

Reforming the **CHICAGO TEAMSTERS**

The Story of Local 705

ROBERT BRUNO

Reforming The Chicago Teamsters

Mitchel P. Roth

Reforming The Chicago Teamsters:

Reforming the Chicago Teamsters Robert Bruno, 2003 How did the Chicago Teamsters Local 705 once notorious for corruption and despotism become an organization that the Wall Street Journal hailed as a model of reform In this compelling narrative Bruno tells of the often violent always contentious struggle to reform one of the nation's most powerful and independent union locals During the worst years Chicago Teamsters operated under thinly veiled threats and settled differences by fistfights Workers who questioned the powerful leadership faced physical intimidation verbal abuse and trumped up charges that threatened their jobs With the expulsion of key leaders in the early 1990s however a decade long struggle for control of the union began as Local 705 cast off the old days of coercion and payoffs Reformers encouraged rank and file Teamsters to choose their own leaders and after two successive open elections an unprecedented number of Teamsters turned out to vote in a dramatic 2000 election featuring five political slates and a diverse range of issues Clear and captivating *Reforming the Chicago Teamsters* raises important national issues about the balance of power between large corporations and working class Americans the role of workplace democracy in civil society and the ways unions can both hinder and promote worker interests

Breaking the Devil's Pact James B. Jacobs, Kerry T. Cooperman, 2011-10 In 1988 Manhattan U S Attorney Rudy Giuliani brought a massive civil racketeering suit against the leadership of the International Brotherhood of Teamsters IBT at the time possibly the most corrupt union in the world The lawsuit charged that the mafia had operated the IBT as a racketeering enterprise for decades systematically violating the rights of members and furthering the interests of organized crime On the eve of trial the parties settled the case and twenty years later the trustees are still on the job *Breaking the Devil's Pact* is an in depth study of the U S v IBT beginning with Giuliani's lawsuit and the politics surrounding it and continuing with an incisive analysis of the controversial nature of the ongoing trusteeship James B Jacobs and Kerry T Cooperman address the larger question of the limits of legal reform in the American labor movement and the appropriate level of government involvement

The Package King Joe Allen, 2020-04-07 An incisive history of how a bicycle messenger service in Seattle became a global behemoth and the labor battles along the way Dissent We may see their trademark brown trucks everywhere today but few people know the behind the scenes story of United Parcel Service and how it became one of America's most admired companies This book reveals how UPS managed to displace General Motors the very symbol of American capitalism to become the largest private sector unionized employer in the United States its long tumultuous history with the International Brotherhood of Teamsters and its effects on its workers and surrounding communities It also explores the question of its future in the age of Amazon as it battles to hold on to the throne of the Package King Get a copy of Allen's book for yourself and then pass it on to a UPS driver the next time you get a delivery She is part of the most organized section of what is possibly the most important industry in 21st century capitalism and the outcome of her story will have a lot to do with what our world looks like on the other side of this pandemic Independent

Mobsters, Unions, and Feds James B Jacobs, 2006-01-01 This worthy successor to *Gotham Unbound* is an exhaustive survey of the grip La Cosa Nostra has exerted on the country's most powerful unions. Publishers Weekly. Nowhere in the world has organized crime infiltrated the labor movement as effectively as in the United States. Yet the government, the AFL-CIO, and the civil liberties community all but ignored the situation for most of the twentieth century. Since 1975, however, the FBI, Department of Justice, and the federal judiciary have relentlessly battled against labor racketeering, even in some of the nation's most powerful unions. *Mobsters, Unions, and Feds* is the first book to document organized crime's exploitation of organized labor and the massive federal cleanup effort. A renowned criminologist who for twenty years has been assessing the government's attack on the Mafia, James B. Jacobs explains how Cosa Nostra families first gained a foothold in the labor movement, then consolidated their power through patronage, fraud, and violence, and finally used this power to become part of the political and economic power structure of twentieth-century urban America. Since FBI Director J. Edgar Hoover's death in 1972, federal law enforcement has aggressively investigated and prosecuted labor racketeers, as well as utilized the civil remedies provided for by the Racketeer Influenced and Corrupt Organization (RICO) statute to impose long-term court-supervised remedial trusteeships on mobbed-up unions. There have been some impressive victories, including substantial progress toward liberating the four most racketeer-ridden national unions from the grip of organized crime, but victory cannot yet be claimed. A must-read book for anyone interested in the problem of union corruption and what to do about it. *Industrial and Labor Relations Review*

Global Organized Crime Mitchel P. Roth, 2017-01-20 In the maelstrom of globalization and cyberspace, organized crime continues to defy definition. A diverse array of activities is perpetuated by criminal organizations, criminal groups, and associations, and gangs, and it is clear that one specific label is no longer adequate. This book offers a uniquely global approach to organized crime and the multitude of forces that shape it in the 21st century. As well as discussing definitions of and the historical roots of organized crime, this book examines various forms of organized crime around the world: in the US, Mexico, Latin America, and the Caribbean; Russia and Europe; Asia and Africa. This revised and updated new edition includes coverage of the rise of the Ndrangheta in Italy and their global expansion; the impact of drug legalization on organized crime; and the problem of methamphetamine, organ trading, money laundering, and animal poaching. Changes in gang traditions and gangland penitentiaries, the decentralization of Mexican cartels, the growth of opium production in Myanmar, and the drug war in Africa, and the advancement of ISIS and the emergence of the Silk Road and the Dark Net. This book is essential reading for students engaged in the study of global and transnational organized crime, with features including chapter overviews, key terms, critical thinking questions, and case studies. [Labor in America](#)

Melvyn Dubofsky, Joseph A. McCartin, 2017-03-08 This book, designed to give a survey history of American labor from colonial times to the present, is uniquely well suited to speak to the concerns of today's teachers and students. As issues of growing inequality, stagnating incomes, declining unionization, and exacerbated job insecurity have increasingly come to define working life over

the last 20 years a new generation of students and teachers is beginning to seek to understand labor and its place and ponder seriously its future in American life Like its predecessors this ninth edition of our classic survey of American labor is designed to introduce readers to the subject in an engaging accessible way

Poole's Index to Periodical Literature
William Frederick Poole,1908 **Rebel Rank and File** Aaron Brenner,Cal Winslow,Robert Brenner,2020-05-05 Often considered irredeemably conservative the US working class actually has a rich history of revolt Rebel Rank and File uncovers the hidden story of insurgency from below against employers and union bureaucrats in the late 1960s and 1970s From the mid 1960s to 1981 rank and file workers in the United States engaged in a level of sustained militancy not seen since the Great Depression and World War II Millions participated in one of the largest strike waves in US history There were 5 716 stoppages in 1970 alone involving more than 3 million workers Contract rejections collective insubordination sabotage organized slowdowns and wildcat strikes were the order of the day Workers targeted much of their activity at union leaders forming caucuses to fight for more democratic and combative unions that would forcefully resist the mounting offensive from employers that appeared at the end of the postwar economic boom It was a remarkable era in the history of US class struggle one rich in lessons for today s labor movement

The International Handbook of Labour Unions Gregor Gall,Adrian Wilkinson,Richard Hurd,2011-01-01 This insightful Handbook examines how labour unions across the world have experienced and responded to the growth of neo liberalism Since the 1970s the spread of neo liberalism across the world has radically reconfigured the relationship between unions employers and the state The contributors highlight that this is the major cause and effect of union decline and argue that if there is to be any union revitalisation and return to former levels of influence then unions need to respond in appropriate political and practical ways Written in a clear and accessible style the Handbook examines unions efforts to date in many of the major economies of the world providing foundations for understanding each country Policymakers analysts academics researchers and advanced students in employment industrial and labour relations as well as political economy will find this unique Handbook an important resource to understanding the contemporary plight and activity of labour unions

Teamster's Central States Pension Fund Reform and ERISA Enforcement Remedies United States. Congress. House. Committee on Ways and Means. Subcommittee on Oversight,1982

Poole's Index to Periodical Literature: 5th suppl 1902-1906 ,1908 [Poole's Index to Periodical Literature: 1902-1906](#) William Frederick Poole,1908 **New Working-Class Studies** John Russo,Sherry Lee Linkon,2018-08-06 We put the working class in all its varieties at the center of our work The new working class studies is not only about the labor movement or about workers of any particular kind or workers in any particular place even in the workplace Instead we ask questions about how class works for people at work at home and in the community We explore how class both unites and divides working class people which highlights the importance of understanding how class shapes and is shaped by race gender ethnicity and place We reflect on the common interests as well as the divisions between the most commonly imagined

version of the working class industrial blue collar workers and workers in the new economy whose work and personal lives seem at first glance to place them solidly in the middle class from the Introduction In John Russo and Sherry Lee Linkon's book contributors trace the origins of the new working class studies explore how it is being developed both within and across fields and identify key themes and issues Historians economists geographers sociologists and scholars of literature and cultural studies introduce many and varied aspects of this emerging field Throughout they consider how the study of working class life transforms traditional disciplines and stress the importance of popular and artistic representations of working class life

Poole's Index to Periodical Literature William Isaac Fletcher, Mary Poole, 1908 *The Library Index to Periodicals and Current Events*, 1905 **Poole's Index to Periodical Literature: Fifth supplement, January 1, 1902-January 1, 1907** William Frederick Poole, William Isaac Fletcher, 1908 *What Work Is* Robert Bruno, 2024-01-09 A distinctive exploration of how workers see work For more than twenty years Robert Bruno has taught labor history and labor studies to union members from a wide range of occupations and demographic groups In the class he asked his students to finish the question Work is in six words or less The thousands of responses he collected provide some of the rich source material behind *What Work Is* Bruno draws on the thoughts and feelings experienced by workers in the present day to analyze how we might design a future of work He breaks down perceptions of work into five categories work and time the space workers occupy the impact of work on our lives the sense of purpose that motivates workers and the people we work for in all senses of the term Far seeing and sympathetic *What Work Is* merges personal experiences with research poetry and other diverse sources to illuminate workers lives in the present and envision what work could be in the future *Program of the ... Annual Meeting* Organization of American Historians. Meeting, 2003 *Central States Teamsters Fund* United States. Congress. House. Committee on Ways and Means. Subcommittee on Oversight, 1978 Corruption and Reform in the Teamsters Union, 1898 to 1991 David Scott Witwer, 1994
