexual ethics have become increasingly problematic How are people especially Evangelicals and other conservative Christians supposed to respond Does the Bible address these seismic changes How is a believer supposed to raise a family in the cultural chaos of the twenty first century If you have asked any of these questions before then this book is for you Peterson argues forcefully that the changes in our culture are a direct result of a postmodern and post Christian cultural rejection of the mandates established by God in the opening two chapters of Genesis The reason Western culture is imploding morally is directly connected to the Enemy s undoing of each of the Genesis mandates established by God for human and cultural flourishing With Western culture s rejection or undoing of every one of God s mandates in Genesis is there any hope for the survival of once thriving Judeo Christian cultures Peterson tackles these and many other issues in a forthright and unreserved manner This book is not for the faint of heart It is a call for a return to cultural sanity rooted in the fear of God and his Word

**The Pseudepigrapha on Sexuality** William Loader, 2011-03-09 The Pseudepigrapha on Sexuality is the third of five volumes by William Loader exploring attitudes toward sexuality in Judaism and Christianity during the Greco Roman era In this volume Loader investigates in detail a large diverse collection of more than forty Jewish apocryphal and pseudepigraphal writings and fragments composed between the third century b c e and the end of the first century c e Judith Tobit 2 Enoch Susannah these and many other writings reveal a complex and fascinating amalgam of attitudes and mores related to sexuality in early Jewish culture Loader analyzes each book or fragment in its own literary context and draws out significant trends and themes that run through the entire corpus offering a rich smorgasbord of reflection on sexuality during that period

*The New Testament on Sexuality* William Loader, 2012-09-13 This is the fifth and final installment of William Loader s authoritative acclaimed series on attitudes toward sexuality in the ancient world Sexual themes are never far beneath the surface where there are human beings This was certainly the case for Christians in the first century world Some began in a strongly Jewish context and worked out their faith in dialogue with their scriptural heritage Others had to work out their sexual ethics in a world strongly influenced by Greco Roman ideals and practices In *The New Testament on Sexuality* William Loader explores the relevant cultural contexts and looks at New Testament texts related to sexuality highlighting both the warnings about sexual wrongdoing and the affirmations of sexual union He deals with specific themes such as divorce same sex relations women and men in leadership and celibacy individual behavior gender roles and rules preferences and hopes also fall under the scope of his investigation Broad ranging and thorough this book engages both the biblical texts and the diverse ways in which they have been interpreted

**Sexual Reformation?** Manitza Kotze, Nadia Marais, Nina Muller van Velden, 2022-02-28 Inasmuch as sex and sexuality are not words often spoken from pulpits and in academic theological circles a vast number of utterances have been

made in the name of so called Christian values and biblical views on sex and sexuality These are often given from moral ethical perspectives and seemingly very prescriptive who should have sex with whom when sex should take place which purposes sex should serve and especially when sex is wrong Moreover often there is little or no recognition of the complexities surrounding human sexuality resulting in what appears to be a blueprint for sexuality applicable to all persons This volume contains fourteen theological and ethical reflections by South African scholars on human sexuality with the aim of exploring what a sexual reformation within Christian dialogue might entail Presented in three sections namely systematic theological reflections biblical reflections and ethical reflections the essays represent a range of topics from a variety of perspectives Luther and marriage sexual abuse in the Catholic Church body theology and the sexual revolution reproductive technologies sexuality and reproduction reproductive loss hermeneutical choices and gender reformation in South Africa queer engagements with bra Joseph explorations on Paul and sex rape culture and violent deities the church s moral authority and sexual ethics practical theological considerations regarding infertility empirical research on masculinities in Zambia and the lived experience of transgender people in African Independent Churches

**Sex, Gender, and Christian Ethics** Lisa Sowle Cahill, 1996-08-28 This book endorses feminist critiques of gender yet upholds the insight of traditional Christianity that sex commitment and parenthood are fulfilling human relations Their unity is a positive ideal though not an absolute norm Women and men should enjoy equal personal respect and social power In reply to feminist critics of oppressive gender and sex norms and to communitarian proponents of Christian morality Cahill argues that effective intercultural criticism of injustice requires a modest defence of moral objectivity She thus adopts a critical realism as its moral foundation drawing on Aristotle and Aquinas Moral judgment should be based on reasonable practical prudent and cross culturally nuanced reflection on human experience This is combined with a New Testament model of community centred on solidarity compassion and inclusion of the economically or socially marginalised

**Erotic Justice** Marvin Mahan Ellison, 1996-01-01 Ethicist Marvin Ellison compellingly argues that current crises in family personal life and sexuality are related to our culture s prevailing attitudes about human sexuality He proposes a liberating Christian ethic of erotic justice that goes beyond the prevailing patriarchal paradigm

**Loving the Body** D. Hopkins, 2004-12-09 In this book contributors argue that the Black Church must begin to address the significance of sexuality if it is to actually present liberation as a mode of existence that fully appreciates the body The contributors argue that we not only have to look at the Black Church in this discussion but also explore black Christianity in general

*God, Desire, and a Theology of Human Sexuality* David H. Jensen, 2013-01-01 This work of constructive theology examines human sexuality in light of Christian faith and doctrine Jensen moves beyond the hot button social debates about sexual orientation and sexual practices to look for healing The seven chapters consider Scripture and sex the connections between the triune covenantal God and human sexuality Christ s incarnation and resurrection as affirming the beauty of flesh eschatology and sexual identity the

ramifications of the Lord's Supper for human sexuality vocation and Christian callings to marriage celibacy and singleness and sexual ethics      Sexuality and Sex Therapy Mark A. Yarhouse, Erica S. N. Tan, 2025-02-25 In this second edition of the standard Christian resource on human sexuality Mark Yarhouse and Erica Tan offer a survey and appraisal of this field that integrates the latest research within a Christian worldview and addresses recent societal trends related to gender identity non normative sexualities digital and social media and more      *Readings in Christian Ethics* David K. Clark, Robert V.

Rakestraw, 1994 Ethical interpretations meet real life Case studies and readings explore divergent views on morals in action

Sexual Violence and Sacred Texts Amy Kalmanofsky, 2020-10-21 At the heart of many religions are sacred texts that depict or even incite sexual violence Most of this violence is directed against women and girls Sexual Violence and Sacred Texts opens up an informed passionate interfaith dialogue for scholars and activists seeking to transform social problems that impact women and girls globally Situated within struggles toward gender equity and widespread spiritual flourishing these essays empower religious leaders academics and laypersons to confront and to creatively engage with sacred texts that re inscribe sexual violence      **Sexual Virtue** Richard W. McCarty, 2015-01-08 Richard W McCarty offers a compassionate and inclusive conception of sexual virtue one that liberates Christians from traditional patriarchal requirements for heterosexuality marriage and procreation Daring to depart from ongoing debates about what Aristotle or Aquinas had to say this book sets a new course centered on virtue ethics It employs new insights from the sciences biblical scholarship analyses of church traditions and revisionist natural law thinking Eschewing simple deconstruction of traditional Christian norms for sexual morality McCarty offers constructive ideas about what might count as real human goods for people in a wide variety of sexual relationships Recreation relational intimacy and selective acts of procreation are three ends of sexual virtue that promote human happiness and can be appreciated in a broad Christian framework While primarily referencing the Roman Catholic intellectual tradition McCarty's work is also vital and accessible to those from Protestant backgrounds Addressed to LGBT and straight readers Sexual Virtue provides a compassionate sexual ethics for our time      **Christian Reflection in**

**Venus and Virtue** Jerry L. Walls, Jeremy Neill, David J. Baggett, 2018-01-30

Venus and Virtue are a match made in heaven While popular culture often tends to think of Christianity as negative about sexuality and sexual pleasure the fact is that Christians have the best of reasons to joyfully celebrate sex as a gift Unfortunately there is as much confusion about sex in Christian circles as there is in the culture at large The authors of this book believe that this confusion can only be adequately addressed by drawing from the deep wells of biblical truth and traditional theology The writers however are not only experts in biblical scholarship theology and philosophy but also pastoral ministry counseling pop culture criticism and women s issues This book is not sexy in the typical sense of that word but by situating sexuality within the cosmic drama of biblical revelation the true beauty and goodness of sex most clearly emerges And as that beauty emerges we can begin to see why Christian morality not only makes profound sense but also why it positively enriches the meaning of sex in ways that far outstrip the sexy secular alternative
