Reform Or Revolution Daniel De Leon, 1933 Reform Or Revolution Rosa Luxemburg, Brinda Karat, 2020 With an introduction by Brinda Karat What is the final aim of Marxist politics asked Rosa Luxemburg To improve the conditions of life under capitalism or to overthrow capitalist social relations and found a just order German Socialism in the late 19th century was torn on this question with Eduard Bernstein the influential advocate for the centrality of reforms This view was known as revisionism the revision of Marxism downwards from revolution to reformism Luxemburg argued in this influential pamphlet that Bernstein s revisionism would liquidate Marxist politics She based her critique of Bernstein on her close reading of Marx and of the social dynamic of capitalism A remarkable riposte from this heroic Marxist intellectual Reform vs Revolution appeared in German in two editions 1899 and 1908 The present text draws from both editions with further modifications after consultation with Sozialreform oder Revolution Gesammelte Werke Bd 1 Berlin Dietz Verlag 1982 The Introduction by Brinda Karat pays tribute to Luxemburg s revolutionary spirit and places her argument in context

Reform, Revolution and French Global Policy, 1787-1791 Jeremy J. Whiteman, 2017-09-19 The period following the American War of Independence was for the France of Louis XVI the high water mark of its diplomatic prestige With France s arch rival Britain humbled by the loss of her main north American colonies and deprived of any significant continental alliances Louis felt confident that France could at last re assume its natural role as the economic political and military leader of Europe That this did not happen and if anything France s international prestige sunk even lower was a bitter pill for its rulers and one that was to have important ramifications beyond the sphere of foreign policy Indeed continued frustration at France s impotence on the world stage

became a pressing domestic issue with radically opposing solutions being put forward to bring about a national regeneration This work focuses on the policy responses of the National Constituent Assembly to the issues of global competition especially in the maritime colonial and economic sphere and with particular reference to Anglo French rivalry These responses are contrasted to the policies of the reforming royal government of the Pre Revolution of 1787 1789 From this analysis of the Old and New Regimes respective global policies it is shown how French responses to the demands of international competition played a role in both fostering and shaping the Revolution of 1789 Moreover Whiteman argues that in spite of profound ideological differences in material terms there was a significant degree of continuity between the policies of the Constituent deputies and the Old Regime royal government Reform Or Revolution Daniel De Leon,1914 **REFORM, REVOLUTION, REACTION. A SHORT HISTORY OF ROME FROM THE ORIGINS OF THE SOCIAL WAR TO THE DICTATORSHIP OF SULLA** Frederik Juliaan Vervaeke,2023-11-09 In 133 and 123 122 BCE the Gracchan reforms opened three cans of worms pitting the Roman landowning elites against their poorer compatriots Roman economic interests against those of the Italian allies and senators against equestrians As these cumulative divisions threatened to coalesce into a perfect storm the noble and wealthy tribune of the plebs M Livius Drusus in 91 boldly proposed a comprehensive if costly New Deal The eventual annulment of Drusus visionary reform package set the stage for the armed rebellion of Rome s key Italic allies Even before the conclusion of this gargantuan struggle in 87 the deep divisions Drusus and his backers had sought to resolve compounded by political discontent among the enfranchised Italians caused the Roman polity to descend into a series of devastating civil wars terminated in 82 81 by Sulla s vindictive victory and reactionary new settlement Offering a novel narrative analysis of the pivotal events of this well known but often poorly understood period this book seeks to demonstrate how the time from Livius Drusus tribunate of the plebs to Sulla s unparalleled dictatorship was marked by momentous reform and experimentation and suggests that the former s fateful failure arguably represents the moment the Romans lost their ancestral Republic Reform, Revolution and Crisis in Europe Bronwyn Winter,Cat Moir,2019-10-31 Today Europe stands at a crossroads unlike any it has faced since 1945 Since the 2008 financial crash Europe has weathered the Greek debt crisis the 2015 refugee crisis and the identity crisis brought about by Brexit in 2016 The future of the European project is in doubt How will Europe respond Reform and revolution have been two forms of response to crisis that have shaped Europe s history To understand Europe s present we must understand that past This interdisciplinary book considers through the prism of several landmark moments how the dynamics of reformation and revolution and the crises they either addressed or created have shaped European history memory and thought **Reform Or Revolution** Daniel de Leon,2017-11-19 Excerpt from Reform or Revolution Address Delivered Under the Auspices of the People s Union at Well s Memorial Hall Boston January 26 1896 So with society Whenever a change leaves the internal mechanism untouched we have Reform whenever the internal mechanism is changed we have revolution Of course no internal change is possible without external manifestations About
