Pedagogies Django Paris, H. Samy Alim, 2017 Culturally Sustaining Pedagogies raises fundamental questions about the purpose of schooling in changing societies Bringing together an intergenerational group of prominent educators and researchers this volume engages and extends the concept of culturally sustaining pedagogy CSP teaching that perpetuates and fosters linguistic literate and cultural pluralism as part of schooling for positive social transformation. Compass Rose and The Duke in His Castle Library Journal I really enjoyed the rich complex and highly unusual storytelling in the Cobweb Bride Nazarian does an excellent job of painting the Renaissance world of her alternate reality and bringing in interesting twists of fantasy to the story Everything about this story that was fresh and new I loved the premise it was built on and I loved the story itself The characters are rich multi dimensional and so easy to get to know and identify with I am really looking forward to reading the next book in the trilogy when it comes out and in finding out more about what happens to the characters that still have a mission to carry out and how the story eventually resolves by the end of the trilogy I recommend this book to readers of YA lovers of fantasy alternate history and alternate reality It was a terrific read Tracy M Riva Midwest Book Review Cobweb Bride is astonishing and captivating a lush fantasy of imagery and magical realism The visuals are illustrated by the author's lyrical and metaphoric writing Every chapter and scene revels in this mortal coil surrounded by an expansive collage of characters immersed in a plot as rich and decadent as a Verdi opera The vibrancy of Ms Nazarian s writing is sheer kaleidoscopic visualization. The folkloric fable twists and turns recount shavings from the mythos of Hades and Persephone without boring you with a full blown serving of predictability The romance is as subtle as it is grim with glimmers of hope taking us further to our doom perhaps The overall tone is introspective hauntingly guiet with elements of horror fantasy that are as provocative as the works of Tanith Lee and Storm Constantine Patrice Romantic Historical Reviews a 5 Star Top Pick Many are called She alone can save the world and become Death s bride COBWEB BRIDE is a history flavored fantasy novel with romantic elements of the Persephone myth about Death's ultimatum to the world
