Masculinity in the Modern West Christopher E. Forth, 2008-09-16 Across the Western world crisis is the word most commonly used to describe the state of masculinity today but how new is this idea Can we identify a time when masculinity was actually stable and secure Masculinity in the Modern West engages with these questions by examining how traditional ideals about male physical prowess have clashed with the lifestyle changes that accompanied the rise of modern civilization since 1700 In countries like America Britain France Germany and Russia modernity bolstered male dominance in commerce politics technology and the world of ideas yet images of masculinity have continued to be haunted by the negative effects that polite cerebral consumerist and sedentary lifestyles might have on the minds and bodies of men Modernity thus exercises a double logic that supports male privilege while diminishing the physical difference used to legitimate that privilege By focusing on the male body this wide ranging study proposes that crises of masculinity may be structural and thus inescapable features of life in our world *Marriage* Curt Hamner, John Trent, Rebekah J. Byrd, Eric L. Johnson, Erik Thoennes, 2018-11-06 Never has the sacred covenant of marriage been more maligned than it is today It can be difficult to know how to respond to a culture that is becoming more and more antagonistic to biblical beliefs about marriage And this is a topic worth getting right Marriage was given to us as a picture of the triune God in relationship with his people which means what we believe about marriage is indissolubly tied to what we believe about God and his creating and saving purposes Therefore it is more important now than ever that we think theologically and carefully about what marriage is and how we live faithfully in it *Marriage Its Foundation Theology and Mission in a Changing World* is the much needed work on marriage for this generation and the next Rooted in a scriptural understanding of marriage it thoughtfully engages the issues surrounding marriage being debated today and lays the groundwork for the crucial conversations of our day Each section contains chapters from trusted theologians as well as experienced practitioners who work with couples daily Rediscover the beauty of God's design for marriage and be strengthened to stand firm amidst any challenges the world may bring **Dividing Paradise** Jennifer Sherman, 2021-03-23 How rural areas have become uneven proving grounds for the American Dream Late stage capitalism is trying to remake rural America in its own image and the resistance is telling Small town economies that have traditionally been based on logging mining farming and ranching now increasingly rely on tourism second home ownership and retirement migration In *Dividing Paradise* Jennifer Sherman tells the story of Paradise Valley Washington a rural community where amenity driven economic growth has resulted in a new social landscape of inequality and privilege with deep fault lines between old timers and newcomers In this complicated cultural reality class blindness allows privileged newcomers to

ignore or justify their impact on these towns papering over the sentiments of anger loss and disempowerment of longtime locals Based on in depth interviews with individuals on both sides of the divide this book explores the causes and repercussions of the stark inequity that has become commonplace across the United States It exposes the mechanisms by which inequality flourishes and by which Americans have come to believe that disparity is acceptable and deserved Sherman who is known for her work on rural America presents here a powerful case study of the ever growing tensions between those who can and those who cannot achieve their visions of the American dream **Refractions of Masculinity** John Richardson,1995-01-01 Mit finn Zusammenfass **Black Manhood in James Baldwin, Ernest J. Gaines, and August Wilson** Keith Clark,2004-01-22 Explores the novels short stories and plays of three African American writers to demonstrate how they challenged classic portrayals of black men in earlier literature Discusses how the identity of black men changed from one equated with victimization isolation and patriarchy to one of community camaraderie and intimacy **Painted and Photographed Portraits in Finland 1839-1870** Unto Käyhkö,1995
